- Arizona Public Law #1002 sent to all of the above first class with no tracking
- Arizona Public Law #1003 sent to all of the above first class with no tracking
- American State National educational binder with ALL necessary information to understand the Great Fraud and related crime you are perpetuating was sent to Adrian Fontes on September 23rd of 2024 and received by him on September 25th of 2024 by USPS Tracking #9505516917914267141737.
- Final Judgment and Civil Orders of April 11th of 2014 (<https://www.annavonreitz.com/finaljudgmentwithaddendums.pdf>) and Default Judgment against your parent corporations the United States of America, Inc. and the UNITED STATES, INC. were received by these entities in April of 2014 and have been published publicly for 11 years. Per the principals and agents doctrine you have had knowledge of each fact in this document for 11 years.

As Notice to Principals is Notice to Agents and Notice to Agents is Notice to Principals, you have all had ample time with the aforementioned educational materials to understand the truth of the situation we are all in and act lawfully, but you have failed to do so. We have made MANY attempts to work with you and you have failed to acknowledge our efforts to educate you via Presentments both as an Assembly and individually. Your silence is dishonor and acquiescence in commerce, and we are accelerating service in light of your dishonoring our Presentments per UCC 1-309.

You have received all necessary information to understand the Great Fraud and related crime that you are perpetuating and you have failed to acknowledge it, indicating that you are either incompetent or criminal. The Arizona Assembly(c), the ONLY rightful and lawful government of the People of Arizona has had enough of your criminality and incompetence as our employee. We are resorting to due process as remedy for your egregious crimes against us, as you continue to reject our opportunities to meet and discuss the situation, and remain in honor like intelligent adults.

Facing the chaos at the end of the American Civil "War," President Lincoln invoked The Lieber Code (General Orders 100) to create a state of emergency to justify overreaches of Federal employees against the people of this country. This state of emergency has not existed for 160 years, and your overreach must stop. The U.S. Supreme Court decided a landmark case in 1866 which still stands in Ex Parte Milligan, codified in U.S. Code as 71 U.S. 2 (1866). Quoting Section 98 of this code:

"Therefore, anyone who declares the suspension of constitutionally guaranteed rights (which we are heir to and which we claim via expatriation from any conferred status as federal citizens) and attempts to enforce such suspension within the 50 independent, sovereign, continental United States of America, is making war against our constitution(s), and, therefore, we the people. They violate their constitutional oath and, thus, immediately forfeit their office and authority and their proclamations may be disregarded with impunity..."

By failing to acknowledge our Presentments you are ignoring our status and standing as Americans - both individually and as an Assembly. In doing so, you are guilty of Treason and attempting to do harm to Americans, two crimes we take VERY seriously. Per the above, your actions are not only suitable for immediate removal from office, but potentially execution.

Enclosed are Arizona Public Laws #1001, #1002, #1003, #1004 and #1005, passed unanimously by The Arizona Assembly(c). We suggest that you take these Public Laws seriously and implement them immediately, or we will continue to bill and lien both you and your parent corporations for your crimes against us. Should you wish to discuss these laws and the potential to work together amicably, please contact Dennis Knill, Chair of the Arizona Assembly within 2 days of receipt of this Notice at (928)

821-0785. If you fail to contact The Arizona Assembly(c) within 2 days of this Notice, you acquiesce to everything in the enclosed True Bill notices.

February 4th 2024
State of Arizona Secretary of State
Secretary of State Adrian Forties
1700 W Washington St Fl 7
Phoenix, Arizona [85007]

Dear Secretary of State Adrian Forties,

I, a living man, am serving you Notice of my standing as an Arizona State National, as I know it is your duty to defend my constitutional guarantees.

I am exempt from all Municipal duty and service by my exemption found at Title 50, Section 7 (c) and (e) of the 2012 Edition of the Federal Code. (Enclosed) I am not an individual corporation created under Municipal law.

I am exempt from all Territorial obligations, as I am a Foreign Sovereign and claim my exemption under the Supremacy Clause of Article VI of The Constitution of the United States of America and Amendment XI thereof, which provides that no American is subject to foreign law. I am not an individual created under 1USC 8 as a Territorial citizen.

I have one contract and one contract only with the government officials. If they are MUNICIPAL Employees, the contract is The Constitution of the United States. If they are Territorial Employees, the contract is The Constitution of the United States of America. Article VI is the Supremacy Clause, no other law, statute, code, or regulation stands above the Constitution owed to me as an American and any contrary law is null and void. Amendment 10, the power remains with the States and the people.

Amendment 11, Americans are not subject to any foreign law. Ever! This includes the statutes of the States of States and the codes of the Federal Subcontractors.

Therefore, I owe no duty to any Municipal or Territorial court, instead any Municipal or Territorial court has a duty to set me free from any presumption of obligation under any foreign law, and to return to me my assets and my freedom without debt or encumbrance."

I am an Inheritor of and Living and Present Heir to the Trust Indenture established by the unanimous Declaration of Independence, 1776, the Organic Laws of my State and Country, and the applicable Unrevised United States Statutes at Large as they pertain to the general populace and the Military Law of Peace.

I claim all guarantees provided by three Federal Constitutions, all rights, all remedies, and all exemptions, including but not limited to:

- Reversionary Trust Interest, 12 USC 95(a)
- Regulation Z
- Lawful Money
- The Enabling Clause, before every Act of Congress
- The Brother's Keeper Clause, 18 USC 241 and 242
- West Virginia v. EPA (2022) and attendant case Norton v. Shelby County, 119 U.S. 425 (1886)

I am not a pauper, debtor, rebel, combatant, foreign agent, public dependent, U.S. Citizen, a Municipal citizen of the United States, or in any way separated from the organic States of the Union.

This I declare and affirm under penalty of perjury under the public law of The United States of America.

Stephanie Raylene OBrien

c/o 12795 Central Avenue, Unit 1171

Mayer, Arizona [86333], outside the United States, inc.

To all to whom these presents shall come:

I, a woman Stephanie Raylene OBrien a creation of Nature's God, standing on the land and soil of the organic states as a beneficiary of the American Public Law, and naturally possessing sovereignty in my own right, see #4713 in number 2 below, present this Criminal Information, Claim and Notice of Liability, written in common American English and I have first hand knowledge to declare as follows:

1) Whereas: I, a woman, Stephanie Raylene OBrien hold sole survivorship interest in my estate and prove my Provenance, Jurisdiction, status and standing as an American State National, by my public record at: <https://theareizonaassembly.org/public-record-search> Az-08-354-242-243003, all documents and future updates therein are made part of this notice as if set forth in full; and

2) Whereas: <https://annavonreitz.com> is a public record for The United States of America, non-incorporated, the Federation of united States of America, all links therein are part of this notice as if set forth in full, and contain abundant notice, law and facts of the crimes committed against the American People by those impersonating our government, articles on that web page herein will be cited "#XXXX"; see #0001, #0087, #1105, #3061, #3112, #3487, #3564, #3711, #3716, #3717, #3733, #3755, #3763, #3936, #4083, #4340, #4342, #4385, #4393, #4405, #4406, #4473, #4501, #4539, #4588, and #4713, #4720,, #4759, #4760, #4766; and

3) Whereas: your corporation is misaddressing me, and used my name to create franchises without contract and for its own benefit — which by law it can only do if it holds me harmless from any damage or claim arising from their action, see #4708 page 2 link; and

4) Whereas: there has also been a pernicious practice of pretending that there is a war on and that I, or rather, these foreign corporation franchises named after me, are involved in such a "war", see #4324 page 5; and

5) Whereas: it turns out that the war is a Mercenary Conflict owed no dignity or authority under the Law of War and that the commercial companies involved are simply derelicts operating under conditions of fraud and deceit, see #4722; and

6) Whereas: Ancient Commercial Law applies:
<https://famguardian.org/TaxFreedom/CitesByTopic/MaximsOfCommerce.htm> ; and

7) Therefore: you, your Principals and any State-of-State or United States agents, hereinafter "Agents," are without contract and fully informed, in the criminal sense of the word, that I am not a corporation, corporate franchise or representing any corporation; and

8) Therefore: I am not an Enemy of any sort, am in fact your Employer, see #3680 number 4, and if you pretend to represent my government in any capacity whatsoever I require a full disclosure guarantee under oath or affirmation; and

9) Therefore: I object to the use of Federal Reserve Notes as a matter of law and principle, see #4700; and

10) Therefore: I demand you hold me harmless from any consequence of your action(s) creating franchises named after me, see #4719 page 3; and

11) Therefore: per #4721 Judgment page 7, I "...require that corporate administrative tribunals being operated as courts of any kind explicitly and fully declare their identities, natures, venues, services,

ownerships, and proper jurisdiction in plain, explicit, fully revealed language with no further purpose of evasion, obstruction, or lack of good faith service.”; and

