## Final Judgment and Civil Orders

### An example of the deception:

When you applied for a “marriage license” a private, for-profit franchise of the UNITED NATIONS doing business as the STATE OF \_\_\_\_\_ claimed a custodial **ownership** interest in your marital relationship and the products resulting from it. On the basis of your own signature, this entity secretively claimed to own you, your wife, and your children as chattel. According to them, when you apply for a marriage license, the nature of the marriage contract changes and becomes a "civil contract".

1    *"Marriage is a civil contract to which there are three parties - the husband, the*  
2    *wife and the state." Van Koten v. Van Koten. 154 N.E. 146.*

3    Did you ever **intend** to give a foreign privately owned corporation merely calling  
4    itself the STATE OF \_\_\_\_\_ permission to distribute your assets in a  
5    divorce, force you to pay alimony and child support, and to seize custody of your  
6    minor children under armed force?

7    Were these results of signing a “marriage license” ever disclosed to you by the  
8    STATE? Did the STATE disclose its identity and nature, as a franchise of a  
9    foreign, for-profit, privately owned corporation?

10    You were **never** required to have a marriage license to be lawfully married----but  
11    was that fact ever fully disclosed to you by the STATE?

12    **You have the absolute right to rescind your signature from any contract that**  
13    **was not fully disclosed to you.** Such a contract is null and void, as if it never  
14    existed at all, and all payments and other asset distributions exercised under it are  
15    subject to return to the lawful owner(s), plus reasonable interest.

16    **You are not obligated by any contract obtained under conditions of fraud,**  
17    **deceit, or non-disclosure. The STATE is culpable for its failure to disclose.**

18    Any demand that you produce a “marriage license” as a prerequisite to access  
19    services and benefits to which you are otherwise entitled---such as medical  
20    insurance coverage for your spouse --- are illegal monopoly inducements.

21                    **This is just the tip of the iceberg.**

## Final Judgment and Civil Orders

24

25 Let it be known to all living and dead, and to all those responsible for administration of the  
26 affairs of the living and dead, that all commercial contracts ever actually or presumptively  
27 existing between the living man known to the public as “james-clinton:belcher” and the living  
28 woman known to the public as “anna-maria:riezinger” and their similarly named ESTATES and  
29 privately held American express and *inter vivos* trusts, including “Anna M. Riezinger-von Reitz  
30 and James C. Belcher” and the **following incorporated entities**---the United States of America  
31 (Minor), the city-state of Westminster, United Nations, UNITED NATIONS, the UNITED  
32 STATES, Federal Reserve, FEDERAL RESERVE, International Monetary Fund, IMF, and all  
33 their respective franchises, agencies, and departments including the State of Alaska and STATE  
34 OF ALASKA--- are all and uniformly invalidated for semantic deceit and non-disclosure.

35 All signatures of the living man and woman are rescinded from all documents in the possession  
36 of any of these incorporated entities which claim or seek to claim any beneficial commercial  
37 interest in them or their ESTATES or which claim any representative capacity related to them or  
38 their ESTATES whatsoever.

39 All interest, good faith service, and accrual on investment owed to the living people as the  
40 beneficiaries and entitlement holders of their own ESTATES is due and owed to them and their  
41 heirs without exception or prejudice by the officers and administrators of the United States of  
42 America (Minor), the city-state of Westminster, and the United Nations.

43 Be it also known that these and other individual American Nationals now exercise their birthright  
44 upon the land of the organic states united by the Articles of Confederation (1781) and that they  
45 have the full and unimpeded right to act as Judges of these organic states, to issue orders related  
46 to their administration, and to demand compliance with all Articles of the national trust indenture  
47 and commercial service contract known as “The Constitution for the united States of America”  
48 and all related international treaty provisions owed to us by the United States of America (Minor)  
49 and the United Nations and the city-state of Westminster, and any successors, executors,  
50 administrators, corporate officers, elected or appointed officials, trustees, agents, agencies,  
51 franchises, franchise operators, and employees thereof, now and in perpetuity.

52 Fifty-five (55) days have passed without any sworn affidavit in rebuttal of the facts presented by  
53 the FINAL NOTICE OF COMMERCIAL AND ADMINISTRATIVE DEFAULT issued to the  
54 individuals, persons, and institutions responsible for default. All have been promptly and  
55 properly notified of mis-administration of the public trusts established in the Names/NAMES of  
56 living Americans and the organic American states by incorporated entities doing business as the  
57 United States of America, Inc. and the UNITED STATES, INC. and their trustees, officers,  
58 employees, and agents who are under contract to provide governmental services to those harmed.

59 Under Law of the Sea the claims and demands presented by the FINAL NOTICE OF  
60 COMMERCIAL AND ADMINISTRATIVE DEFAULT dated February 3, 2014 are decided and  
61 are now in permanent settlement. They stand as **fact** in law.

## Final Judgment and Civil Orders

Notice of the *Motu Proprio* issued by Pope Francis acting as Trustee of the Global Estate Trust on July 11, 2013, has been presented to all directly interested parties in Alaska via ancient Edict of Notice: Notice to Principals is Notice to Agents and Notice to Agents is Notice to Principals. The United States of America (Minor) and the Federal Reserve Banks dba the United States of America, Inc. and the United Nations City State and its agency the International Monetary Fund, (IMF) dba UNITED STATES, INC. and its STATE OF ALASKA franchise are commanded and required under contract to the Global Estate Trust to perform according to The Constitution for the united States of America and to cease and desist action against the American people and the organic American states, including Alaskans and the Alaska State created by The Alaska Statehood Compact.

The Alaska Bar Association, its members, the various Court Administrators, and the Alaska Judicial Council have been similarly notified and ordered to cease and desist practices, presumptions, and procedures which serve to defraud living Americans and lay false claims against their private property assets under pretense of war and color of law.

The entities addressed under FINAL NOTICE OF COMMERCIAL AND ADMINISTRATIVE DEFAULT dated February 3, 2014 are all competent to recognize their culpability and failure to perform under commercial service contract, failure to honor the national and state trust indentures, and failure to provide full and free disclosure of contracts solicited by the named governmental services corporations and agencies cited for default.

**Absent a fully disclosed and actual maritime contract entered in evidence and subjected by the court to examination and open discussion, no valid contract can be presumed to exist and no American ESTATE or other vessel can be prosecuted under any maritime or admiralty jurisdiction.** No contract based on unilateral, uninformed, undisclosed, or otherwise prejudicial claims of residency, benefit, status, license, mortgage, or other contract lacking true equitable consideration and consent can be maintained with regard to the ESTATES of American Nationals who are living inhabitants of the land and air jurisdictions of the Global Estate Trust, and not naturally subject to the jurisdiction of the sea.

All such American Nationals who are inhabitants of the land and their ESTATES are additionally protected by treaty and national trust and are owed safe conduct for themselves and their commercial vessels on the High Seas and Navigable Inland Waterways. For military tribunal purposes, all American Nationals, American 'persons', and commercial vessels are noncombatant civilian Third Parties.

All Provost Marshals, all members of the civilian police forces, all members of the American military, all members of STATE operated National Guard units, all members of government agencies including the U.S. Marshals Service, FBI, State Troopers, BLM, BATF, IRS, and other code enforcement agents are ordered to recognize the civil authority of the organic 50 states created by Statehood Compacts and united under The Articles of Confederation, and to also recognize the absolute civil authority of the American people inhabiting these organic and geographically described states in all matters pertaining to them and the administration of their domestic government on the land known as The United States of America (Major), not to be

## Final Judgment and Civil Orders

confused with the United States of America (Minor) which is a foreign, maritime entity under commercial contract to provide governmental services for The United States of America (Major).

All police and military officers are obligated to honor the **Law of the Land** in all dealings with or pertaining to the organic states and their living inhabitants without exception, noting that these people and states are owed the terms and conditions of the original equity contract known as The Constitution for the united States of America, are to be addressed under **American Common Law** exclusively, and that they retain their natural and unalienable rights, including their **natural identity, property rights and controlling interests** without prejudice and regardless of fraud and monopoly inducement practiced against them in breach of trust and contract default.

All actions of the various Probate Courts operating in maritime jurisdictions and merely presuming death based upon the inaction of American National beneficiaries of the American Republic and serving to establish maritime salvage liens against their ESTATES are by these Orders invalidated, made null and void. All American Nationals whose names and ESTATES are presently included on tax rolls, and who are recorded by census data, school records, birth certificates, and other public documents **must be presumed to be alive and competent** in the absence of a properly **sworn** Death Certificate signed by the local Coroner stating cause of death, date, time, and place, corroborated by at least two responsible and knowledgeable living witnesses. In the case of legitimately missing people diligent search and fully disclosed publication of all claims against their estates must be made by giving Notice to the last known address and next of kin. Any contrary presumption or practice is fraudulent, null and void.

Any action of the Probate Courts operating in maritime jurisdictions and making claim upon actual real assets of similarly named American Nationals in behalf of legal fiction "missing persons" owned by the United States of America, Inc., UNITED STATES, FEDERAL RESERVE, or any franchises or agencies thereof, are similarly rendered null and void. Once created legal fictions do not have any necessary or valid estate; such estate as they may legitimately be granted must be obtained under conditions of fully revealed and disclosed contract entered into voluntarily and with explicit individual understanding and consent. Any estate obtained by legal fiction entities by process of semantic deceit or undisclosed contract belongs in fact and law to those defrauded. These Civil Orders command and require the return of all titles to land, homes, properties, and businesses which have been held under color of law by the Federal Reserve doing business as the United States of America, Inc., and their bankruptcy Trustee, the Secretary of the Treasury of Puerto Rico, and their administrative agents, including the Custodian of Alien Property and the Comptroller General.

All separate registrations under the Sheppard Towner Act and the Selective Service Act of American Nationals and their progeny by agents of the United States of America (Minor) dba the United States of America, Inc. and its various State franchises and subsequently maintained by STATE franchises of the United Nations and the International Monetary Fund, are invalid as a class for anything but traditional recording purposes and the benefit of any securities based in whole or in part upon these and any other involuntary or undisclosed registrations such as "Vehicle Registrations" are **private property** benefiting the individual American Nationals who are the **lawful entitlement holders** of all commercial vessels operated under their given names

## Final Judgment and Civil Orders

143 by any corporation providing governmental services, **including banks**. All vessels in commerce  
144 operated under the names of American Nationals are owed full treaty and trusteeship obligations  
145 from the United States of America (Minor) and the United Nations and all franchises and  
146 agencies which these nation states operate worldwide.

