We, the living people, of Arizona, are the long-lost owners, inheritors, possessors, the Donor-Beneficiaries, the ones who hold the only survivorship interest in all the Arizona state related Estates, Trusts, and Legacies. The Arizona Assembly is the only lawful government on Arizona, a member of the 50 States of the Union of the Federation of States of The United States of America Unincorporated. We have Superior Concurrent General Jurisdiction over all.

Attached is an invoice in the amount of **\$3,250,000,000**. to be paid by September 13, 2024. You have continually ignored our notices and Arizona Public Law 1002 regarding closure of the border with Mexico, for the safety of the people on Arizona. You have our permission to use our State Trust funds to complete this transaction. **YOU ARE IN DEFAULT.**

Facts:

- On July 31st, 2023 you were sent **Notice to Close the Border** between Arizona and Mexico.
- On September 8th, 2023 you were sent **Second Notice to Close the Border** between Arizona and Mexico.
- On October 7th, 2023 you and the 4 border county sheriffs were each sent a third notice with invoice in the amount of \$325,000,000.00 each, which you have totally ignored.

That brings current total owed to $5 \times 325,000,000.00 = 1,625,000,000.00$ doubled for being late. Total owed is \$ 3,250,000,000.00.

Your crimes against the people of Arizona need to stop right now. We, The Arizona Assembly, the lawful government on Arizona, expect your total cooperation, remission of funds, and your Constitutional obligation to secure the border. You are in breach of trust of your Constitutional service contract.