12) Therefore: by operation of law the judgments, facts, law, notices, terms, and conditions in this Criminal Information, Claim and Notice of Liability, void for fraud any past and estop any future claims, by Agents that fail to recognize the status and standing of American State National’s, hereinafter ASNs, as being outside Agents jurisdiction and not a person subject to Agents codes, legal definitions, or service and or “words of art”; and

13) Therefore: I do not accept solicitations, see #4721 Judgment page 7, and as a Preferential Priority Creditor, see #4473 I claim the following damages if Agents do not cease and desist from identity theft and or misaddressing me from a foreign jurisdiction; and

14) Therefore:

- a) any future failure by Agents to recognize ASNs status and standing as being outside their jurisdiction, and or absent a guarantee of full disclosure will be deemed a mercenary crime, and Agents agreement to this Criminal Information, Claim and Notice of Liability, to the judgments, facts, law, notices, terms, and conditions herein and to a True Bill issued against you, and any and all said Agents individually, per each occurrence, at ten million dollars (\$10,000,000) lawful money of The United States of America; and
- b) Agents use of any form of an ASN’s name other than that which I use herein will be billed each, as in a) above at one million dollars (\$1,000,000) as will be kidnapping per calendar day or part thereof; and
- c) any other unwarranted actions, inactions, false statements or presumptions by Agents against ASNs, will be billed each as in a) above at one hundred thousand dollars (\$100,000) each; and

15) Therefore: without an ASN’s explicit consent, no Agents have authority to take any action affecting ASNs or their property, any action or order by any State-of-State or United States Principles or agents not withstanding; and

A copy, facsimile or digital scan of this Criminal Information, Claim and Notice of Liability shall be as lawfully binding as an original, is true complete and correct to the best of my knowledge and I so declare under Penalty of Perjury under the Public Law of The United States of America (non-incorporated).

So issued and affirmed without prejudice, without the United States and without the United States of America this June 27th of 2024.

SO - your ASN docs were sent to Fontes on February 4th and received on February 7th - Didn't this Spraggins person drop by your home after February 7th? If so, we can use this - if not we cannot.

I would definitely send an amended CICNOL with "woman" for sure, that's something they could wriggle out of.

Re: Correction of Political Status and Removal from Tax Rolls –
Tax Parcel # 302-02-190

Notice to Agent is Notice to Principal – Notice to Principal is Notice to Agent

Dear Messrs. Fontes, Simmons and Davis:

I am an **American State National**, a living man, who is in lawful possession of land and soil, living on Yavapai County, Arizona land state. I am not a "resident" of the State of Arizona and, as such, I am not subject to any of your laws, statutes, rules, codes and regulations, bylaws, etc., which are foreign to me. Real Estate (controlled by the British Crown Corporation) is merely a graphic overlay placed over physical land with actual borders that only exists on paper (like a map) and is a fiction. Only the General Public (i.e., American State Nationals and American State Citizens) can own Land.

I am owed Good Faith and Service by you, under the terms of both contracts known as the Constitution of the United States of America (1789, British Territorial Subcontractor) and the Constitution of the United States (1790, Papai Municipal Subcontractor). The State of Arizona is a corporation (DUNS number 072459266), as is the County of Yavapai and all departments and agencies of county, state and federal government.

LET IT BE KNOWN, that I have given lawful Public Notice of the recording of my Deed of Reconveyance, recorded 06/12/2024, # 2024-0023014 under "Miscellaneous," with the Yavapai County Recorder's Office. It has also been recorded on the Public Record in the Land Recording Office for **Arizona of The United States of America** (unincorporated) and can

be verified by inserting my last name (Sheldon) into the search box on the world wide web link: <https://thearizonasassembly.org/public-record-search>.

The United States of America (unincorporated) has returned from its over 150-year abeyance as the lawful Government. All the western Territorial States were enrolled as actual States of the Union as of October 1, 2020, made retroactive to the date these States entered Territorial Statehood, so there is no longer any presumption of U.S. Citizenship against any of the people born/naturalized in these States of the Union. And, with the Chapter 7 Bankruptcy of the UNITED STATES corporation, all original Land Patents reverted back to the Fifty (50) States of the Union (the rightful owners).

By this Deed of Reconveyance, I have claimed and accepted Assignment of an original United States Land Patent (belonging to Arizona land state). Since I have updated said Patent into my name with my metes & bounds land description and monumented corners, I am the recorded lawful and legal owner of my private land and private property as an Allodium Freehold estate, free of any commercial forums such as the Uniform Commercial Code (Title 47 UCC).

Therefore, as Landlord, the land and soil described in the Deed of Reconveyance is NOT SUBJECT TO ANY TAXATION OR REGULATION, FEES OR FINES, at any time, by any incorporated State governmental agency, entity or their respective private charters or private copyrighted state or federal commerce statutes and codes.

American State Nationals/Citizens are not subject to your Statutes, Codes, Rules and Regulations. It has recently been confirmed by the Supreme Court of the United States, in *West Virginia v. EPA*, 985 F. 3d 914 (June 30, 2022), reinstating Tennessee Supreme Court's decision in *Norton v. Shelby County*, 118 U.S. 425 (1886). That ruling confirmed that Congress has no authority to delegate its law-making ability. In other words, none of the federal and state governmental agencies have any power or authority to legislate, and Congress may not delegate any responsibility to create law. According to the eighteen (18) delegated services enumerated in the Constitutions aforementioned, all authority not so delegated belongs to the States (of the Union) or to the People, respectively.

All improvements upon my land and soil have been reclassified from Marketable "Real Estate" (Commercial, Territorial, British Crown, B.C.) to private land, soil, surface water, well and buildings as an Allodium Freehold estate for the beneficial use of me, the Landlord, exclusively, and any future heir(s), beneficiary(ies) and assigns, as a private Domicile.

My corrected political status is that of an **American State National** entitled to lawful possession of land and soil of Arizona associated with my publicly recorded "Certificate of Assumed Name/Notice of Transfer of Reserved Name." All names

administered without my knowledge and consent have been claimed under this document. As such, it is a crime to administer them without my approval.

I have revoked and withdrawn all previous Powers of Attorney presumed to be given by me or used without my knowledge and consent. I do not consent to my private land being taxed by any corporate entity based upon its value.

As such, I direct you, the **Arizona Secretary of State**, to comply with the provisions of the Naval Agency Distribution Act of 1864 and protect me from overreach of your subordinates, Yavapai County Assessor and Yavapai County Treasurer, employees of the federal government.

I direct the **Yavapai County Tax Assessor** to make appropriate corrections to their records and immediately remove my name (DAVID M. SHELDON; SHELDON, DAVID M.) and my land and soil assets from the Tax Rolls of both the Territorial and the Municipal Government corporations. I am not operating as a corporate franchise and my land and soil with all appurtenances and hereditaments is not "income producing" corporate agriculture, commercial, or residential property within the meaning and intent of Federal or State Code.

I direct the **Yavapai County Treasurer** to make appropriate corrections to their records and reimburse me for all taxes paid into the account since October 23, 2015, including interest at the rate of 12% per annum.

I am the Holder in due course of my private Trade Mark, which has been abused in the past via impersonation to financially enrich your corporate offices. Any attempts to misaddress me, latch onto my assets or mischaracterize me as any kind of foreign citizen owing allegiance to the British Crown and to the Roman Pontiff must stop immediately. **You can do this by returning all tax payments paid by me as property tax.**

Each of you has a Usufructuary duty to me. Any further monetization of my privately copyrighted and Trade Marked names, or your creation of new ones with the intent to deceive me and enrich yourselves, is considered a Capital Crime.

When a Government agency or franchisee, (having a limited right to use assets and credits of U.S. Citizens) learns that a declared American (American State National or American State Citizen) now holds ownership, such agency or franchisee must "**hold Harmless**" that declared American. Knowing about this and doing nothing is no excuse and still makes you a criminal.

Numerous Public Notices by the Fiduciary of **The United States of America** (unincorporated) are accessible on the Public Record, pointing out and offering

corrections of your unlawful and illegal conduct regarding the General Public. And, since our American Common Law Courts are now up and running, it is only a matter of time when you will be held personally accountable for your actions, as well as all of your inactions. See Notice of Capacity and Standing of Common Law Court on Arizona.

I am asking each of you to kindly respond within 30 days of the date of this letter with written confirmation that you have corrected my political status as an **American State National** on your records; removed my name from your tax rolls/records as well as removed the property from land registration (if applicable); and that you have given Notice with instructions to all applicable departments and agencies involved.

Thank you for your anticipated cooperation.

Born October 15, 1968 in Ontario, Oregon Robert Wendell Foltz X Nancy Ann Foltz Wedded
March 26, 1965 in Payette, Idaho The United States of America

Whereas I, the living man known as David Michael Foltz, am the result of the life and love and physical embodiment of my parents, the living man known as Robert Wendell Foltz and the living woman known as Nancy Ann Foltz (nee Nancy Ann Sheldon) who were lawfully wedded in Payette, Idaho in the calendar year 1965, now therefore I am their living son from the moment of conception and from the first combining of their unique genetic code to create my unique genetic code and my zygote in support of my physical embodiment then and now, and as I am the only true and surviving inheritor, I hereby publish my claim and recording of the facts:

The Afterbirth composed of a placenta, umbilical cord, and fetal tissues which accompanied me into this world and which was in possession of my DNA was never a viable separate living organism and was instead a portion of my flesh skin to any hair, skin, or other representation of my genetic content, that was not abandoned, not donated, and not returned to me or my parents for burial. No separate estate, living status, ownership interest or death apart from my own life may be claimed in behalf of the Afterbirth or other waste resulting from my birth, from my shedding of hair, my shedding of skin, the deposit of my fingerprints or any other DNA-containing substance whatsoever.