147 These Civil Orders command performance delivering unto Caesar upon the land, including  
148 return of all real assets and property owed to American Nationals free of claim, debt, and  
149 encumbrance created under conditions of fraud, breach of trust, and breach of commercial  
150 contract.

151 All judges, attorneys, clerks, and other employees of incorporated courts and court systems,  
152 together with the international banks employing them, who have knowingly failed to fully and  
153 freely disclose their nature, identity, status, jurisdiction, standing, and venue are subject to  
154 international criminal prosecution for felony fraud under full commercial liability and officers of  
155 the law and military officers who enforce illegal actions ordered by these in-house international  
156 commercial tribunals against American Nationals at the request of any such “court” are  
157 responsible for war crimes committed against non-combatant civilians as of September 1, 2013.

158 All politicians and Trust Management Organization employees acting directly or via franchise or  
159 agency who have been elected or appointed to private corporate offices within governmental  
160 service corporations, their franchises, or agencies, and who have knowingly pretended to occupy  
161 public offices of the American organic states and who have transgressed beyond their limited and  
162 private authority are **fully liable** for impersonating American public officials while acting as  
163 private corporate officers.

164 All federal and federal franchise (“State” and “STATE”) employees who have **willfully** and  
165 **knowingly** conspired to misinform, mislead, mortgage, indebt, extort credit from and otherwise  
166 undermine the material interests of American Nationals via non-disclosure, fraud, racketeering,  
167 force of arms, extortion, compulsion, semantic deceit and constructive unlawful conversion are  
168 guilty of international war crimes against unarmed and non-combatant civilian inhabitants of the  
169 land and against commercial vessels belonging by birthright and copyright to those inhabitants.

170 The United States of America (Minor) and the city-state of Westminster and its franchises,  
171 employees, and agents, are ordered to comply with all stipulations and limitations required by the  
172 original equity contract known as “The Constitution for the united States of America” when  
173 addressing American Nationals, and when providing any and all government services to  
174 American Nationals inhabiting the land of the domestic geographically defined 50 states. They  
175 are likewise commanded to release all titles and claims held under color of law against the  
176 ESTATES of the American states and the American Nationals inhabiting the organic states of the  
177 Union. All incorporated governmental services organizations must immediately cease all action  
178 against the material interests of their employers and creditors, the American states and people,  
179 and settle all accounts.

180 There are no so-called “war powers” allowed to any member of Congress representing The  
181 United States of America (Major), which has remained at peace since 1865. Likewise, there are  
182 no “emergency powers” granted by any of the organic states, no indefinite detainment provisions

applicable to any American National under the National Defense Authorization Act 2012 or any similar “Act” of Congress. All “Acts of Congress” undertaken without full commercial liability and not fully enacted as Public Law apply only to the employees and citizens of the United States of America (Minor) and no claim of employment or “US citizenship” made by the United States of America (Minor) against any inhabitant of the land of the 50 states can be maintained on the basis of undisclosed, unilateral, or second party contract or presumption in violation of the actual American Public Law governing US citizenship, US Statute at Large 2.

Any deliberate or systematic use of the given name of any living individual man or woman by **any incorporated entity pretending to represent them or their material interests** to create legal fiction entities operated under-in-or for their name without the full knowledge and consent of that individual is a **prohibited abuse of the rights of usufruct**. All such acts, proposals, programs, and agencies created by the United Nations and by the United States of America (Minor) addressed to American Nationals seeking to conscript, obligate, indebt, misinform, or entrap them into any contract whatsoever in which the identity and true nature of the Parties is obscured, not in kind, or wherein the actual terms, claims, conditions, and results of contract are not made explicit, plain, and fully revealed are null and void *ab initio*, as if they never were. All representations serving to misappropriate the good faith and credit of American Nationals and their organic states in favor of any incorporated entity are self-interested, null and void. All registrations, licenses, application processes, and similar devices used by the Federal Reserve dba United States of America, Inc. and International Monetary Fund dba UNITED STATES and the FEDERAL RESERVE now operating as an entity incorporated under United Nations auspices, and their various agencies and “state” franchises, are fraudulent, null and void, contrary to Public Law of the United States of America (Major) and the individual free states.

**Any undeclared agent of the United States of America (Minor) or the United Nations caught soliciting such contracts will be arrested, prosecuted, and deported and no further enforcement of such contracts will be allowed on the soil of the United States of America (Major) against any birthright inhabitant of the land.**

**Such foreign, repugnant, and misrepresented commercial contracts include but are not limited to: vehicle registrations, driver licenses, marriage licenses, voter registrations, applications for welfare or medical or insurance benefits, including “social security insurance”, claims of foreign citizenship or foreign personage, residency, mortgages, and public employee retirement benefits.**

Parents are not enabled to indebt, pledge, conscript, or otherwise enter their children into any form of bondage, debt, peonage, or enslavement. Any and all relinquishments of individual or parental rights must be voluntary, fully disclosed, completely enumerated, fully discussed, and the real natures and actual identities of all parties to any custodial, commercial, or grant contract of any kind whatsoever, like any agency appointment, must in **all** details be fully revealed and disclosed, explicitly discussed, explicitly agreed upon, and voluntarily entered into by all parties. Any contracts failing these requirements and merely being presumed to exist via tacit agreements, third party representations, or presumed benefit are null and void.

## Final Judgment and Civil Orders

These Civil Orders require that all law enforcement and military officers currently in the employment of the United States of America (Minor), the city-state of Westminster, and the United Nations, together with their commercial companies under contract to provide services within the 50 states United be fully and freely informed of these facts and the limitations that are fully applicable to them and their operations on American soil. All American Nationals are to be considered non-combatant Third Parties without exception, who are owed peace and protection and performance upon all commercial contracts, treaties, trust indentures, and agreements entered into with the Global Estate Trust and its members, franchises, and agencies.

These Civil Orders also require that corporate administrative tribunals being operated as courts of any kind explicitly and fully declare their identities, natures, venues, services, ownerships, and proper jurisdiction in plain, explicit, fully revealed language with no further purpose of evasion, obstruction, or lack of good faith service. They are additionally commanded to scrupulously observe their limitations and to clearly state their foreign jurisdictions whenever addressing American Nationals.

These Civil Orders come without the United States of America (Minor), without the United Nations, without the city-state of Westminster, without representation, and without prejudice.

#### ANSWERS TO QUESTIONS

##### 1. What does the Pope, the Holy See, and the Vatican have to do with anything?

All forms of law beginning with Ecclesiastical Law and including the ancient Law Merchant and Law of the Sea, the Roman Civil Law, and most recently, the Uniform Commercial Code and International Criminal Code are ultimately defined by the Holy See and administered by the Roman Curia, under the Trusteeship of the Pope. Control and caretaking of the earlier law forms was undertaken by the Holy See during the First Holy Roman Empire (800 A.D.) and by contract and consent, has remained in the Holy See's control ever since. The two more recent law forms, the Uniform Commercial Code and the International Criminal Code are copyrighted by Vatican subsidiaries.

**The Papacy has functioned in two distinct roles for over 1200 years, exercising both sacred and temporal powers.** The Pope is named in two distinct offices and wears two different hats. As the leader of the Church and in sacred office, he is properly regarded as "His Holiness Pope Francis". As the CEO in charge of worldwide commercial affairs executing the temporal powers of the second office, he operates as "FRANCISCUS".

The duties of both offices are distinct and yet ultimately inter-related, due to the Pope's responsibility to oversee the Global Estate Trust. Since the 1400's (see Primary Source Reading List) every Pope has acted as the ultimate Trustee and Steward of the entire Earth conceived as a Trust: the Global Estate Trust. This Trust, which was created over 400 years ago, is divided into three jurisdictions---Air, Land, and Sea. All three are further divided into realms of the Living and the Dead---the living being actual flesh and blood men and women and animals and other creatures in which the blood flows or sap ascends, the dead being all those organic entities who have died and all legal fiction entities, including trusts, corporations, foundations, transmitting utilities, cooperatives, limited liability partnerships and so on.

**The Air Jurisdiction** remains with the Holy See, is universal, **global**, and inclusive in nature regardless of individual religious preferences or beliefs, rules all affairs from the surface of the

## Final Judgment and Civil Orders

291 Earth to the Heavens, is inhabited by spiritual beings both living and dead, has a global  
292 population, functions under the Law of Love and the Ancient Law of Freewill and is  
293 administered via ecclesiastical canon law generally under direction of the Rectors of the National  
294 Shrines established in each country.

295 **The Sea Jurisdiction** is international in character, has an **international** citizenship, rules all  
296 affairs on or directly below the surface of the seas and navigable inland waters, is inhabited by  
297 living men and women known as Merchants and Sailors, and all living sea creatures, as well as  
298 all ships and legal fiction entities engaged in maritime and admiralty businesses and contracts,  
299 functions under the Law Merchant (maritime) and Law of the Sea (admiralty) and is  
300 administered worldwide by the British Crown Temple dba Inner City of London aka  
301 “Westminster”, and the Lords of the Sea.

302 **The Land Jurisdiction** is **national** in character, is inhabited by living men and women, together  
303 with land creatures and plants, has a citizenship based on nationality and which in most instances  
304 includes both the living men and women and legal fiction entities, rules affairs of the land from  
305 the surface to the depths beneath, functions under The Law of the Land, and is administered  
306 worldwide by the Universal Postal Union and the individual national Postmasters.

307 Each jurisdiction—Air, Land, or Sea---has its own law forms. The Air functions under  
308 ecclesiastical and canon law. The Sea functions under the Law Merchant and Law of the Sea.  
309 The land functions under the Law of the Land.

310 This is the Big Picture, and in the end, it is all administered by the Holy See and the Roman  
311 Catholic Church, which has struggled by turns to maintain an “orderly and peaceful Kingdom on  
312 Earth” and at times through its history has admittedly been overwhelmed by corruption and  
313 human error.

