

## **2. Notice of Claim of Bond Reclamation & Fraudulent Warrant**

I, Shannon Charles Michaud, a living man, an Arizonan, standing on the land and soil jurisdiction, issue this Notice to reclaim any bond paid in my name and to rescind any fraudulent warrant issued without lawful jurisdiction. This Declaration stands as truth, correct, and complete to the best of my knowledge and belief, under penalty of perjury.

### **Statement of Facts**

1. I am a living man, not a U.S. citizen, not a person, and not subject to statutory jurisdiction.
2. A bond was paid in my name in connection with a case initiated by de facto officers and courts operating in fraud.
3. Said bond was created from my credit and is my property; it was never knowingly, willingly, or intentionally assigned.
4. A warrant has now been issued in my name without lawful jurisdiction, without a verified claim of harm, and without delegation of authority from the people of Arizona.
5. This constitutes fraud, impersonation, barratry, theft, conversion, and constructive kidnapping.
6. My Special Appearance to challenge jurisdiction was ignored, placing all agents in dishonor.

### **Remedy & Claim**

7. I hereby rescind and reclaim nunc pro tunc, ab initio, any bond, surety, or financial instrument created, paid, or securitized in my name. Said bond is my property and must be returned to my control immediately.
8. I hereby rescind and void any fraudulent warrant issued in my name. Said warrant is null and void ab initio, for fraud, impersonation, barratry, and treason.
9. I require immediate correction of the record and rescission of all fraudulent instruments.
10. All agents involved are personally liable under the following terms:
  - \$10,000,000 per unlawful act outside lawful delegation of authority.
  - \$1,000,000 per day for kidnapping/unlawful detention.
  - \$100,000 per false presumption, misrepresentation, or unwarranted action.