I hereby establish my Paramount Claim upon my unique DNA as the only lawful and living inheritor thereof from the moment of my conception forward and I also publish my nullification of any claim of ownership or material interest in my DNA based upon samples procured from any bodily waste or substance for any purpose.

ATTACHMENT #1

The United States of America (unincorporated)
Arizona State (one of the 50 States of the Union)

Deed of Reconveyance

Accepting Land Patent Assignment
(09/05/1947 Ash Fork Live Stock Company Patent)
With Notice of Vacated Deed Conveyance

KNOW ALL MEN BY THESE PRESENTS, that as of November 4, 2015, all United States Land Patents were seized upon by the actual American Government operating as The United States of America (unincorporated) and were reissued and assigned to the fifty (50) individual States of the Union.

As an American State National living on the land and soil on Arizona, I, David Michael Sheldon, have accepted the real estate deed recorded October 23, 2015 under recording #2015-0051018, in the Yavapai County Recorder's Office, have taken possession of the land and do, in fact, occupy said land and hereby declare notice of my homestead of the land. As Assignee of an original United States Land Patent re-issued to Arizona land state, I hereby accept and claim the "Forever" benefit of said patent and accept assignment of all Rights pertaining to the land described below, including but not limited to the Land Patent-secured rights named within United States of America Patent No. 1122711 issued to Ash Fork Live Stock Company, Grantee, on September 5, 1947, including any applicable application and certificate numbers. See Attachment #1, Certified copy of original United States Land Patent No. 1122711. See, also, Attachment #2 which contains pertinent information related to this Deed of Reconveyance. And, see, also, Attachment #3, "What You Should Know", which includes facts and caselaw pertinent to Land Patents issued by The United States of America, and educational information.

Let it be known that I have given lawful Public Notice of my update of the original Land Patent covering my land, via ads placed in the legal section of a weekly newspaper, and more than sixty (60) days have elapsed since such publication, with no written claims against my land being received by me. As of the date of this recording, no written challenges have been made in a court of law by anyone lawfully documenting their claim by providing the wet-ink signature documents that prove their claim. Therefore, anyone attempting to initiate a written claim now is forever barred from so doing, as the doctrine of laches and the doctrine of estoppel applies. See Attachment #4, Affidavit of Publication from Verde Valley Independent with copy of published ad.

Thereby, by claiming and bringing up said Land Patent in my own name with my lawful metes and bounds land description, and with the corners of my land properly monumented, I hold this land as an Allodium Freehold estate in the chain of title from the original patentee, including all appurtenances and hereditaments. See Attachment #5, Summary of chain of title going back to original Patentee. See, also, Attachment #6, Photographs of monumented corners of my land. As such, said land remains unencumbered, free and clear, without liens or claims attached in any way, and is hereby declared to be private land and private property, not subject to any commercial forums (e.g., Uniform Commercial Code) whatsoever.

The land, soil, surface water, well and buildings formerly described within the Deed to DAVID SHELDON, recorded October 23, 2015 under recording number 2015-0051018, is commonly known as Lot 336, Juniperwood Ranch, Unit 2, COUNTY OF YAVAPAI (INCORPORATED) in STATE OF ARIZONA (INCORPORATED) in Ash Fork, INCORPORATED YAVAPAI and UNINCORPORATED COUNTY OF YAVAPAI, Arizona 86320, ZIP® PRESUMED FEDERAL DISTRICT, and previously identified as "Tax Parcel number 302-02-190", which property is registered in the Yavapai County Recorder's Office located in Prescott and PRESCOTT, in and for the said County of Yavapai and YAVAPAI COUNTY; said property is hereby described and identified as land, soil, surface water, well and buildings, and is hereby reconveyed, for and in consideration of Ten United States lawful dollars (\$10 U.S.), the receipt of which is hereby acknowledged, to me, David Michael Sheldon, living man, American Grantor; asset of the land and soil jurisdiction as land parcel and portion of soil, portion of surface water, well and buildings on the unincorporated Sovereign Arizona land state, without the incorporated fictional entities: Arizona State, STATE OF ARIZONA, Yavapai County, COUNTY OF YAVAPAI, Yavapai County Assessor's Office, Yavapai County Department of Assessments, Arizona State Department of Revenue, Internal Revenue Service, IRS, Department of the Treasury, DOT, and any and all other CORPORATE ASSESSMENT FIRMS, TAX FIRMS, REVENUE FIRMS or FICTIONAL INCORPORATED ENTITIES—however written or spelled—acting as third-party interlopers without factual evidence proven not to be mere presumption of facts, without lawful standing to any "Claim of Interest" in said parcel of land and soil.

Any and all related Legal Instruments, including but not limited to Deeds and/or other legal documents regarding any previously recorded "Claims of Interest" by incorporated entities acting as third-party interlopers, are declared Null and Void. This includes any previously filed Mortgages, Promissory Notes and/or Deeds of Trust prior to the filing of this Deed of Reconveyance, which are all declared Null and Void and have no further connection or bearing since the holders of those security instruments have been paid in full, not once, but many times, not only from any CESTUI QUE VIE ESTATE TRUST, STATE TRUST and/or PUBLIC CHARITABLE TRUST, previous Color of Law Owners of Title (Tenants) or by me, DAVID MICHAEL SHELDON, DAVID M. **Let this be Fair and Public Notice to all Parties, Public and Private:
Notice to Agents is Notice to Principals – Notice to Principals is Notice to Agents**

I, David Michael Sheldon, am an American State National living within the physical borders of Arizona State. I affirm, under penalty of perjury, under Public Law of The United States of America (unincorporated), that I am a permanent member of the population and not a temporary resident of the United States, Inc. I also affirm that I am not knowingly or voluntarily adopting any obligation of British Territorial United States Citizenship and/or UNITED STATES CITIZENSHIP. I am acting without the Municipal United States and without the Territorial United States of America and asserting my lawful and natural right as a living man and as a private American man owed all protections of Article IV of both the Constitution of the United States of America (1789) and the Constitution of the United States (1790).

It is not, and has never been, my intention to grant any Federal Enclave upon my private American holdings which are protected under my American State National credential documents, including my Notice of Intent-Fee Schedule, recorded in the public records of The Arizona Assembly under "David Sheldon" on the world wide web at:

<http://theazarizonaassembly.org/public-record-search?eeListID=1&eeFees=1&ee=1>

LAND DESCRIPTION:

A parcel of land in the Southeast quarter of Section 18, Township 20 North, Range 3 West, Gila and Salt River Base and Meridian, being Lot No. 336, Arizona's Juniperwood Ranch, Unit 2, according to Survey recorded in Book 1 of Land Surveys, page 3, Yavapai County Recorder's Office, Arizona, described as follows:

BEGINNING at a point in the Southwest corner of Lot 336, North 02° 18' 40" West a distance of 1,344.64 feet to a point in the Northwest corner of said lot; thence North 89° 02' 22" East a distance of 1,296.20 feet to a point in the Northeast corner of said lot; thence North 02° 18' 40" West a distance of 1,344.64 feet to a point in the Southeast corner of said lot; thence North 89° 02' 22" East a distance of 1,296.20 feet to the point of beginning, containing 40 acres, more or less.

The above land description is excepting any public contracts that may infringe on the reasonable and necessary rights of Landlord. This description is also excepting infringement on the sovereign rights of the American State National Grantee as a matter of principle under Common Law.

"As of October the First in the year of 2020, the properly declared and recorded People operating the State Assemblies organized and enrolled prior to the year of 1860, have acted via Roll Call Vote to acknowledge, accept, and enroll their sister States which have been created during and after the Civil War as fully endowed and empowered States of the Union. This action ends over 160 years of presumptive custodial interest on the part of the Territorial United States Government in the administration of the public resources and populations of these predominantly western States created and provisionally accepted as States of the Union under the Northwest Ordinance. These former Territorial States are now enrolled as members of The United States and The United States of America and have entered into full standing as independent States. All fifty (50) State Assemblies are now fully functional and operating on par with each other. The States formed during and after the Civil War are no longer subject to any presumption of custodial interest by the Territorial United States Government and are free to assume the possession and enjoyment of all land and soil and related assets, rights, titles, and interests expressed or implied, within their borders."—*Anna von Reitz, Fiduciary of The United States of America, unincorporated.*

The land and soil described as part of this Deed of Reconveyance is a physical portion of land and soil belonging to the Sovereign unincorporated state known as Arizona and is free and clear of foreign title and encumbrance, and is in the possession of a living American State National known as David Michael Sheldon, Landlord, with exclusive beneficial interest, who has returned all former property interests to the land and soil jurisdiction of Arizona and conveyed all of his assets to his private possession, thereby holding these assets and personal property in original jurisdiction, without exception, effective *ab initio, nunc pro tunc*, and as a private interest these provisions apply effective with the earliest date and accrue to the benefit and beneficial use of the actual Landlord in possession as Heirlooms. The land and soil described herein is not subject to any taxation or regulation, fees or fines at any time, by any incorporated entity or their respective private charters or private copyrighted international commerce statutes and codes. This means that no property taxes, fines or fees can now be assessed and/or billed against my private patented land and private property. As Landlord, I claim exemption and the exemption of my land and property. My land and soil is a Freehold estate, fee-simple, unique, unincorporated and tax free in perpetuity, and I declare that I am owed true possession, as Landlord, of all actual assets, including land and soil assets held in my living man name.