314 By its nature and function the Global Estate Trust has established a vast **interlocking trust**  
315 **directoriate** that exists worldwide and extends from the Holy See down to the local level of  
316 government administration.

317 A trust is formed when a **Donor** places assets into the care of a **Trustee** for the good of  
318 **Beneficiaries**. In forming the Global Estate Trust it was considered that Christ placed the entire  
319 planet in the care of St. Peter, that the Pope is Peter’s successor Trustee, and over time it has  
320 been realized that all people and living creatures are intended Beneficiaries of the Global Estate  
321 Trust, not just members of the Roman Catholic Church. This realization is one of the most direct  
322 results of the Protestant Reformation, which asserted individual dominion over the Earth as  
323 granted in Genesis 1:26-28. Today, as confirmed by Popes John Paul II, Benedict XVI, and  
324 Francis, the Global Estate Trust serves all people regardless of faith, color, or creed.

### 325 **2. How does the Global Estate Trust function? Why haven’t I heard of it before?**

326 The Global Estate Trust is over 400 years old. It was older than The United States of America is  
327 today when The United States of America was formed. It has organized the entire planet  
328 according to its system of postal districts---also called “federal districts” in America. The Global  
329 Estate Trust and the services it provides---legal services, banking services, police services,

## Final Judgment and Civil Orders

postal services---is so ubiquitous, so integrated worldwide, that we take its existence for granted and wrongly think that our individual government provides all this.

The truth is that the so-called “federal government” in America has always been owned and operated as a private for-profit governmental services company **operating under contract to provide certain stipulated governmental services**, and---later in history, has been operated as an umbrella corporation with subsidiaries created as franchises and agencies under subcontract to provide these same services by the Global Estate Trust and its national subsidiaries.

**Side Note:** In the eighteenth century when the original equity contract known as “The Constitution for the united States” was drawn up, the word “federal” was a synonym for “contract”, so the nature of the government as an entity under contract to provide services was apparent to the people. The state legislatures formed to represent the land jurisdiction as separate nations ---the larger equivalent of city-states---and the people inhabiting these organic states were clearly aware of the subservient nature of the federal government in all matters not clearly delegated to it as were the Founders and Framers of the Constitution. Article X clearly reserves all other rights to the states and the people.

In summary, our entire planet receives governmental services from one gigantic interlocking trust directorate: the Global Estate Trust. The gentleness with which generations of Popes have exercised their power as the ultimate Trustee should not be mistaken for lack of power, but rather as respect for Free Will and reluctance to interfere with those entrusted to administer their own affairs. In the temporal realm a Pope is a man like any other man, and it is often difficult to obtain all the facts and to be assured of right action. Restraint and tolerance have therefore been the hallmarks governing the exercise of temporal power by the Popes for many decades, but we are now entered upon a time when corruption and criminality have so far progressed among many governmental service corporations worldwide that maintaining the role of global trustee has required action by the Pope and the Holy See.

Over time, specialized service centers organized as separate city-states have taken over specific aspects of the operations of the Global Estate Trust. This so-called “Empire of the City” spans the globe. Rome and Vatican City remain the home base of operations responsible for overall administration worldwide. The Inner City of London, also known as “Westminster”, is a separate, independent, international city-state within London and it is home to the Crown Temple which administers legal services and is also home to the Fleet Street hub of international banking services. The District of Columbia, another city-state, is the center of defense and police services worldwide. The United Nations, yet another separate independent city-state, is the hub of international trade, aid, and negotiations.

Over the course of time, delivery of these many services has been organized by separate for-profit corporations and organizations operating in each country under the auspices of an umbrella Trust Management Organization functioning as the national government. Almost all national governments have been incorporated by the Holy See. The American national government is no exception.

## Final Judgment and Civil Orders

The Pope acting in his temporal office and the Holy See and its administrative management arms--- the Vatican, the Roman Curia, the British Crown, the Crown Temple, the United Nations, the Pentagon, the Vatican Bank, the Universal Postal Union and a great many other Global Estate Trust franchises and subsidiaries---provide nearly all governmental services worldwide, in addition to their roles administering various obligations owed to the many national trusts.

**The Global Estate Trust is by far the largest corporate enterprise on Earth.** Indeed, the very concept of “incorporation” was created by the Holy See and incorporated entities continue to be created and administered entirely under copyrights and administrative law forms of the Roman Curia. The Pope has the undisputed right to liquidate any incorporated entity that is not functioning lawfully and according to its charter. He may also order disposition of corporate assets to the creditors of any incorporated entity that he liquidates, and can alter or void any statute passed by any incorporated government at will.

People don’t see the Global Estate Trust in the same way that they don’t see the Earth beneath their feet. It has always been there. They take it for granted as part of the landscape of the world, but in fact, it is the result of tireless, conscious, determined effort expended over centuries of time. There is, in essence, “one world government” and it has been here throughout the development of the North American Continent as a commercial and political power, from the earliest exploration and colonization down to the present day.

### 3. What is a “national trust” and why does it matter?

When a new nation is born and enters the international community as The United States of America did in 1776, a contest begins over representation of the land and its assets. Once such a contest is resolved, the Pope, acting within his temporal office is the Donor of all the assets to be held in the national trust being established, formally recognizes the new nation. As a first step in this process, a postal district is established and a post office is created for the seat of government. Benjamin Franklin accomplished this step more than twenty years prior to the American Revolution.

There are four very commonly encountered entities that routinely call themselves either “the United States” or the “United States of America” in some guise, three “Constitutions” of these entities that are commonly referred to, and three versions of “United States Congress” in play. In all, there are over 350 different legally recognized meanings of the four words “united states of America” so it is necessary to draw a line and focus for a moment on only two of these entities--- those representing actual national trusts. **There is The United States of America (Major) that represents the now-50 American states acting in perpetual union guaranteed by The Articles of Confederation, and there is the United States of America (Minor) that consists of the District of Columbia and “other insular states”---Guam, Puerto Rico, American Samoa, et alia.**

To add to the confusion, in addition to these trust-based entities, we also have an incorporated commercial company doing business as the United States of America, Inc., another commercial company doing business as the UNITED STATES, INC., and additional entities doing business as the USA, the UNITED STATES OF AMERICA, E PLURIBUS UNUM THE UNITED

STATES OF AMERICA and so on. Be aware of the semantic confusions and deceptions that abound as a result. Note the slight differences in names---capitalization, punctuation, and prepositions used throughout this document. Each slightly different name or spelling or punctuation denotes a separate legal entity. Boldface is used herein merely to help sort out some of these natural confusions and emphasize important points of interest.

We have **The** US Trust (Major) and **the** US Trust (Minor)---both---which are both subsidiary national level trusts within the Global Estate Trust, both operating in tandem in the region of North America. The “states” of the United States of America (Minor) are “states of America” in the same sense that South American countries are “states of America”, e.g., Organization of American States is an organization of what are commonly thought of as nations, but which can equally be called “states” and also “American states” without implying that they are “states” affiliated with The United States of America (Major) or the United States of America (Minor).

When **The** US Trust Major was established to benefit **The** United States of America composed of the now-50 organic states united, the beneficiaries named were the American people and their natural and unalienable rights were recognized as assets protected by the national trust indenture contained within the Preamble and Bill of Rights of an original equity contract known as “**The Constitution for the united States of America**”.

All inhabitants of **organic, geographically defined states** are living men and women. They are all owed American Common Law as their law form. The entire civil government **on the land** is vested in each and every single one of them. The jurisdiction of the Air protects them and their property and interfaces with the governments operating upon the land jurisdiction to ensure proper administration.

The governmental services required by the original Constitution were provided by a Trust Management Organization operated as a private, for-profit, but unincorporated company known simply as “The United States”, which was organized by the Founding Fathers, especially Benjamin Franklin, John Adams, Thomas Jefferson, James Madison, Alexander Hamilton, Benedict Arnold, and George Washington.

“The Company” was organized in 1754 by Benjamin Franklin. George Washington was its eleventh President. As the largest land owner in North America, Washington was an obvious choice. The foremost objective of this commercial entity, which was privately fully supported by King George III of England, was the westward expansion of colonization beyond the Appalachian Mountains---in contravention of the Treaty of the Delawares which the King had signed with the Native nations just prior to the American Revolution. From this perspective and from the subsequent settlements reached with the leaders of the Revolution it can be reasonably deduced that the entire operation was conceived, orchestrated, and carried out with the support of European powers merely interested in securing a piece of the much larger pie guaranteed by the westward expansion that was allowed via the artifice of establishing a new government. Portraits of both Washington and Franklin enshrined at the Middle Temple enclave in the Inner City of London suggest that they were in fact operatives of the Crown doing King George’s dirty work---a fact evident in the Treaty of Paris wherein the King is recognized as “the Prince” of the United

States of America, paid tribute in mineral resources, and guaranteed a perpetual hegemony governing the commercial and international affairs of the Americans.

Presidents and members of Congress still take their Oath to “the United States”, not the United States **of America**---howbeit, this is a different company called by the same-sounding name – “the UNITED STATES”. This gives rise to confusion in the same way that two men called “John” may be mistaken for each other. Watch for this same use of “mistaken identity” as an excuse for fraud and despotism throughout the current system.

The Office of President is and always was a private business executive office, not a political one, and as a result, to this day, the President is elected to office by a privately drafted Electoral College, not by voters in any General Election.

The original unincorporated Trust Management Organization first operated by President George Washington was bankrupted by President Abraham Lincoln on April 24, 1863, as a result of the cost of the Civil War. Eleven years of “Reconstruction”---- also known as bankruptcy reorganization--- followed, and a quiet usurpation based on semantic deceit and not-so veiled fraud commenced. Administration of the American national trust passed on to a new Trust Management Organization operated by a cartel of international banks (which became the Federal Reserve) as “the United States of America” and doing business as “the United States of America, Inc.”.

For insight into this, read the 1850 Act of Admissions which clearly delineates the role and identity of the original organic and unincorporated “usa” verses the United States, and the difference between the similarly named trust organizations and the commercial service companies. Also read the Reconstruction Act of 1867 and the Act of 1871 incorporating a municipal (city-state) government for the District of Columbia.

