The Arizona Assembly(c)
Care of P.O. Box 20991
Sedona, Arizona [86341]

To all to whom these presents shall come:

The men and women of The Arizona Assembly(c), creations of Nature's God, standing on the land and soil of the organic states as a beneficiary of the American Public Law, and naturally possessing sovereignty in our own right, see **#5091** in number 2 below, present this Criminal Information, Claim and Notice of Liability, written in common American English and we have firsthand knowledge to declare as follows:

- 1) Whereas: the living men and women of Arizona hold sole survivorship interest in their estates and prove their Provenance, Jurisdiction, status and standing as American State Nationals, by their published public records at: <https://thearizonaassembly.org/public-record-search>, all documents and future updates therein are made part of this notice as if set forth in full; and
- 2) Whereas: <https://annavonreitz.com> is a public record for The United States of America, non-incorporated, the Federation of United States of America, all links therein are part of this notice as if set forth in full, and contain abundant notice, law and facts of the crimes committed against the American People by those impersonating our government, articles on that web page herein will be cited “#XXXX”, see also <https://tasa.americanstatenationals.org/wp-content/uploads/2025/04/3-31-2025-letter-to-trump.pdf>; and
- 3) Whereas: your corporation is misaddressing us with Usufruct Derivatives, and used our names to create franchises without contracts and for its own benefit --- which by law it can only do if it performs its usufructuary duty and holds us harmless from any damage or claim arising from its action, see **#4708** page 2 link; and
- 4) Whereas: there has also been a pernicious practice of pretending that there is a war on and that we, or rather, these foreign corporation franchises named after us, are involved in such a "war", see **#4324** page 5; and
- 5) Whereas: it turns out that the war is a Mercenary Conflict owed no dignity or authority under the Law of War and that the commercial companies involved are simply derelicts operating under conditions of fraud and deceit, see **#4722**; and
- 6) Whereas: Ancient Commercial Law applies:
<https://famguardian.org/TaxFreedom/CitesByTopic/MaximsOfCommerce.htm>; and
- 7) Therefore: you, your Principals and any incorporated State or United States agents, hereinafter “Agents,” are without contract and fully **informed**, in the criminal sense of the word, that we are not corporations, corporate franchises or representing any corporations; and
- 8) Therefore: we are not an Enemy of any sort and are in fact your Employers, see **#3680** number 4, and if you pretend to represent our government in any capacity whatsoever we require a guarantee

of full disclosure under oath or affirmation; and

9) Therefore: we object to the use of Federal Reserve Notes as a matter of law and principle, see #4700 and 12 USC 411; and

10) Therefore: we demand you perform your usufructuary duty and hold us harmless from any consequence of your action(s) creating franchises named after us, see #4719 page 3; and

11) Therefore: per #4721 Judgment page 7 and UCC 1-202, we "...require that corporate administrative tribunals being operated as courts of any kind explicitly and fully declare their identities, natures, venues, services, ownerships, and proper jurisdiction in plain, explicit, fully revealed language with no further purpose of evasion, obstruction, or lack of good faith service."; and

12) Therefore: by operation of law the judgments, facts, law, notices, terms, and conditions in this Criminal Information, Claim and Notice of Liability, void for fraud any past and estop any future claims, by Agents that fail to recognize the status and standing of American State Nationals, hereinafter ASNs, as being outside Agents jurisdiction and not "persons" subject to Agents' codes, legal definitions, or service and or "words of art"; and

13) Therefore: we do not accept solicitations, see #4721 Judgment page 7, and as a Preferential Priority Creditor, see #4473, we claim the following damages if Agents do not cease and desist from identity theft and or misaddressing us from foreign jurisdictions; and

14) Therefore:

- a) any future failure by Agents to recognize an ASN's status and standing as being outside their jurisdiction, and or absent a guarantee of full disclosure will be deemed a mercenary crime, and Agents agreement to this Criminal Information, Claim and Notice of Liability, to the judgments, facts, law, notices, terms, and conditions herein, right to accelerate at will and to a True Bill issued against you, and any and all said Agents individually, per each occurrence, at ten million dollars (\$10,000,000) lawful money of The United States of America; and
- b) Agents' use of any form of an ASN's name other than that which we use will be billed each, as in a) above at one million dollars (\$1,000,000) as will be kidnapping per calendar day or part thereof; and
- c) any other unwarranted actions, inactions, false statements or presumptions by Agents against ASNs, will be billed each as in a) above at one hundred thousand dollars (\$100,000) each; and

15) Therefore: without an ASN's **explicit consent**, no Agents have authority to take any action affecting ASNs or their property, any action or order by any incorporated State or United States Principles or agents not withstanding.

A copy, facsimile or digital scan of this Criminal Information, Claim and Notice of Liability shall be as lawfully binding as an original, is true complete and correct to the best of my knowledge and I so declare under Penalty of Perjury under the Public Law of The United States of America unincorporated).