As Landlord, I also seize all titles, easements, utilities, accesses, water resources, buildings and appurtenances related in any way to my geographically-defined land and soil assets as hereinbefore described and assigned the following address: Vacant Land, Yavapai County, Arizona. I, the private American man in possession of this land and soil, am claiming all descriptions of it to include the Tax Assessor's description of it and any other land description variations such as Parcel number 302-02-190.

I hereby revoke all foreign registrations and return and reconvey all actual and factual property assets related to me or held in my name to their original geographically-defined State of the Union (Arizona) and establish my own permanent description of my private land and soil as "2Tricksters Ranch," which shall be the only acceptable and actual property description associated with me and my private property from now on—any other public scheme of mapping, naming or substitution of my land description is not allowed from this day forward. This land and soil is under private and competent possession as a Freehold by the Landlord, and this document is recorded Public Notice of the new address: 333 Hisatsinom Way, Ash Fork, Arizona. A FEDERAL MAIL BOX is not installed on my privately-held land and soil and my new address is ZIP® exempt.

I am acting without the United States and without the United States of America. Therefore, I am not subject of, or to, private corporate charters or copyrighted private international commerce statutes and codes created for Territorial and MUNICIPAL corporations and their private EMPLOYEES. All presumptions are hereby rebutted, from the beginning and forevermore.

Any correspondence regarding this privately-held land and soil may be addressed to 2Tricksters Ranch, in care of Post Office Box 1073, Ash Fork, Arizona 86320.

This Deed of Reconveyance corrects and reconveys any presumed designation as "Real Estate" of my land and soil to my Allodium Freehold permanent homestead and domicile in Arizona. No other or further legal presumptions may be made by the Bureau of Land Management, BLM, Department of the Interior, the Commissioner of Natural Resources, nor by any other federal or federated state or municipal corporation or any corporate employee concerning me and my private property, without my explicit wet-ink autograph and seal, and my fully disclosed consent.

Any acts of treason against me, one of the General Public (an American State National), and/or the Unanimous Declaration of Independence and Bill of Rights, perpetrated by Territorial and Municipal employees against their respective original Constitutions, render all illegal and unlawful actions Null and Void, *ab initio*. Some of the crimes committed against ASNs and ASCs are set forth in Attachment #2.

Any public easement granted to any incorporated entity or incorporated body politic allowing access across my land is strictly limited to the exact purpose for which the easement was originally granted. This means that easements granted to provide for access to electrical utilities, for example, are limited to that purpose, and so on. There are no general purpose or unlimited easements of any kind related to my private property.

Any trespass or transgression against me or against my private land holdings apart from the limited stipulations that apply are cause for Damage Claims and the assessment of Usage fees in the amount of not less than \$15,000.00 U.S. lawful Dollars, or the equivalent thereof in silver coin, per offense. Contractual obligations of the trespassers accrue the moment they step foot on my land or access any easement for any purpose not specifically allowed. Such Usage fees may only be waived by the Landlord at his discretion and may result in direct enforcement actions against chronic abusers of my private assets.

Upon recording of this Deed of Reconveyance on the public record, any Fictional incorporated entity of the District of Columbia, D.C., King Charles III, British Crown Corporation, Lord Mayor of London, City of London, Holy See, Vatican, City of Rome or Secondary Creditors issuing a Tax Statement/Bill through the United States Post Office addressed to the Public Transmitting Unit, DAVID M. This Public Notice, when recorded in the public records of The Arizona Assembly and/or the Yavapai County Recorder's Office as part of the Deed of Reconveyance, is accessible in its entirety to any interested parties as well as those parties obligated to correct Public Records of American State Nationals and American State Citizens.

I, David Michael Sheldon, a living man, by exercising my inherent unalienable and absolute right to hold property as an Allodium Freehold estate in private in the form of land and soil, together with a portion of surface water, well and buildings, on the unincorporated Sovereign Arizona land state, claim to be the sole Landlord and exclusive beneficial party of interest, without recourse. As Landlord, I am granted the right of Dominion over my land by the Divine Creator.

I firmly state that I am an American State National of The United States of America (unincorporated) whose jurisdiction is the Land and Soil, demanding correction of the misregistration and impersonation of my names/vessels and correction of the misrepresentation of my political status as that of a Federal Territorial Citizen or Federal MUNICIPAL Citizen.

Attachment #2
to Deed of Reconveyance

1. The parcel of land formerly known as: Lot 336, Arizona's Juniperwood Ranch, Unit 2, Yavapai County, Arizona is no longer considered "Real Estate" held as a Tenant by the fiction known as DAVID SHELDON or SHELDON, DAVID, since I have corrected my political status on the Public Record to claim my political status as an **American State National** living on Arizona, one of the 50 States of the Union, on the Land and Soil jurisdiction. As a living man (not dead or lost at sea), I own this land free and clear and, therefore, have claimed and reconveyed it into my living man name. All 50 State Trusts have been reclaimed by **The United States of America (unincorporated)**. All my named vessels/names in all styles and punctuations, including bicameral, are now under my private copyright and Trade Name. Since I have reversioned all of the Trusts created in my Names, accessing and using my Trusts without disclosure and without my authorization is unlawful and illegal and constitutes a crime.
2. As a member of the General Public, it is my Public Duty to report crimes perpetrated by Government corporations and their franchisees, agents, employees and others who have failed to honor the contracts created by the original 1789 and 1790 Federal Constitutions which gives them only nineteen (19) enumerated Powers to act on our behalf. Therefore, the following actions (partial list) are acts of treason against American State Nationals and American State Citizens:

Barratry – attorneys abusing their office by creating vague and misleading laws, etc.

Breach of Custodial obligations – abusing delegated authority in acting as Executors de son tort and Trustees de son tort

Deliberate mischaracterization of Nationality – refusing to acknowledge our corrected Political status of American State Nationals or American State Citizens

Evasion of Public duties – failing to perform the 19 enumerated services set forth in your original Federal Constitutions (1789 and 1790)

Extortion under color of law – pretending to act lawfully and/or legally

Falsification of documents – altering our names into Legal Persons/PERSONS

Identity theft – stealing our names shortly after birth (and creating bonds and insurance policies in our names numerous times)

Impersonation – changing our names into legal persons/PERSONS by using punctuation, styling and dog latin, etc.

Inland piracy – allowing foreign entities to act illegally and unlawfully on our land

Kidnapping – removing ASNs and ASCs from the Land and Soil

Pillaging and plundering public trusts – using our Trusts without full disclosure and without our authorization

Promoting unaccountable administrative government entities staffed by undeclared Foreign Agents – agencies unaccounted for governmental services staffed by undeclared foreign agents. Omitting to disclose foreign agents on American soil by failing to file FARA forms.

Racketeering – conspiring with others to defraud ASNs and ASCs

Securities fraud – securitizing our assets and credit without our consent

Subjecting Americans to foreign law – in express violation of Amendment XI of the original Federal Constitution.

Unlawful conversion – changing naming conventions of our names by style, spelling, bicameral, etc., without disclosing the purpose.

Usufructuary duty – When a Government agency or franchisee who has a limited right to use assets and credits of U.S. Citizens learns that a declared American (ASN or ASC) holds ownership, such agency or franchisee must "hold harmless" that declared American by either returning all funds created via monetization or by issuing a MOCEE (Mutual Offset Credit Exchange Exemption) voucher to him/her. If not done, they are criminally liable.

Attachment #3 to Deed of Reconveyance

What You Should Know

"You" means any person or entity connected in any way to County, State and Federal government agencies, including any corporate activities performed by entities such as banks, title companies, escrow companies, law firms, attorneys, mortgage servicing companies, etc., regarding Real (Royal) Estate.

Everyone born or naturalized in this country is, by edict, a dual citizen of the Federal United States. Unless one declares his/her political status to become an American State National or American State Citizen, he/she is considered an indentured servant (taxpayer) and a slave.

What are Territorial United States Citizens?