When the second national trust known as “**the** US Trust” was formed to benefit the new District of Columbia city-state in 1871, the beneficiaries named were **not** “We, the People” of the original national trust, but a mix of living people born in the District of Columbia and other federal enclaves including Puerto Rico, American Negroes who were never granted other citizenship after the Civil War, federal employees, members of the active duty military forces, and **incorporated entities** formed under the auspices of “the United States of America (Minor)”.

Unlike The United States of America (Major), the United States of America (Minor) allows corporations organized under its auspices to be “citizens”, a fact that has led to no end of fraud and criminality.

All “US citizens” have only “Civil Rights” –that is, privileges---granted by “the **US Congress**”. This **separate national entity** initially operated its business affairs as “United States of America, Inc.” – a corporation chartered in Delaware, under By-Laws published as **the Constitution of the United States of America**. Note the differences in capitalization and the use of the preposition “of” in place of “for” which distinguishes this version of “Constitution” as a separate legal document from the original equity contract known as The Constitution for the united States of America. The agents of the United States of America (Minor) also popularized “The Pledge

## Final Judgment and Civil Orders

of Allegiance” as a means of providing tacit public notice and securing assumed consent for its actions without, however, fully disclosing its nature and intentions or the process of usurpation against The United States of America (Major) it engaged in.

Please note the actual words of The Pledge of Allegiance: “I (securing a claim of individual consent) pledge (an ancient feudal act) allegiance (contract) to the United States of America (which version is only indicated by the lack of capitalization on the word “the”) and to the Republic (original organic states’ government) for which it stands, one nation, under God, indivisible, with liberty and justice for all.”

Note that there hasn’t been “one nation” since 1871. There have been two nations operating under two separate administrative protocols and two national trusts, but it has been the subversive objective of Congress to join both into one entity and operate it as an oligarchy, just as the Congress currently operates the United States of America (Minor) as an oligarchy.

The Pledge of Allegiance--- an innocuous-appearing mantra endlessly repeated in public schools and public meetings across America is a VERBAL CONTRACT secretly obligating the victims to accept representation of their Republic by “the United States of America” which failed to properly identify itself or seek open consent and which merely claimed to “stand for” the American Republic.

The Pledge of Allegiance is an undisclosed **entrapment into contract** ceding authority to represent the individual inhabitants and the American Republic to “the United States of America” similar to what happens when an unwary individual hires a lawyer to “represent” them and “stand for” them in a court. **The representative gains a largely unaccountable controlling interest in the affairs of their actual employer who is relegated to the status of a ward of the state, incompetent, or dependent.**

As a result of this semantic deceit and duplicity, no valid new contract between the organic American states and the United States of America (Minor) was ever established. The “Constitution of the United States of America” remains a document peculiar to the United States of America (Minor), not to be confused with the original equity contract known as The Constitution for the united States of America.

At the beginning of last century there were two completely separate versions of “United States of America” operating and two kinds of “US (C)itizens” and two “Constitutions” and the “US Congress” was acting in two roles in conflict of interest. The original Constitution known as “**The Constitution for the united States of America**” and the By-Laws of the newly formed federal corporation known as “**the Constitution of the United States of America**” formed under the auspices of the United States of America (Minor). **All this semantic deceit was and is extremely complex and deliberately designed to defraud and confuse.**

A separation of the Land and Sea jurisdictions was set up from the very founding of **The** United States of America and made part of the Treaty of Paris, Treaty of Westminster (with the Inner City of London—a separate international City-State), Treaty of Ghent, et alia, however, it was never envisioned that the District of Columbia would form a **separate** city-state and operate a

529 **separate national government under deceptively similar names**, simply by allowing members  
530 of Congress to wear two hats and creating two kinds of “citizenship”.

531 **These two separate national trusts operated under deceptively similar names have co-**  
532 **existed for almost 150 years, but the semantic deceit involved has resulted in endless**  
533 **confusion, fraud, breach of trust, and ultimately, identity theft practiced by the United**  
534 **States of America (Minor) against The United States of America (Major).** Additional insight  
535 into this development of “two Americas” can be gained by reading the Insular Tariff Cases  
536 (1900-1904) ---the most famous of which is *Downes v. Bidwell*.

537 The separate National Trusts create two separate nations--- **The** United States of America  
538 (Major) which includes the 50 domestic States bound in perpetual union by The Articles of  
539 Confederation (1781) and **the** United States of America (Minor) which represents the District of  
540 Columbia (formally renamed the “State of New Columbia” in 1984) in union with the so-called  
541 “Insular States” comprised of “federal possessions and territories”. The circumstance also  
542 creates two kinds of citizen--- U.S. Citizens and US citizens as already noted.

543 The United States of America (Major) is a Republic composed geographically defined states and  
544 inhabited by living men and women. These states (small “s”) are all formed by Statehood  
545 Compacts. This version of United States of America functions under the Law of the  
546 Land which is the American Common Law and the federal government---that is the Trust  
547 Management Organization charged with protecting **The** U.S. Trust and providing the nineteen  
548 stipulated governmental services under contract---- is restricted by The Constitution for the  
549 united States of America.

550 Members of “The United States of America in Congress assembled” are obligated to function  
551 under complete commercial liability and as a sovereign Body Politic, with the result that no  
552 “Congress” has occupied these offices since 1865, and the further result that no substantive and  
553 fully enacted Public Law affecting U.S. Citizens has been passed since then. The organic states  
554 and the people inhabiting them have been silent since December of 1865, a circumstance that  
555 unscrupulous individuals have used as an excuse to claim that the American government is  
556 defunct---despite the fact that the actual civil government is embodied in each and every living  
557 American.

558 As you will note upon reading the Admissions Act of 1850, the Congress operating as a  
559 Body Politic is the “congress of the united states of america” operating as the “senate” and the  
560 “house of representatives” directly representing the living American People and the Republic  
561 states. When operating as the true representative government of The United States of America  
562 (Major) the names of these political bodies are never capitalized. This is not a typographical error  
563 or the result of quaint old language conventions. This is part of the language of law that has  
564 existed since Roman times.

565 The United States of America (Minor) is a Commonwealth inhabited by “US citizens” – a mix  
566 of living people and incorporated entities. This separate city-state is operated as an oligarchy by  
567 the members of the “US Congress”. It functions entirely under the law forms of international  
568 commerce (maritime) and Admiralty. The “US Congress” of the United States of America

## Final Judgment and Civil Orders

(Minor) also operates as the Board of Trustees of the United States of America, Inc., and its members enjoy limited liability---with the result that they can only pass “Public Policy”, not Public Law. Increasingly, this out-of-control oligarchy has functioned in a criminal, despotic, irresponsible, and reckless manner, disrespecting its contractual obligations to The United States of America (Major), misrepresenting itself “as” The United States of America (Major), and facilitating numerous kinds of fraud, racketeering, and inland piracy against the American People inhabiting the 50 States while pursuing increasingly violent and criminal activities overseas---trading in drugs, prostitution, alcohol, arms, and other “federally controlled” substances.

The national trusts—which are all donated by the Pope in his capacity as the Global Estate Trustee--- are important because they define the assets of the nation and the beneficiaries of the trust. **They also obligate specific parties to act as Trustees and to protect the nation under trust indenture and contract.**

The Pope is the Ultimate Trustee and the Global Trustee of the Air Jurisdiction. The Rector of the National Shrine is responsible for administration of this jurisdiction in the United States of America (Minor), and is therefore responsible for holding their administrators accountable. The British Monarch is our Trustee on the High Seas and Inland Waterways and is directly accountable for protecting us and our commercial “vessels” in the international jurisdiction where our rights and material interests have been violated. The U.S. Postmaster is our Trustee on the Land, but owing to the corruption of the government already described, that office was vacated and released. In correction, Pope Benedict XVI established a new Postmaster Office to provide oversight for all of North America in 2010.

### **4. You’ve charged that there is commercial and administrative default---why? What is this bankruptcy you keep talking about?**

There are actually several bankruptcies involved, beginning with the bankruptcy of The United States (Company) in April of 1863. That resulted in Abraham Lincoln creating the Lieber Code, also known as General Order 100, and making the U.S. Army responsible for safeguarding the nation’s money. The United States of America (Major) still operates under the Lieber Code and despite no less than three (3) public declarations ending the Civil War by President Andrew Johnson, the U.S. Army continues to control and administer the government of the Republic. This is how we get offices containing military titles like Inspector **General**, **Lieutenant Governor**, and US Postmaster **General**.

This is also why we have been kept in a constant state of “war”----at least on paper---since 1860. Over time, public knowledge of the circumstance and the Lieber Code has faded, leaving the U.S. Army to increasingly function without any oversight or restraint. Understanding of their role as guardians of the Republic and the people has also faded within the ranks, until today we are faced with the possibility of having the President of a foreign commercial corporation ordering our own troops to fire on us. We may all thank God that the Holy See remembers things long after others forget, and has the resources to remind the U.S. Army of its real purpose and mission.

## Final Judgment and Civil Orders

Next, there was the bankruptcy of the United States of America, **Inc.** in 1933, by Executive Order of its President, Franklin Delano Roosevelt. The Creditors of this commercial bankruptcy, the World Bank, IBRD, and Federal Reserve – (the IMF claims to represent **all** creditors including the living Americans who were named the **priority creditors**)---appointed the Secretary of the Treasury of Puerto Rico to act as the US Bankruptcy Trustee.

Still to come is the bankruptcy of the UNITED STATES (Incorporated), a French commercial corporation named after the original “United States” bankrupted in 1863, and formed to administer the governmental services contracts of the United States of America, Inc. during its bankruptcy reorganization.

These bankruptcies of the Trust Management Organizations providing governmental services to Americans have all been planned ----and they provide vast profit for the perpetrators and equally great losses to the American people.

### The Great Bankruptcy Fraud

**This is the essence of the bankruptcy fraud:** one Trust Management Organization (incorporated) creates “franchises” named after individual living Americans, runs up huge bills against these legal fiction entities, leaves the hapless living people of “similar name” to pay the bills or have their credit wrecked and their private property assets seized-----while skipping off and filing for bankruptcy protection for itself.