Territorial United States Citizens (U.S. Citizens) are Legal Persons of the British Crown Corporation and under the seal of the City of London; restricted to the District of Columbia (D.C.) to enforce U.S. Statutes that are published on the Federal Register, 95% of their statutes, rules, corporate bylaws, etc. only apply to U.S. Citizens but not to the General Public. Territorial governmental agencies perform military, quasi-military and military support duties, thus converting the military into a foreign occupational force as mercenaries.

They have residency status but are foreign persons on American soil while performing their duties. The 1788 Constitution of the United States of America delineates the scope of their contractual duties regarding the nineteen (19) enumerated services they are required to perform.

What are Municipal Citizens of the United States?

Municipal citizens are legal PERSONS, outright slaves that are subject to the Vatican and City of Rome. The Municipal Subcontractor was originally engaged to maintain the International Postal Service and other services as outlined in their 1790 Constitution of the United States.

As US citizens, they are regarded as employees or dependents of the oligarchic Papal Municipal Government of Washington, DC.

What is Dual Citizenship in the Federal United States?

Dual citizenship is held by citizens of the British Territorial United States of America and by the Papal Municipal citizens of the United States; thus, both are foreign to **The United States of America (unincorporated)** which American State Nationals and American State Citizens are re-populating, either to return to the Land and Soil Jurisdiction (or become naturalized) as Americans.

What is an American State National or American State Citizen?

An American State National (ASN) and/or an American State Citizen (ASC) is a living man/woman, born or naturalized and living on the Land and Soil of one of the fifty (50) States of the Union, who has corrected his/her political status on the Public Record. He/she has denounced any affiliation with the Territorial and/or Municipal United States who operate in the realm of fictions. He/she is peaceable, follows the Public Law (Common Law), and acts

as a Lawful Person. An ASN can choose to be a double citizen, e.g., an ASN and a territorial Citizen during his/her employment within the territorial government agencies; or an ASN and a municipal citizen while working within a corporate environment. However, an ASC owes a single allegiance to **The United States of America**, unincorporated.

Due to the "Baby Scoop" fraud of kidnapping and enslavement (see <http://www.americanstatecitizens.org/educational-information-2/#dead>), the ASN status must first be reclaimed and made public on the Public Record, which is the process described within The American States Assemblies (TASA) website: <http://www.americanstatecitizens.org/>.

An ASN and ASC has natural, unalienable rights endowed by the Creator, as expressed in the Unanimous Declaration of Independence and the Bill of Rights. Every American State National and American State Citizen is either a Sovereign man or woman living on the Land and Soil.

By definition, a State National/Citizen is a civilian and an Internationally Protected Lawful Person and is owed the Law of Peace. State Nationals/Citizens are the "People" of each Nation State who populate the Land and Soil Jurisdiction.

What is a FARA form?

The Foreign Agents Registration Act (FARA) (22 U.S.C. § 611, et seq.) is a United States law that imposes public disclosure obligations on persons representing foreign interests. It requires "foreign agents" (defined as individuals or entities engaged in domestic lobbying or advocacy for foreign governments, organizations, or persons (foreign principals)) to register with the Department of Justice (DOJ) and disclose their relationship, activities, and related financial compensation.

Attorneys are foreign agents with allegiance to the British Accredited Registry (BAR), with the American Bar Association being a subchapter thereof with the same foreign allegiance.

All corporate officers such as court clerks, federal, state, county and city officials, bankers, attorneys, lawyers, etc. must register as Foreign Agents and file FARA forms with the Department of Justice (DOJ) under the Foreign Agents Registration Act and disclose its contents to anyone in the General Public requesting it.

All State and County government agencies are, by contract, franchisees of the Federal Government and, as such, are considered foreign persons on American soil and thereby are obligated to register with FARA.

What is Real Estate (Royal Estate)?

Real Estate (Royal Estate) is controlled by the British Crown Corporation and is merely a graphic overlay placed over physical land with actual borders that only exists on paper (like a map). Our Lawful Person has been unlawfully converted into a Legal Person/PERSON so that we are considered a Tenant in possession of property, with no rights to the underlying land and soil (land asset of every State of the Union). As the British Crown controls its Royal Estate overlay under nondisclosure, it becomes a crime against an American Landlord (who has claimed the original Land Patent to his/her land) under unlawful conversion, inland piracy, racketeering, etc. It is also a crime to foreclose on land under the guise of "Real Estate" as soon as there is a declared ASN or ASC claiming ownership to the land itself, not the fictitious overlay.

This, in a nutshell, also explains why collecting real estate taxes should automatically fall away once the land is claimed back into an American's possession. In short, as long as US citizens are addressed, the subcontractors get away with it under color of law, but once a declared

American is threatened to get evicted from his/her land, it is considered treason and a multitude of crimes are involved.

It means, in essence, a United States citizen cannot own land, since a Legal Fiction/FICTION cannot own land; neither can the British Crown Corporation, except by subterfuge in overlaying a grid over our physical land to create a tenancy for a U.S. citizen. Real estate is never the land itself, even though it is made to appear as such.

What is Land?

Land is a geographic area of ground with defined borders, including minerals or resources below the surface and anything growing on or attached to the surface, including bodies of water. Only living men/women can own Land. This means that corporations, legal/LEGAL persons and other fictions cannot own it, but as Real Estate under British control, territorial and municipal citizens can be mere tenants or leaseholders, even if or when they "pay off" their mortgages!

What is a Land Patent?

In the United States, a Land Patent is the highest title to land which grants ownership to American landowners. The Patent is *prima facie* evidence of title. *Marsh v. Brooks*, 40 U.S. 223, 233. It is an estate in inheritance without condition, belonging to the Owner and alienable by him, transmissible to his heirs absolutely and simply, is an absolute estate in perpetuity and the largest possible estate a man can have, being in fact allodial in its nature. *Stanton v. Sullivan*, 63 F.1. 216 7 A. 696.

Patents are issued only by sovereign powers and deeds are executed by persons and private corporations. *Leading Fighter v. County of Gregory*, 230 N.W. 2d 114, 116 (1975). As living men and women, ASNs and ASCs are sovereigns; therefore, we are entitled to own land via an original Land Patent, granted to us as heirs or assigns, by updating an original Land Patent into our name with our legal land description and recording same on the Public Record; it being effective *nunc pro tunc* (from the date of the original Patent).

Why are Land Patents Powerful?

All Land Patents were originally issued by **The United States of America** in accordance with one or more Acts of Congress and under Treaty Law, signed by the then President of the United States and Secretary of the General Land Office, and entered into the Record by the Recorder of the General Land Office. All Patents are grants of land and contain language such as "Given and Granted" to [Patentee] "and to his heirs and assigns forever." [emphasis added]. Letters patent is the actual physical document "made patent" that was issued to the Patentee after the land was approved to be given.

Congress placed the Land Patent of the United States in positions above all other conveyances of property, by exempting lands granted under the Land Patent from debt incurred prior to the patenting. "No such lands shall become liable to satisfaction of debts contracted prior to issuance of patent." [emphasis added] *Roddy v. Ross*, 248 U.S. 104, 107 (1918). This states, unequivocally, that once land is patented, liens no longer exist against that land and it is, therefore, owned free and clear.

When land title is transferred by patentee, Title and Rights of *bona fide* purchaser from patentee will be protected. *United States v. Deboff*, 227 F. 760, *United States v. Bosmon*, 242 F. 676, *State v. Howell Land Co.*, 74 Wash. 573. An Assignee, whether he is the first, second or third party to

whom title is conveyed, shall lose none of the original rights, privileges or immunities of the original grantee of the Land Grant/Patent. No State shall impair a private contract. United States Constitution, Article I, Section 10.

In Federal courts the Patent is held to be the foundation of Title at Law. *Fenn v. Holmes*, 21 Howard 481.

The notice and effect of a Land Patent or Grant of Public Land is a Public Law standing on the books of each State and County (in the United States), and is notice to every subsequent purchaser *Whitman v. Gastrell*, 54 F. 819; *Wilcox v. Jackson*, 13 U.S. (13 Pet.) 458.

The patent vests the legal title in the patentee and is conclusive evidence of title. *Gibson v. Chocoma*, 80 U.S. 92, 20 L.Ed. 534.

A Patent for land is the highest evidence of title and is conclusive as evidence against the Government and all claiming under junior patents or titles. *United States v. Stone*, 2 U.S. 525.

A lawful Land Patent holder is immune from collateral attack. *Collins v. Seeloff*, 44 Cal. 371; *Webster v. Pere Marquette Broom Co.*, 62 Mich. 828, 20 N.W. 489.

What is the Public Charitable Trust?

The Public Charitable Trust (PCT) was set up in the 1860's as a welfare trust to benefit the freed plantation slaves. Instead, it was/is used as a holding trust to seize upon everyone else's assets, especially our (Americans) land assets.

Why are you criminally and/or civilly liable?

The moment an American has claimed higher political status as one who has been found alive and who has made a public record of that fact, he/she can no longer be assumed to be a U.S. Citizen or citizen of the UNITED STATES. As such, all exemptions within your Statutes, Codes & Regulations, Laws, corporate bylaws, etc. apply to us, but are **binding on you**. Refusing to honor the rights of the General Public is treason against Americans, with you committing a plethora of crimes by ignoring our inalienable rights. You have limited authority under your contracts set forth in the 1789 and 1790 Constitutions, and have abused this authority.

It is because you continue to violate the rights of American State Nationals and American State Citizens, even though you have been informed of their publicly-recorded Political Status. ASNs and ASCs are not in **your jurisdiction**—they are in the Land and Soil jurisdiction. As such, they are not subject to your statutory laws, codes and regulations, rules, corporate bylaws, mandates, etc. You have a Unifructuary duty to hold Americans harmless. This means that you must return all funds created through monetization of their names (now copyrighted and Trade Marked) or else be criminally liable.

Did You Know?

- Since the 1930s, unknowingly, our mothers were coerced into signing over the unalienable rights of their sons and daughters into involuntary servitude and slavery as a Territorial United States Citizen and a Municipal United States citizen. By correcting our Political Status to become an American State National (ASN) or an American State Citizen (ASC), we no longer are Citizens of the Territorial and Municipal United States. As such, most of your statutes, laws, codes & regulations, rules, bylaws, mandates, etc. do not apply to us, but they do apply to you.
- Our mothers were forced to sign the Birth Certificate which converts the boy or girl into a Legal fiction that exists only on paper and creates a trust bond that the corporate entity uses to securitize living flesh and do business in the Estate Name which is our Initial Caps Name. Multiple insurance policies were also taken out in our Estate Name (but we were not made the Beneficiaries). As a result, our identities have been stolen. Our Names in FULL CAPS are not the living man or woman.
- Our FULL CAPS NAME (or Initial Caps Name) is our Estate Name and our FULL CAPS FIRST and LAST NAME with MIDDLE INITIAL designates us a Public Transmitting Utility which is traded on Open Markets through trading and pooling agreements via the Securities and Exchange Commission.
- What you claim to be our Government is actually a Foreign for-profit Corporation.
- Presidents of the various United States corporations, incorporated throughout the previous years, are just Chief Executive Officers (CEOs) of an incorporated entity. U.S. government names preceding the most recent one (The White House Office) have all filed for bankruptcy. This in itself is proof that they cannot be the government, but that they are subcontractors pretending to be government. The United States of America, unincorporated, with all its land and people assets, can never go bankrupt. We the People own it all.
- Voting is a corporate shareholder (by proxy) process, much like voting as a shareholder of corporations such as Amazon, McDonalds, etc. and do not apply outside the corporate structure. Same with US citizens voting for their territorial and municipal subcontractors which only have their enumerated delegated authority. They belong to a democracy (territorial government) and an autocracy (municipal government)—yet they wonder why their “elected officials” ride roughshod over the population, with an extinction program now activated against 90% of the global population.
- All Federal Subcontractors have Dun and Bradstreet Numbers (assigned to all registered corporations as a unique identifier). For instance, the State of Washington DUNS number is 048730422.
- All existing Courts act as tribunals for the Federal Subcontractors on a Federal, State and County level, whereas they only have the right to exist in Washington, D.C. and the District of Columbia, respectively. They are Foreign incorporated entity Courts that make money by securitizing court cases through the Case Numbers and our Names. Since all of these Article I courts can only deal with corporations and other fictions, when you go into their courts you are considered a dead person (Initial Caps Estate (territorial) (FULL CAPS NAME (municipal); you are no longer alive; thus, you have been unlawfully converted, without your knowledge and consent. And, if you are represented by an attorney, you have no say because you are considered incompetent and guilty by default. Every Court has a Dun and Bradstreet Number. For instance, the Supreme Court of the State of Washington DUNS number is 360708057.

- All corporate Government service corporations are incorporated by the **British Crown Corporation** or **Papal Municipal Corporation** as Subcontractors to the original 1789 and 1790 Constitutions, respectively.
- Statutes and Codes are for controlling Corporate Employees **only**.
- Police are "Pinkertons" hired to protect the Corporation's property.
- Territorial U.S. Citizens are **Legal Persons**; Municipal U.S. citizens are **Legal PERSONS**.
- As a United States Citizen/citizen, one is either an indentured servant of the British Crown subcontractor or an outright slave of the Municipal Papal subcontractor (City of Rome). As long as he/she does not correct and record their political status on the Public Record as an **American State National** or **American State Citizen**, he/she remains an indentured servant or slave, without any Rights under the Declaration of Independence and the Bill of Rights. All United States Citizens/citizens are not considered Americans by the Territorial and Municipal Governments.
- U.S. citizens are foreign entities to **The United States of America (unincorporated)** and, as such, are foreign residents on American soil when engaging in commerce (See/Air jurisdiction). They are required to register as Foreign Agents on American soil.
- American State Nationals and American State Citizens are Employers and First Priority Creditors of the Federal Subcontractors.

What is the Usufructuary relationship between Government subcontractors and their assigns and the General Public and why do they owe an Obligation to Americans (ASNs and ASCs). Government subcontractors and all incorporated entities have a usufructuary duty to hold Americans harmless of their otherwise criminal activities. All statutes, codes, rules and regulations, etc. do not apply to American State Nationals and American State Citizens. Holding ASNs and ASCs harmless of their activities is the only way to avoid being criminally charged for crimes against the People. They must return all funds to those Americans whose assets and credit therefrom they have monetized or else offset the credit they borrowed from us by issuing a MOCEE (Mutual Offset Credit Exchange Exemption). If they do not do so, they are criminally liable. All assets and credit therefrom belong to the People.

Six (6) Remedies that American State Nationals/Citizens Can Claim

Whenever the corporate Government issues a law which does not apply to us (Americans), they are required to provide us with a remedy, via their statutory law, legislation, penal codes, etc. Oftentimes, though, the remedy is intentionally hard to find or hidden. Here are our 6 Remedies:

- **Reversionary Trust Interest.** This is our right to reclaim control of, and reversion of, the Trusts created by corporate entities in our Names, *ab initio* (such as the Cestui Que Vie Estate Trust created under the Cestui Que Vie Act of 1856), 12 USC 85(a). The Federal government no longer has the legal right to access, securitize and monetize our Estates that were created in our Names.
- **Regulation Z.** Our private property was unlawfully converted and deposited in the Public Charitable Trust (PCT). We have the right to reclaim our private property (such as our land, our automobiles, etc.) put into this Public Charitable Trust, free and clear of any liens, fees, taxes, penalties, etc.
- **Lawful Money.** We have the right to designate FRNs as lawful money for the purpose of ownership designation, e.g., Checks or Money Orders deposited into our bank accounts with the notation on the back, below our autograph, indicates that they are "Redeemed pursuant to USC 12-411, in lawful money". This establishes that the deposit is made in lawful money which the bank is obligated to denote via a bookkeeping entry.
- **Enabling Clause.** Before every act of Congress, it is stated that "this act shall not affect any right thus previously established." This means that any right we previously had can't be taken away from us.
- **Brother's Keeper Clause.** 18 USC 241 & 242, Deprivation of Rights under Color of Law and Conspiracy against rights or obstruction of rights – penal codes, 18 USC 2333, 42 USC 1983. This means that they are not allowed to deprive us of rights by using Color of Law, which refers to an act done under the appearance of legal authorization, when in fact no such right existed.
- **West Virginia v. EPA (2022) upholding Norton v. Shelby County (1886).** It was upheld that the Environmental Protection Agency (EPA) had no rule-making authority to address industrywide policy. Congress must be explicit in their law making. This means that all 3-letter government agencies have no rule-making authority over the General Public (ASNs and ASCs).

Full General Information for Attorneys, Doctors, and Politicians

This is a standard information in the criminal sense, so that all concerned have appropriate communication in hand to avoid committing acts of personage against Americans who are in fact the Naked Owners holding the unique and only survivorship interest in their Named Estates.

The Breach of Trust begins when the victims are only a few days or weeks old. Unidentified persons address the Mothers who have just given birth and present paperwork that they describe as routine hospital record-keeping paperwork; neither the words on the page nor the explanation provide "full disclosure" — for example, the referenced "United States of America" is not disclosed to be a foreign corporation; the word "Incorporated" is omitted throughout and numerous deceitful legal terms are used, for example, describing the natural Birth Mother as an "Informant"; in earlier versions, Mothers were mischaracterized as Unwed Mothers who were abandoning their babies.

This same routine paperwork was also signed by Medical Doctors who outrank Attorneys in the British Naval Services and Order of Titles, so that no Attorney can object to this fraud. Doing so would be countermanding the orders of a Superior Officer; however, knowingly and unlawfully converting the nationality and political status of an American baby to that of a British Territorial Ward of a State of State franchise corporation of the United States of America, Incorporated — an action that denigrates a free born man or woman to the political status of an indentured servant owing allegiance to the British King and the British Crown Corporation and also converts a man into a "Human Person" and then human traffics the victim into the foreign jurisdiction of Maritime Commerce and Admiralty — is an international crime carrying the death sentence. Before offering your services as a Mercenary in a non-existent war, take heed.