Meanwhile, another incorporated Trust Management Organization sets up shop under a similar name and takes over the service contracts “in behalf of” the former TMO undergoing bankruptcy reorganization, creates its own set of franchises named after living Americans, runs up huge bills against these separate legal fiction entities, leaves the hapless living people of similar name to pay the bills or have their credit wrecked and their private property assets seized---while skipping off and filing for bankruptcy protection for itself.

Repeat as necessary---for as long as you can get away with it.

The two Trust Management Organizations currently involved are both operated by international banking cartels. The Federal Reserve, which is as “federal” as Federal Express, operates the United States of America, Inc. The United Nations, Inc. doing business as the International Monetary Fund, Inc. (IMF) operates the “secondary” front organization doing business as the UNITED STATES, INC.

As of July 1, 2013, the hapless American people mistaken as sureties---- and their Estates functioning under names in the form “John Quincy Adams” ----paid off all the debts, all the interest, all the trumped up service charges that were brought against them as a result of the bankruptcy of the United States of America, Inc. in 1933. The United States of America, Inc. was released from bankruptcy and all its debts were settled as of that date.

The Federal Reserve has meanwhile re-named and re-invented itself as a new corporation organized under the auspices of the United Nations, a separate city-state, and is doing business

## Final Judgment and Civil Orders

645 internationally as the FEDERAL RESERVE. That is, it is no longer an American institution and  
646 is operating under UN rules and charter.

647 At the same time, the UNITED STATES, INC. is running up trillions of dollars of debt against  
648 the credit of its own brand of manufactured out of thin air “sureties”---- Puerto Rican ESTATE  
649 trusts operated under the NAMES of living Americans in the form “JOHN QUINCY ADAMS”-  
650 ---with the clear intention of having Barack Obama declare bankruptcy just as FDR declared  
651 bankruptcy---leaving the hapless living Americans of “similar name” to pay off the trumped up  
652 debts of the UNITED STATES, INC. while it seeks bankruptcy protection in turn.

653 **The newly organized “FEDERAL RESERVE” is busily populating America with yet**  
654 **another new set of “franchises”-----these new legal fiction entities named after living**  
655 **Americans are all being named in this form: “JOHN Q. ADAMS”, which isn’t even a legal,**  
656 **identifiable name, and they are all transmitting utilities.**

657 When people pay bills addressed to these new entities and appear to “accept” these new names –  
658 having been misled into assuming that these entities are the same as the living people--- the  
659 charlatans will have carte blanche to make a whole new con game set up for themselves, assert  
660 new claims against the people and the states “redefined” as public transmitting utilities, and not  
661 be bound by “specificity”.

662 Please note that “JOHN Q. PUBLIC” could be “JOHN QUINCY PUBLIC” or “JOHN  
663 QUENTIN PUBLIC” or, or, or. The lawyers among us know perfectly well that “JOHN Q.  
664 PUBLIC” is not a legal name. It is purely a commercial, trade-marked name belonging to a  
665 corporation as chattel, and the reason this change is being attempted is that the IMF is no longer  
666 able to charge off the cost of providing government services to the ESTATES of the American  
667 People which were improperly held as “sureties” backing the debts of the United States of  
668 America, Inc.---- a “doing business name” of the old Federal Reserve System.

669 **It is imperative that this scheme be recognized and stopped at the onset and that these false**  
670 **claims by the FEDERAL RESERVE be objected to immediately, individually, and**  
671 **collectively.**

672 Their intention is clear and the history is cast in cement. These Trust Management  
673 Organizations have committed gross breach of trust, gross fiduciary malfeasance, gross unlawful  
674 conversion, gross identity theft, gross conspiracy to defraud. They are international crime  
675 syndicates in every sense of those words, and they are on the verge of repeating their past  
676 history; like parasites, they have simply “moved on” to other hosts, passing from The United  
677 States of America (Major) to the United States of America (Minor) and now to the United  
678 Nations City-State.

679 The federal reserve, an **unincorporated** association of banks operating under the auspices of  
680 **The United States of America (Major)** in 1900, moved on to become the **Federal Reserve**, an  
681 **incorporated** association of banks operating under **the United States of America (Minor)** circa  
682 **1930**, and it is now moving on again, to function as the **FEDERAL RESERVE**, an entity  
683 incorporated under the auspices of the **United Nations**, which is a separate, independent,

## Final Judgment and Civil Orders

international city-state that has allowed the FEDERAL RESERVE to be incorporated under its auspices.

The Pope, in issuing the *Motu Proprio* of July 11, 2013, has said in effect---- “Enough. You are liable and will be held liable as of September 1, 2013.”

This continued identity theft and pillaging of private property “in the name of public trusts” isn’t going to be allowed. The resources of the entire Global Estate Trust will be mobilized to make sure that this pattern of abuse does not continue. Each and every one of you addressed has participated knowingly or unknowingly in some capacity necessary to the success of this gargantuan fraud and you are now being notified of the facts and encouraged to selfcorrect.

It would not be right or fair to sweep up the innocent with the guilty, so you have all been given multiple notices and opportunities to learn the facts. The Trust Management Organizations themselves have been given three (3) years in which to correct their operations from top to bottom or face dissolution of their charters and disposition of their assets. From the perspective of the Global Estate Trust, it doesn’t matter where the ‘federal reserve’ banks run and hide or under which national entity they choose to incorporate. The basic issues remain the same and everyone on earth has a stake in bringing this system of fraud and enslavement to an end. Everyone who works for or under the auspices of the Roman Curia---everyone in the legal profession from the lowliest clerks to the highest judges—became 100% liable for their acts and omissions with regard to these issues as of September 1, 2013.

All this is why we have brought FINAL NOTICE OF COMMERCIAL AND ADMINISTRATIVE DEFAULT, and that is why we keep talking about bankruptcies. Unless everyone recognizes their own culpability and takes action accordingly to pre-empt it, there will be another manufactured “national” bankruptcy in the near future and billions of people worldwide will suffer to profit a few hundred masterminds at the top of the pyramid scheme.

### 5. How is our money involved?

A partial answer was provided above. When the Trust Management Organization doing business as the UNITED STATES declares bankruptcy the living people will again be “presumed” to be sureties for its debts---absent concerted effort to derail the cycle of engineered national bankruptcies. Those international investors who are owed money by the UNITED STATES, INC. will come knocking on the doors of millions of Americans, under the false presumption that these people agreed to stand as sureties for the debts of Harry Reid, Nancy Pelosi, et alia, all doing business as the UNITED STATES, INC.

**This is constructive fraud based on semantic deceit and identity theft being carried out by private, for-profit, largely foreign corporations operating on American soil under charters and treaty arrangements that they have abundantly and criminally violated.**

Your currency---not your “money”--- is inevitably involved, because for eighty years you have been passing around I.O.U.’s instead of any form of money. A “note” is an I.O. U. and a “Federal Reserve Note” is an I.O.U. from the Federal Reserve Banks. **It is impossible to pay a**

## Final Judgment and Civil Orders

722 **debt with an I.O.U. You can only go deeper into debt as a result of this practice.** A negative  
723 plus a negative **never** equals a positive.

724 Here is the circumstance: you owe \$500 and you have no actual money to pay this debt.  
725 The only “legal tender” in circulation is in the form of I.O.U. Notes issued by the Federal  
726 Reserve Banks. Deliberately placed in this situation by the perpetrators of this fraud, Joe  
727 Average American is under **monopoly inducement** and has no choice but to “pay” his debts  
728 with I.O.U.’s, and thereby **become a debtor**, instead of a creditor.

729 **If I give you an I.O.U. as payment of a debt, have I paid you? No. I have only postponed**  
730 **payment of my debt to a later time. That’s what the Federal Reserve has done--collected**  
731 **debt upon debt upon debt and never paid a dime toward any of it, since 1933.**

732 What happens when you go out and earn \$500.00 worth of Federal Reserve Notes? Your labor  
733 allows you to pass off the debt to the Federal Reserve. You are out of the frying pan for the  
734 moment, but **the debt is still unpaid**. That’s how the “National Debt” accumulates,  
735 exponentially. In such a system, nobody ever gets paid for anything--- the debt just gets passed  
736 around and builds up and up and up no matter how hard you work or how productive you may  
737 be.

738 **Instead of being what you actually are, a nation of creditors, you are reduced by sleight of**  
739 **hand and fraud and monopoly inducement to being debtors by definition, and you can**  
740 **never get out of the cycle of false “debt” until you recognize the fraud for what it is, stop**  
741 **playing the game, and put an end to it.**

742 What does the Federal Reserve do with all this debt it has been collecting for eighty years? It  
743 enters it as a **credit for itself** against your estate. **Not only has your original debt not been**  
744 **paid, but interest and service fees have been added to it, and that has all accumulated**  
745 **against your estate—your body, your labor, your home, your business, your copyrights and**  
746 **intellectual property.**

747 What happened to the value of your original labor that you expended to earn Federal Reserve  
748 Notes? **It never got credited to you.** Instead, it was siphoned off by the same people who  
749 brought you this incredible fraud. Your credit has been kept in “off book accounts” belonging to  
750 YOUR NAME---a Puerto Rican Estate trust, and after a period of time, the banks have claimed  
751 these assets as “abandoned funds”. They are holding the entire National Debt against the estates  
752 of living Americans and pretending that you and your parents and grandparents did nothing but  
753 sit on your rumps since 1933.

754 Every American who ever signed up for Social Security---having first been blatantly lied to and  
755 coerced by undeclared Foreign Agents of the United States of America (Minor) and told that  
756 Social Security was a retirement insurance program and that it was a mandatory requirement of  
757 having a job in America---has been claimed to be an **unpaid volunteer employee** of the “federal  
758 government” corporation by the perpetrators of this con game and therefore, a “US citizen”  
759 instead of an American National.

## Final Judgment and Civil Orders

Unknown to those same American Nationals, the corporations masquerading as their lawful government used their “voluntary application” for “Social Security benefits” to obtain a veiled general Power of Attorney hidden in the SS-5 Form, and used it to seize control of their ESTATES. They then set up two accounts “in their names”----one administered by the Federal Reserve’s Internal Revenue Service and one administered by the “IRS” for the International Monetary Fund. One account is set up as the debt side account and follows the familiar pattern: 123-45-6789. The other account is set up as the credit side account and uses the same numbers without hyphens: \*123456789\*.