The newly registered American baby is "deemed" to have voluntarily surrendered his identity and estate as an American and this creates an infant decedent estate; it also creates a British Territorial U.S. Citizen operating under the same Proper Name; a Warrant Officer in the British Merchant Marine Service known as a "Taxpayer", who is about to meet an unfortunate and tenuous demise, as he will be declared legally dead, "missing, presumed lost at sea", while the American this fictional Merchant Mariner is named after — remains blissfully unaware of this identically named U.S. Citizen's existence.

The victim of this complex impersonation scheme thus has his life estate "waived" for him by his Mother, while still a baby, far too young to be aware of the existence of this unconscionable contract — a contract seeming to obligate him to a lifetime as an indentured servant and U.S. Citizen of the British Territorial United States.

This fraud results in:

- (1) an American infant decedent Estate;
- (2) a new and entirely fictional British Territorial Merchant Seaman using the same Proper Name as the American;
- (3) a following Intestate Estate belonging to the "missing" British Merchant Mariner.

This is all based on a purported contract that is:

- (1) undisclosed to the Mother, and
- (2) which the baby has absolutely no cognizance of

As a British Accredited Registry (BAR) Attorney you are now engaged in administering and perpetuating this cowardly and vicious breach of trust and personage scheme.

After the Mother and attending Medical Doctor sign off, the Department of Commerce acts as a Usufruct and takes the personage a step further; it copyrights the baby's name, and licenses it to the Municipal DEPARTMENT OF COMMERCE which then creates a Municipal ESTATE named after the baby in American Sign Language (aka Dog Latin) such that an American baby named Samuel Jacob Stein is converted into a British Territorial U.S. Citizen of the same name, trafficked into the jurisdiction of the sea, and then impersonated a second time as SAMUEL JACOB STEIN, a Municipal Corporation ESTATE TRUST and franchise of the US, INC. A number of "derivatives" are then dreamed up in rapid succession — the SAMUEL J. STEIN public transmitting utility, the SAMUEL J STEIN special purpose vehicle, and so on.

Not so amazingly, the Department of Commerce forgets its Usufructuary responsibility toward all these slaves that are created "in the name of" the American victims, and honles of attorneys just like you, spend their lives straight-faced prosecuting these vaporous THINGS as if they actually exist. They even make up new names and proliferate more and more such "derivatives" out of thin air as targets for them to prosecute in the foreign Maritime Courts. All these FOREIGN PERSONS are US CITIZENS under the Diversity of Citizenship clause, and have the political status of slaves, conveniently appearing to be named after American babies.

Of course, the whole point of this is to find some plausible excuse to confuse the identity of the American baby with all these foreign poppets in order to mischaracterize, racketeer, illegally confiscate, plunder and pillage the people that you are supposed to be here serving in Good Faith.

All Bar Attorneys engaged in prosecution of anyone under this scam should be advised that they are not at "war" but are rather engaged in a commercial Mercenary Conflict; thus, they have no protection or recourse to the Law of War. This Great Fraud began with the so-called American Civil War which was never declared by any Congress nor ended by any Peace Princess; however, President Andrew Johnson did declare peace on the land, three times in public, and did thus establish a contractual peace with the people living on the land and soil of this country.

You are now in receipt of this communication from one such American who stands ready to recite chapter and verse, to produce evidence of the crimes committed against him (or her) in the form of the Birth Certificates issued each time their identity was trafficked to a new jurisdiction, and who has declared, recorded, and published their claim of their birthright political status and their survivorship interest in the British Seaman's Estate, and also any material benefit of the Municipal ESTATE subsequently created and its DERIVATIVES.

We knew who we are and we have proof of all the malfeasance, fraud, and crimes of personage which have been perpetrated upon us by members of the American Medical Association and the Bar Association, more than enough to convict every participant in this "system" of fraud, human trafficking, unlawful conversion, inland piracy, personage and barratry, and conspiracy against the Constitutions — and against us, the peaceable and loyal Employers who have been so grossly presumed upon.

If you have availed yourself of any extra creative impulses and made up any additional DERIVATIVES or attempted to saddle any of us with any bogus new names or misapplied any titles like "Mr." to any plain old average American, there is also your own Federal Code:

18 USC 4 (513) (a) provides that: "Whoever makes, utters or possesses a counterfeited security of a State, of a political subdivision thereof, or of an organization, or whoever makes, utters or possesses a forged security of a State or political subdivision thereof or of an organization, with intent to deceive another person, organization, or government shall be fined not more than \$250,000 or imprisoned not more than ten years, or both."

These Foreign Municipal PERSON slaves are used as securities and when you make up new names and try to attach them to Americans to make up new derivatives as targets for prosecution, you are engaged in counterfeiting these purported securities, and willfully participating in these venal fraud schemes, breaches of trust, and criminal activities. You have been fully informed.

How the Assets, Money and Credit System is Related to These "Persons":

Name Style	Nature	Rights
Alan Paul Watts	Man	Natural and Unalienable Rights
Watts, Alan Paul	Principal / Lawful Person	Principal Person / (Infant Decedent American)

All physical assets belong uniquely to the living Man, along with all Credit derived from these physical assets including but not limited to precious metals, land, cash, and corporate assets. All asset-backed currency, coinage, and tokens having physical value in-and-of-themselves belong to the living Man and his estate. The United States Silver Dollar and the United States Gold Eagle coin is actual money belonging to the living man and to his estate as are all other property interests, material and immaterial. Thus, all attempts to redefine and designate the living man are also actions calculated to deprive him of his natural estate and ownership interests and are fundamentally used to defraud him.

Alan P. Watts	Human Person (British Territorial U.S. Citizen)	Human Rights, Entitlements (Mr., Mrs., Dr., etc.) (Admiralty Law) (Wage Earner, Public Servant)
Watts, Alan P.	Human Decedent ("Presumed lost")	Intestate Private Estate subject to Public Interest (Lost British Territorial Seaman's Estate)

This Legal Person exists in the Admiralty Jurisdiction as a British Territorial U.S. Citizen and is an Indentured Servant subject to a tour of duty, term in office, or similar set period of time to be in such service; the currency associated with this entity is the Federal Reserve Note (FRN) which is securitized by the body, energy, labor, and performance contracts of these Legal Persons under a system of "voluntary" penance the value of which is guaranteed by a Long Form Birth Certificate Bond based on the anticipated value of the lifetime earnings of the individual, supplemented by Miller Act Child Labor Bonds, and other Contract Bonds during the Person's purported "lifetime" and later based on the value of the British Seaman's Estate. The value is additionally extracted via "voluntary" donations of "income taxes" rated as Gift and Estate Taxes collected by the Internal Revenue Service. The Federal Reserve Note is a fiat currency denoted as a military scrip issued by a consortium of private banks and guaranteed by the estimated value of the individual as a Bonded Mercenary. The FRN is not a negotiable instrument as it does not stipulate what species of money or currency it will be paid back with, nor does it give a "date certain" for its repayment. As such, it is the equivalent of Monopoly Money and nobody, including banks that steal FRNs, can be charged with theft owing to its purely theoretical future value. It's existence and use is objectionable as the

result of peonage, fraud, and inequitable forced exchange of actual goods and services for unsecured IOUs, but it nonetheless remains a domestic legal tender currency of the British Territorial United States of America, Incorporated and enjoys a monopolistic market within The United States, based on the false idea that the U.S. Army is occupying our country as the result of a legitimate unresolved war — the American Civil War — which was in fact a undeclared Mercenary Conflict owed no consideration under the Laws of War and Peace.

ALAN P. WATTS	Corporation Franchisee US CITIZEN (citizen of the United States)	Civil Rights (which are actually privileges) Shareholder Obligations (Maritime Commerce) (Public Slave: Income Earner)
WATTS, ALAN P.	HUMAN DECEDENT (Bankrupt Puppet)	Bankrupt Shareholder Obligations Public Charitable Trust

These entities and derivative entities appearing to be names in all CAPITAL LETTERS represent a variety of Municipal ESTATE trusts, public transmitting utilities, and Special Purpose Vehicles (SPVs); these entities are all engaged in Maritime Commerce, all have the political status of slaves, all are securitized based on intellectual property rights belonging in fact to the American Baby who has had his identity unlawfully seized upon, redefined, unlawfully converted, trafficked, and finally designated to the status of a THING owed only "Equal Civil Rights" and represented by another ESTATE TRUST, a Municipal Cestui Que Vie, and its Derivatives. These entities are all "citizens of the United States" within the meaning of the infamous Fourteenth Amendment to the Corporation Constitution issued by a defunct Scottish Commercial Corporation deceptively calling itself "The United States of America" — Incorporated, and issued in 1868. How anyone can claim any authority based on the Fourteenth By-Law Amendment of a long-defunct Scottish Commercial Corporation that went bankrupt in 1907 is beyond imagination, but it is consistent with the pattern of fraud and deceit which has been the hallmark of all these dishonest, disloyal, and treacherous activities by the Federal Subcontractors. The individual intellectual property rights seized upon include the copyrights, trademarks, contracts, inventions, licenses, patents, and other creative and intellectual property which is rolled up into a "PKI" and deposited along with the second Municipal BIRTH CERTIFICATE as chattel deposited with the International Monetary Fund. The value of the Municipal Slave BIRTH CERTIFICATE is supplemented by annual "gifts and donations" and labor and performance contracts extracted from each slave and additionally collected from these TAXPAYERS by the separate Municipal Government IRS. The form of money associated with this series of PERSONS is the United States Dollar (USD) an international asset-backed currency presently based on the value of refined oil products and the manufacturing capacity and service delivery capacity of actual franchisees of the US CORP. The USD is negotiable as cash but having increasingly diminished cash value as a result of collapsing long term bond markets. The use of the USD is objectionable because part of its value base is based on slave labor, another part based on purloined intellectual assets, another part based on the coerced collection of "gifts" as taxes, and the overall self-interested fraud involved in its production, promotion, and sale as "our" international currency. The only sense in which either the FRNs or USD currencies are American is that they have been backed using purloined American assets and labor.