Most American Nationals are owed several million dollars worth of credit owed to their individual ESTATE accounts, but the perpetrators of the fraud never disclose this fact. The “richest people on earth” live as debt slaves to international banking cartels that have obtained this position by fraud.

The final cherry on top is that these same banking interests use your tax money to buy million dollar life insurance policies on each and every “US citizen”---benefiting the bank, of course. Thus, even at the end of your lives, the banks contrive to profit from you, and they always have profit motive to kill you. Killing off young people brings more profit, which, together with stealing and controlling natural resources to manipulate commodity markets, explains why promoting wars for profit are favorite pastimes for these unspeakably corrupt and evil corporate entities.

The same situation applies in Canada, Australia, New Zealand, and most of Europe. The same nine digit accounting system is used throughout, and abused in the same ways worldwide.

### 6. What is convertible debt?

**A convertible debt is any form of debt that can be converted into another form of debt.** Federal Reserve Notes can be converted into mortgages, stocks, bonds, annuities----any other “debt instrument” or “debt based security”. **A fraudulent convertible debt is a debt that is created by fraud and then converted.** That’s what we have going on in America right now.

**Pull up the Bankruptcy Act and look at Section 101 (11).** There you will see who the actual Creditors of the Trust Management Company FDR bankrupted in 1933 are----the living people, Americans at that time and their heirs, are the Priority Creditors and Entitlement Holders, but because of the monopoly inducement explained in Item 5, you’ve all been arbitrarily “redefined” as “debtors” instead.

What happens when you pay an electric bill addressed to the federal franchise ESTATE trust currently doing business under your NAME as a franchise of the UNITED STATES, INC.? You become a debtor instead of a creditor so long as you pay it in Federal Reserve Notes. The utility company seizes these debt notes you’ve so graciously provided to them for free and converts them into other forms of debt---buying up stocks, bonds, insurance policies, etc---benefiting itself.

The “debt” thus created is fraudulent on three counts--- first, it is the by-product of illegal monopoly inducement forcing you to use Federal Reserve Notes as legal tender in the first place,

## Final Judgment and Civil Orders

799 second, it is a debt owed by the federal franchise ESTATE trust doing business “in your name”  
800 but deceitfully presented to you as if it were your debt, and third, you have been coerced to pay  
801 off a billing “statement” instead of a real bill.

802 So we have a debt created by fraud converted into other forms of debt benefiting ---in this  
803 example, a utility company which reinvests “your” Federal Reserve Notes in other forms of debt.  
804 That is fraudulent convertible debt in practice.

805 **This is yet another way in which you are being defrauded and the value of your labor and**  
806 **other resources is being converted to benefit incorporated entities at the expense of you and**  
807 **your private estate.**

808 Next time you get a tax bill, a utility bill, a credit card bill or any other “bill” addressed to  
809 YOUR NAME IN ALL CAPITAL LETTERS, look at it very closely with the understanding that  
810 (1) the item is addressed to a Puerto Rican “federal franchise” ESTATE trust doing business in  
811 your NAME, not to you; (2) the item is a “billing statement” or “billing summary” or some other  
812 name, but never an actual Bill so technically, even the ESTATE has not been billed; (3) these  
813 billing statements are not denominated in dollars---except occasionally by mistake---the  
814 “amount owed” appears as a series of numbers, commas, and dots similar to that used to write  
815 dollar amounts, but there is no dollar sign and no words indicating the kind or form of money or  
816 currency that is supposedly owed.

817 For example, your property tax bill will show up addressed to YOUR NAME and the statement  
818 will show that YOUR NAME owes a number written like this: 6,955.43 for 2013 or that YOUR  
819 NAME’S house has a value of: 258,990.00 according to the Tax Assessor’s Office. **These are**  
820 **just deceptively constructed series of numbers, dots, and commas designed to make you**  
821 **assume that these represent dollar amounts.** Again, technically, not even the ESTATE has  
822 been billed for anything.

823 It’s all constructive fraud based on semantic deceit, illusion, and processes of assumption  
824 knowingly pursued under conditions of non-disclosure.

825 This is done on purpose, with malice aforethought. The perpetrators are giving you notice that a  
826 bill related to the ESTATE named after you **exists**, but they are actually and purposefully  
827 preventing you from paying it. If they sent a real Bill, you could either discharge it through the  
828 U.S. Treasury Window at any Federal Reserve Bank, or, you could present it for payment under  
829 UNCITRAL and exchange it against your Birth Certificate Bond or other assets held by the US  
830 Bankruptcy Trustees in your name. This process of discharging debts, unlike using Federal  
831 Reserve Notes, **actually pays the bill**, and since the entire game is about forcing you to indebt  
832 yourself, the perpetrators spare no effort to prevent you from discharging the bills related to **their**  
833 “federal” ESTATE trust.

834 **Another reason they refuse to provide you with an actual Bill is that what they are**  
835 **doing is a crime.**

836 As long as they are sending these “billing statements” to a federal franchise ESTATE trust, they  
837 technically can’t be accused of billing **you**. As long as they don’t provide you with an actual

## Final Judgment and Civil Orders

838 Bill, they can't be accused of false billing, either. According to them, they don't know what you  
839 are talking about. What bill? We never sent that man a bill....we sent a **billing statement**  
840 addressed to a **Puerto Rican ESTATE trust** that "just happens" to have the same name and  
841 address. Who cares if we fully intend to force and coerce the living man to pay us with an  
842 I.O.U. and owe us even more debt after he "paid" than when he started?

843 **7. Are you telling me that I don't owe any taxes? How is that possible? It costs money to**  
844 **provide governmental services. If I don't pay my taxes, how will the schools be funded and**  
845 **the fire departments and libraries stay open?**

846 The fact is that **all** governmental services contracts are between states and other incorporated  
847 entities, not states and people. **Technically, it's literally impossible for a living man or**  
848 **woman to owe any tax for any governmental service.**

849 Remember that all valid contracts must be "in-kind". Corporations can contract only with other  
850 corporations. Living people can contract only with other living people. The proliferation of  
851 "trusts" has been used as a vehicle ---literally creating a "commercial vessel" capable of  
852 interfacing with corporations and entering into corporate contracts. The creation of these  
853 "individual public trusts" and their supposed obligations has been done **without** the knowledge,  
854 consent, or participation of the living people merely upon the "representations" made "in their  
855 behalf" by third parties claiming to "represent" them-----lawyers and unscrupulous politicians.

856 Note that even the original equity contract known as The Constitution for the united States of  
857 America is between the States and the government being created by contract to provide the States  
858 with services—not the living people. We, the People, are only mentioned as the **beneficiaries** of  
859 the Natural and Unalienable Rights that are assets held in the national trust and further outlined  
860 and defined by the Bill of Rights. **We are not direct parties to this or any other**  
861 **governmental services contract.**

862 As for how do governmental services get paid for? Your states are inestimably valuable and  
863 properly administered, they contain vast material assets that can be utilized to generate income  
864 more than sufficient to pay for all governmental services---and this is in fact what **all** the states  
865 do. **They already generate more than enough income every year to pay for all**  
866 **governmental services.** They simply keep track of their expenses and provide a "billing  
867 statement" addressed to your ESTATE in hopes that you will step forward and "volunteer"----- to  
868 pay a share of the expenses **for them**, so that their private, for-profit corporation is enabled to  
869 operate without any expense and seize the entire profit from the sale and utilization and  
870 investment of your organic state's assets entirely for its own benefit.

871 If by chance your ESTATE fails to voluntarily cough up its share this year, they will  
872 conveniently forget all the other labor and currency and value you have contributed in prior years  
873 and also fail to mention all the money they made this year off of the "state" assets **you** are  
874 supposed to be the beneficiary of. Alaskans should at this point take a moment to estimate their  
875 actual share of revenue collected from the oil industry this year, versus the pittance offered as a  
876 "Permanent Fund Dividend". Now they should calculate their actual share of the Permanent

## Final Judgment and Civil Orders

877 Fund Dividend as shareholders. And they should, if they are rational beings, be very, very upset  
878 with those claiming to “represent” them and their interests.

879 After all, those who claim to “represent” you have taken seats as the officers of this same foreign  
880 franchise for-profit “STATE” corporation and they see it as their duty to make sure that  
881 corporation is as profitable as possible----so they justify attacking you, their employer, and  
882 seizing your assets and telling you what to do and how to do it and when and how often----all in  
883 the name of somehow ultimately benefiting you via entrapment, enslavement, armed extortion,  
884 and fraud.

885 Every unit of “government” in America is not only in control of and profiting from the use and  
886 misuse of vast “public” assets, they are rolling in the money and credit they have extorted from  
887 the actual beneficiaries of the public trusts, then rolling some more in the money and credit they  
888 have made from investing all this purloined largesse, and proliferating new and ever-more  
889 numerous units of government and government agencies ----like a cancerous growth soaking up  
890 the sugars of the Body Politic.

891 Every year the corporations running your federal, state, and municipal “government” make so  
892 much more money than they expend on public services that the idea that taxation of individual  
893 living men and women and their private property assets is “necessary” to fund public services is  
894 laughable. Exactly how these criminally mismanaged corporations hide the loot so that they can  
895 continue to “poor mouth” and impose more taxation will be addressed in answer to other  
896 questions.

### 897 **8. Why are the courts at fault?**

898 In 1938 following a Supreme Court case known as Erie Railroad v. Thompkins executives from  
899 the Roosevelt Administration called a meeting with the US Supreme Court Justices, Senior  
900 Judges from all the Circuit and Appellate Courts, and the most prominent lawyers of the times,  
901 and they told them a purposeful and self-interested lie. They said that the United States of  
902 America was bankrupt---they just neglected to say which “United States of America” and what  
903 form of “United States of America” they were talking about. They also told the legal  
904 professionals that because of this bankruptcy, they were to operate their courts ONLY in  
905 maritime jurisdictions. Verbatim: “We don’t care what you call it, but you can only run  
906 maritime and admiralty courts.”

907 From that time to this, that is what the members of the American Bar Association have done.  
908 They have run a fantastic gamut of “courts” pretending to operate as “state courts” and “custody  
909 courts” and “US DISTRICT COURTS” and “Superior Courts” and on and on----and pretended to  
910 operate courts at equity and under civil law, but the entire time they have operated exclusively as  
911 maritime courts and as in-house corporate tribunals.

912 **The courts are at fault because they know they are routinely operating in jurisdictions that**  
913 **have nothing to do with the cases before them.** They are at fault because they know they are  
914 operating in maritime jurisdictions and pretending otherwise. They are at fault because they have  
915 accepted unilateral contracts as “valid” maritime contracts. They are at fault because they do not

## Final Judgment and Civil Orders

916 require proof of any valid maritime jurisdiction, even when called on the carpet for failure to do  
917 so. The list goes on.

918 Why have the courts malfunctioned in this way and continued on this course for almost eighty  
919 years? Part of it is ignorance. A great many American jurists have grown up under these  
920 conditions and they don't know that anything different ever existed. Many don't know that  
921 "statutory law" is maritime law and if the judges and lawyers don't know, who does? Some  
922 don't even know that "statutory law" applies uniquely to statutory entities----legal fictions  
923 created by statute.

924 The rest of the reason is pure graft and corruption for profit on the part of those who **do**  
925 know what is going on.

926 "Federal" judges have issued standing orders to "invest" all court cases through the Court  
927 Registry Investment System (CRIS) ----that is, to "deposit" them **as securities** into the Federal  
928 Reserve Bank in Dallas, Texas.

929 **Every such court case is assigned a US Treasury Public Debt Number --- a Docket**  
930 **Number in "State" courts and a Case Number in "US DISTRICT COURTS". This makes**  
931 **every court case a financial transaction and "securitizes" it.**

932 After the Public Debt Number is issued, which converts the court case into a counterfeit  
933 obligation under 18 USC 472, et seq. 473, 474, the Court Administrator again counterfeits the  
934 same debt obligation by adding a CUSIP number to the "Instrument". One counterfeit  
935 obligation benefits the Federal Reserve, the second one benefits the IMF.

936 CUSIP is an acronym for Committee on Uniform Securities Identification Procedures, and a  
937 copyrighted and registered trademark of The American Bankers Association. The court  
938 administrators work for the banks, not any "court system" unless you want to call it the Bank  
939 Court, where the bank always wins.

940 At this point in the fraud, the "court administrator" working for the banks has converted every  
941 court case into a banking financial securities instrument----which puts the court itself into the  
942 position of being "creditor" and BOTH the plaintiff and the defendant are cast into the role of  
943 "debtors".

944 **The judges are acting with a vested interest with insider knowledge and they are**  
945 **insider trading in complete and utter violation of the judicial canons.**

946 They cannot act without bias when the quantity and quality of their salaries, benefits, and  
947 retirement packages are sitting in the docket every day awaiting their "investment". Rather  
948 than ruling on the merits, arguments, or even the facts, they are making financial investments in  
949 every case---futures contracts, in a future they can direct.

950 **They are running a rigged gambling operation out of the courthouse, under the**  
951 **noses of the Alaska State Troopers, the FBI, and the US Marshals, who all turn to these**  
952 **icons of rectitude for "legal" advice instead of using their own noses and common sense to**  
953 **determine what is lawful.**

## Final Judgment and Civil Orders

The judges and court administrators are also committing tax fraud by shifting the “debt” created by every case onto the individual(s) who are actually the Creditor(s) in every case, and converting the case into an investment security belonging to the Dallas Federal Reserve Bank instead, which in turn shifts the money from the Creditor side of the “transaction” into the pockets of the Debtors. **They are deceptively laundering a fraudulent debt into corporate assets belonging to the bank, and converting those assets into revenue sharing funneled back to the Department of Transportation (Federal Reserve) or DEPARTMENT OF TRANSPORTATION (IMF) franchises, respectively.**

So in addition to running a rigged gambling operation out of the courthouses, the courts are also laundering vast amounts of fraudulently procured credit assets back into the operations side of the two colluding Trust Management Organizations. A whopping percentage of the total take from all this securities fraud goes into the judge’s retirement fund also administered by the Dallas Federal Reserve Bank.

It is self-explanatory why the courts and their administrators are at fault for this entire situation, that it is outrageous and not to be tolerated, and also why it must come to a halt and be brought to a halt by those responsible for administration of these entities. Any jurist who values his or her “law license” issued by an international banking cartel being operated as a criminal syndicate more than he or she values the law deserves to be disbarred---and will be.

**9. In one of the demonstration cases you repeatedly made a great issue of whether or not the Judge was acting as a trustee or not, and at one point even offered to appoint him directly as your trustee. Why?**

I did this to determine and place on the record which “hat” he was wearing. According to Section 3 of Article XIV of the Constitution of the United States of America--- the Federal Reserve corporation dba United States of America, Inc. By-Laws ----all public employees are trustees.

**The question of trusteeship is vital.** Public employees under both “The Constitution for the United States of America” and “the Constitution of the United States of America” and all the related subsidiary “State Constitutions” are openly declared and required to act as trustees and to protect the respective National Trusts. It has been the erroneous practice of the UNITED STATES, INC. and its STATE franchises to forget about its obligations in this respect, and to concentrate entirely on the juicy federal services contracts it inherited during the bankruptcy reorganization of the United States of America, Inc.

The “Constitution of the United States” (yet another separate Constitution) under which the UNITED STATES, INC. was organized has no mention of trusteeship, but that doesn’t mean the fiduciary obligations vanished simply because a successor Trust Management Organization has tried to ignore them. It only means that judges who don’t admit to being trustees are **admittedly** operating in the foreign international jurisdiction of the IMF organization.

## Final Judgment and Civil Orders

991 This was already implied by the title block style of the header on the case, but settling the  
992 Trustee matter forced the JUDGE to give up any pretension of *in personam* jurisdiction and to  
993 reveal the actual venue of the proceedings, which he otherwise attempted to obscure.

994 Throughout that case the JUDGE took an active litigant's stance and practiced law—liberally---  
995 from the bench, flagrantly acting in support of the bank's attorney. Several times during the  
996 proceedings the Judge was observed smiling, winking, and nodding to her. Although we entered  
997 Special Appearance throughout and demanded proof of jurisdiction from the outset--and even  
998 though the bank's attorney is required to prove jurisdiction beyond reasonable doubt by canon of  
999 law---she made no attempt to do so beyond a naked verbal assertion that the ESTATES "resided  
1000 in Alaska"---which has no meaning in a verbal context, because it is impossible to determine  
1001 which version of "Alaska" is being referenced.

1002 During the first Hearing, the JUDGE deliberately obscured the venue and jurisdiction of the  
1003 court, claiming that his authority derived from "the de jure Constitution of the State of Alaska"---  
1004 -a document that doesn't exist and **which would obligate him to act as our trustee** if it did.  
1005 Soon after making this claim, the JUDGE made an excuse to leave the courtroom and formally  
1006 change the jurisdiction of the proceedings under the pretense of getting copies of a document for  
1007 us. This only served to move the in-house corporate tribunal to Special Admiralty. Nobody  
1008 operating under judicial canon would engage in such deceitful behavior, nor would anyone  
1009 operating an honest court have reason to engage in such arcane procedure.

1010 **By process of elimination, it stands that THE SUPERIOR DISTRICT COURT FOR THE**  
1011 **STATE OF ALASKA, INC. was operating an agency-based "federal" debt collection**  
1012 **procedure process against privately owned and operated international *inter vivos* trusts**  
1013 **under the presumption that they were instead ESTATE franchises of the UNITED**  
1014 **STATES, INC. operated in arrears by federal employees.** This was all set up and maintained  
1015 in the face of open and un-rebutted objection, without jurisdiction, in the absence of any  
1016 validated claim or authority whatsoever to address us, the living principals, beneficiaries of the  
1017 ESTATES, and Priority Creditors.

1018 Part of the corruption of the courts is that they do not openly, freely, and honestly reveal the  
1019 jurisdiction they are operating in at any given time, and do not discuss the presumptions--often  
1020 far-fetched presumptions---they are operating under. In the demonstration case 3AN-126858CI  
1021 the JUDGE claimed to be operating the court under the administrative auspices of the United  
1022 States of America (Minor)'s local franchise, the State of Alaska, then used a subterfuge to change  
1023 that declared jurisdiction to international maritime jurisdiction without disclosure. This sort of  
1024 "bait and switch" artifice is inherently fraudulent and leads inevitably to self-interested and  
1025 purposeful confusion at law.

### 1026 **10. Who are you? How do you know all this?**

1027 Our families have struggled with the administration of the Holy Roman Empire—and the Global  
1028 Estate Trust---- in all its guises, for over a thousand years. There is no lie that a banker can utter  
1029 that we haven't heard a dozen times before. There is no scam that a con artist can conceive that  
1030 we haven't already dealt with.

## Final Judgment and Civil Orders

1031           **Now, it's your turn.**

1032       We are tired of reading the entire list of Primary Source Documents and reference books  
1033 included for your interest, plus hundreds more arcane documents detailing the attempts of Popes  
1034 and Kings and Presidents and Congresses to do things both wonderful and horrible. This  
1035 particular responsibility means becoming a lawyer whether you like law or not, becoming a  
1036 banker whether you can stomach banking or not, becoming a historian even if history makes you  
1037 gag, and becoming both a researcher and a journalist, because you have to keep up with the  
1038 everchanging game board that is the globe rotating under your feet.

1039       It means either being a wolf or a shepherd, because you cannot be a sheep after such an  
1040 education. Francis is the last Pope we shall serve. We've been Good Shepherds for the innocent  
1041 and helpless people of the world, but we might have been predators just as well. This is a matter  
1042 of individual choice, and it bears consequences no matter what you do.

1043       For those who have a conscience and who prefer to sleep at night and to look at themselves in  
1044 mirrors without wincing, being a Good Shepherd works best. For the one in 25 among us who  
1045 couldn't care less who they hurt, how much, or for what venal reasons, being a predator may be  
1046 the only option, because such animals (and you know who you are) see innocence as ignorance,  
1047 see weakness as opportunity, see goodness of any kind as an excuse for contempt, and purity of  
1048 any sort as an excuse to despoil it.