ALAN P. WATTS - Transhuman Entity*

GMO owned by DARPA, licensed to Microsoft
Slave — No rights of any kind

WATTS, ALAN P. Decedent Transhuman

Disposal by Owners

These entities are incipient at this point, as their creation involved fraud and Terrorism and Genocide and the claims creating them as Genetically Modified Organisms (GMOs) owned by patent have already been outlawed. The idea behind this was for the parent and franchise US Corporations to make a lot of money up front from the sale of vaccines and tests and medical services, make money long term off all the illnesses spread and inculcated by the vaccines, and create another class of "subhuman" slaves without any rights at all, available to be experimented upon, worked without recompense as slave labor in permanent Quarantine Camps, used as biological transmitters, incubators, or whatever else the madness behind this initiative dreamed up. Their labor, former estates, Estates, and ESTATES, and all other assets would have been acquired by the criminals behind this and used to guarantee and fund "Central Bank Digital Currencies" — basically nothing but digits entered upon bank ledgers, which the banks could honor or orne at will, use for political sanction of individuals, and otherwise oppress and harm the living people that they stole everything from in the first place.

This summation of the situation would perhaps be unbelievable, except that we have already traced the history and actions of these miscreants over time and witnessed their deliberate and self-interested denigration of their Employers and their increasingly gluttonous and arrogant and uncaring attitudes toward the people that they are supposed to be here serving in "good faith".

We have called for the liquidation of all these lawless corporations and the return of the assets and credit to the lawful American Government for the benefit of the living people who have suffered all this at the hands of their own Employees, people who were taking their paychecks and pensions from our pockets the entire time that these increasingly criminal and coercive schemes were being developed "in our names".

You have been fully informed concerning these additional aspects of the Great Fraud.

It is our hope that a great many Medical Doctors and Bar Association Attorneys will be repulsed by the criminality of the processes they have been engaged in and administering, will realize that the removal of any presumption of "war" and any recourse to the Law of War, leaves them liable — 100% commercially and personally liable — for any harm that comes to any American as a result of their participation in these schemes and misrepresentations. It's the Medical Doctor's signature as much as the Mother's signature that puts this fraud in motion; it's the Bar Attorneys bringing False Claims in Commerce against non-existent Municipal Corporation franchises, and equally false claims against the Estates of non-existent U.S. Citizens.

It is our additional hope that political officials reading this will also realize that they are similarly liable; even though they are not getting their hands dirty and signing the offending documents, they are responsible for the underlying legislation and its misapplication to Americans. They are guilty of failure to explicitly

amend their acts of legislation so as to properly identify those subject to their actions, and for failure to properly instruct their "Uniformed Officers" in the administration and limitation of their duties.

Examples of Improper and Actionable Presumptions

Registering American Babies as U.S. Citizens. Further registering these fictional U.S. Citizens as Municipal Corporation Franchises.

Seizing upon or unlawfully converting the ownership of any asset or right belonging to Americans.

Denying Americans access to any service or benefit that they have paid for or that their assets and credit have been used to create.

Charging Americans for the use of their own credit. Charging Americans for mortgages owed by foreign corporations. Charging Americans for taxes owed by these fictional foreign Persons/PERSONS.

Creating a monopoly on domestic currency to benefit a privately issued military scrip known as the **FEDERAL RESERVE NOTE** based on American assets purloined via undisclosed Registration of American babies as U.S. Citizens and undisclosed military enlistments.

Creating a similar monopoly interest to benefit a privately issued international currency known as the USD or **UNITED STATES DOLLAR** based on more American assets purloined via unconscionable Registration processes.

The use of undisclosed, unilateral, or unconscionable contracts for any purpose, under any Executive Order, claim of any emergency, or claim of any National Security interest.

Misrepresenting Americans as Foreign Persons or **FOREIGN PERSONS**.

Failure to hold Americans harmless from the results of using their private names to create infant decedent estates, U.S. Citizens, and Municipal Corporation Franchises to benefit and unjustly enrich foreign interests.

Failure to provide and implement and advertise remedies used to legalize otherwise illegal practices such as the use of a military scrip (**FEDERAL RESERVE NOTES**) as a domestic currency — for example, failure to allow Americans to swap debts with service providers via the Mutual Offset Credit Exchange Exemption found in Federal Code, Title 12.

Failure of Due Diligence and Unfructuary Duty to hold the victims both harmless and unharmed.

I, a man David Michael Sheldon, a creation of Nature's God, standing on the land and soil of the organic states as a beneficiary of the American Public Law, and naturally possessing sovereignty in my own right, see #4713 International Public Notice: The Myth of the Sovereign Citizen <http://www.michaelsheldon.com/sovereigncitizenmyth.pdf> present this **Finding of Facts and Operation of Law with True Bill**, written in common American English and I have first hand knowledge to declare as follows:

- 1) Whereas: there is no contract of consent as required by:
 - * *Cruden v. Neale*, 2 N.C. 338 (N.C. Super. 1796) "...every man is independent of all laws, except those prescribed by nature. He is not (339) bound by any institutions formed by his fellowmen without his consent."
- 2) Whereas: there have been no rebuttals in the form of an Affidavit to my presentments in the form of an Affidavit; and
- 3) Therefore: by operation of law the Ancient Commercial Law applies, as there is no superseding agreement in place; see <https://thefreedomline.org/TaxFreedom/CircByTopic/MaritimeOfCommerce.htm>
- 4) Whereas: you have agreed that all are equal under the Law; and
- 5) Whereas: you have agreed that in commerce, truth is sovereign; and
- 6) Whereas: you have agreed that truth is expressed in the form of an Affidavit; and
- 7) Whereas: I have made a good faith effort to resolve this matter;

8) Whereas: an un rebutted affidavit stands as truth in commerce; and

9) Whereas: he who leaves the field of battle first loses by default; and

10) Therefore: as an Agent of the State of Arizona you have agreed to the judgments, facts, law, notices, terms, and conditions in my presentments to you in the form of an Affidavit; and

11) Therefore: you have agreed that as my employee, you have no delegation of authority or official capacity to apply your law, codes, legal definitions, or words of "art", and are personally liable for your actions; see 18 USC 241 and 18 USC 242; and

12) Therefore: by operation of law you have agreed to Anna von Reitz's and my un rebutted judgments, facts, law, notices, and terms and conditions (see schedules), specifically for your better understanding:

4721. International Public Notice: 2014 Final Judgment and Civil Orders <http://annavonreitz.com/2014finaljudgment.pdf>

3680 The Public Employer's Directive <http://annavonreitz.com/publicemployersdirective.pdf>

4324. Public International Notice and Demand: The American Civil War? <http://annavonreitz.com/noticemandemandamericancivilwar.pdf>

4928. International Public Notice: The Bear in the China Shop <http://annavonreitz.com/bearinthechinashop.pdf>

4928. International Public Notice: The Bear in the China Shop <http://annavonreitz.com/bearinthechinashop.pdf>

13) Therefore: by operation of law you have agreed and criminally confessed to all in 12) above among others, and in Article 4324:

Page 4 paragraph 7: "Everyone and everything continuing to support this situation against the Public Interest and against the welfare of the American People is a criminal engaged in Unlawful Conversion, Entrapment, Enslavement, Inland Piracy, Kidnapping, and other Crimes of State, including conspiracy against the Constitutions that have been routinely usurped and evaded."

Page 6 "Owing to the extensive and prolonged Due Process already accorded to those issues and this overall circumstance, if no reply is received by the 9th of August 2023, we shall claim and consider the entire foregoing description of the circumstance and events to be established as fact for all purposes and in all venues"

14) Therefore: I am not a "person" subject to service by criminal actors and am Returning Service; and

15) Therefore: You have agreed that I am outside your jurisdiction; see Bear in the China Shop above; and

17) Therefore, I am Returning Service.