1049           Just be aware--- there are 24 shepherds to every wolf and 390 million increasingly  
1050 disgusted Americans poised to take out the entire Puerto Rican Navy.

1051       **11. Why did you include Pat Dougherty, the Managing Editor of The Anchorage Daily**  
1052 **News, to receive a FINAL NOTICE? He's not a politician or a public employee or a banker**  
1053 **or a judge, so it doesn't appear to make sense?**

1054           Go to The Anchorage Daily News archives and look at the first ad in the Legal Notices  
1055 Section of the October 1, 2013 edition under high magnification. Write down the words that you  
1056 actually see are printed there and compare them to the words that **appear** to be printed on that  
1057 page when you are reading this ad without the aid of a strong magnifying glass.

1058           We believe that it will be self-explanatory, and if it isn't, we have many actual copies of  
1059 all the publications of this specific Notice archived around the world for your inspection. The  
1060 actual copies published as part of The Anchorage Daily News on that date show a very peculiar  
1061 thing: the words that **appear to be** on the page aren't actually there. At high magnification, it  
1062 becomes apparent that an entirely different and diabolical message is embedded in the page.  
1063 This is another fraudulent use of microprint to void the actual lawful notice, similar to the use of  
1064 microprint on "personal" checks, replacing what appears to be merely a line for your signature  
1065 with a line of microprint that designates your signature as an "authorizing" signature, not an  
1066 issuing signature---which changes your presumed status from that of a beneficiary to that of an  
1067 employee.

1068       That ad and two similar prior ads were placed in the paper in behalf of the People of Alaska, as  
1069 Legal Notice to the politicians, judges, bankers, corporate officers, social planners and others

## Final Judgment and Civil Orders

1070 scheming to injure and defraud their neighbors in the upcoming game of national bankruptcy.  
1071 The ad ran three times, and each time, the print staff at The Anchorage Daily News corrupted it  
1072 in such a way that the perpetrators of all this fraud can technically claim that the clearly intended  
1073 Public Notice was never delivered, and that instead, the underlying distorted and diabolical  
1074 message was published instead. After all, they will argue among themselves and slap each other  
1075 on the back for such cleverness---the Sheep will never catch on, and it's the ink on the page that  
1076 counts, not the ink that seems to be on the page.

1077 Or is it? We, the Shepherds, have something to say about that---and it is merely this: fraud  
1078 vitiates everything. The intent to publish and the act of publishing the Notice stands as originally  
1079 written and **delivered by the Post Office**.

1080 Pat Dougherty has a commercial responsibility to provide his advertisers with good faith service,  
1081 especially those who place ads in the Legal Notices section of the newspaper. By allowing  
1082 distortion of the **actual** content of Legal Notices via the use of puerile optical illusions, he does  
1083 great disservice to everyone involved and he assists in preserving the ongoing criminality instead  
1084 of pulling an oar to straighten it out. It's true that those responsible for all this corruption and  
1085 graft have lied to the members of the Fourth Estate just as they have lied to everyone else, but an  
1086 editor bears responsibility for what appears --or fails to appear--in the Legal Notices.

1087 That's why Pat Dougherty got a NOTICE of default. The Anchorage Daily News charged for a  
1088 legal notice that was never actually published. This is certainly commercial default, and as he is  
1089 responsible for what goes on in the press room, administrative default with respect to public  
1090 obligations and functions that the newspaper holds under contract as the agency responsible for  
1091 publication of Legal Notices in Alaska.

1136 **Whenever you see names in all small letters** or when you see entities physically described,  
1137 you are talking about the Republic and the real world of living people and private property and  
1138 valid contracts. All **real assets** of the nation are held in perpetual trust by the Global Estate Trust.  
1139 The trials and tribulations of individual Trust Management Organizations are never supposed to  
1140 affect any asset held in trust. Thus, the name “nelly-jo: blanchard” is the name of a living  
1141 female. So is “Nelly-Jo **of the family** Blanchard” a valid way to designate a living female. A  
1142 US dollar is a known weight of silver refined to a stated quality. The Georgia State has known  
1143 geographical borders. But, Nelly Jo Blanchard is a foreign situs trust created and owned under  
1144 conditions of deceit and non-disclosure by agencies of the State of Georgia, a franchise of the  
1145 United States of America, Incorporated, which is owned and operated as a business by the  
1146 Federal Reserve, Inc. which is incorporated in turn under the auspices of the United States of  
1147 America (Minor). In the same way, NELLY JO BLANCHARD is a foreign (Puerto Rican)  
1148 ESTATE Trust --- a Roman Inferior Trust--- created, owned, and operated under conditions of  
1149 deceit and non-disclosure by the International Monetary Fund (IMF) which is an agency of the  
1150 UNITED NATIONS, INC. operating under the auspices of the United Nations, an independent,  
1151 international city-state.

## Final Judgment and Civil Orders

1152 **When you see names styled in Upper and Lower Case**, you are talking about incorporated  
1153 entities known as “legal fiction entities” spawned by the United States of America (Minor) or one  
1154 of its corporate municipal franchises, such as the State of Alaska, which exist only on paper, are  
1155 subject to their charter, and enjoy certain immoral advantages in commerce. Nelly Jo Blanchard  
1156 is the Name of a *foreign situs* trust created by agents of the United States of America,  
1157 Incorporated, to function as a “commercial vessel” and to act as a surety for their own corporate  
1158 debts----without the knowledge or consent of the similarly named living American. “Nelly Jo  
1159 Blanchard” --- is a *foreign situs* trust claimed and owned as chattel by the Federal Reserve Banks  
1160 doing business as the United States of America, Incorporated. **These entities are in fact**  
1161 **abusing the legal conventions which apply to naming corporate entities and making a *de***  
1162 ***facto* false claim by using a small “t” in describing themselves as “the United States of**  
1163 **America” and doing so by claiming to represent BOTH the 50 states and the 7 insular**  
1164 **states. This adds to the confusion as to who is who and what is what.**

1165 **When you see NAMES styled in all UPPER CASE letters**, you are talking about additional  
1166 incorporated entities spawned by the UNITED STATES, a regional subsidiary of the UNITED  
1167 NATIONS, chartered in Puerto Rico, operated as franchises, agencies and subsidiaries,  
1168 functioning as secondary creditors in commerce and commercial vessels owned and operated by  
1169 the International Monetary Fund. “NELLY JO BLANCHARD” is a Roman Inferior Trust (also  
1170 known as a Cestui Que Vie Trust) operated out of Puerto Rico by the IMF doing business as the  
1171 UNITED STATES, INC. and all under the auspices of the UNITED NATIONS, INC. which is  
1172 in turn organized under the authority of the United Nations acting as a separate independent and  
1173 international city-state.

1174 The next stage of this endless fraud is beginning now, with conversion of the IMF owned and  
1175 operated ESTATE trusts into transmitting utilities owned and operated by a new UN subsidiary  
1176 calling itself the FEDERAL RESERVE. This entity is creating yet another bunch of legal fiction  
1177 entities under names styled in this form: “JOHN Q. PUBLIC” and all named after living  
1178 Americans.

1179 This entire con game is based on non-disclosure and semantic deceptions and is a form of  
1180 sophisticated identity theft carried out via abuse of the rights of usufruct exercised by Trust  
1181 Management Organizations acting in Breach of Trust ---**and all done by organizations which**  
1182 **owe the victims absolute fiduciary accountability.**

1183 **13. Do you mean that when I get a tax notice from the IRS addressed to my NAME, it isn’t**  
1184 **actually addressed to me?**

1185 Precisely. It is addressed to a Puerto Rican ESTATE Trust and you are presumed to be a federal  
1186 official---specifically, a federal contracting officer known as a “Withholding Agent” working for  
1187 the government of the United States of America (Minor) who is responsible for administering  
1188 this ESTATE as a civil executor. Every time you sign a 1040 or a 1065 or other federal tax  
1189 document claiming to be a Withholding Agent, you obligate yourself to act as a “US citizen”  
1190 subject to every jot of Federal Code, including the 120,000-plus pages of gobbledygook known  
1191 as the Internal Revenue Code, plus whatever whims the US Congress may have next week.

## Final Judgment and Civil Orders

1192 Withholding Agents are responsible for collecting and withholding taxes on revenues imported to  
1193 Puerto Rico.

1194 The perpetrators tax you for the privilege of donating your money to a Puerto Rican ESTATE  
1195 Trust operated under your name by the IMF---which you do every time you deposit money in an  
1196 account belonging to YOUR NAME IN CAPITAL LETTERS and thereby “voluntarily” convert  
1197 your own private property into corporate income and also accrue the import tax due for importing  
1198 revenue to a Puerto Rican Trust.

1199 They operate a monopoly on legal tender such that you have no valid means to pay a debt, then  
1200 prevent you from discharging any debt --- **which is the only remedy they provided to justify**  
1201 **their monopoly on legal tender** ---and then they tax you for the privilege of donating the  
1202 I.O.U.’s they foisted off on you in the first place to a Puerto Rican ESTATE trust operated in  
1203 your name.

1204 **Next, if you let them get away with it, the new FEDERAL RESERVE will subtly change**  
1205 **the NAME on “your” ESTATE account, changing it to this form: JOHN Q.**  
1206 **PUBLIC, which is a transmitting utility – yet another legal fiction entity created out of thin**  
1207 **air-and operated under a “similar name” ----and they will happily make false claims of**  
1208 **debt and ownership against this entity, too.**

1209 All the gold that the United States of America, Incorporated, stole from your grandparents in the  
1210 1930’s will now be used to issue a “new currency” backed with gold and silver----gold and silver  
1211 they seized under force of arms from your families to begin with and never paid back--- **and the**  
1212 **new “US Treasury Notes”, like the “Federal Reserve Notes” will still be mere I.O.U.’s that**  
1213 **further indebt you every time you use them to “pay” a debt.**

1214

### 1215 **14. What is the bottom line of all this?**

1216 There is either a contract between the governmental service providers, or there is no contract for  
1217 services in play. If there is a contract, they have to abide by it. If there isn’t a contract, nobody  
1218 is obligated to pay the providers for any service provided, and in this case, those providing the  
1219 services additionally become recognizable as foreigners without any cause to be on American  
1220 soil, therefore subject to deportation and confiscation of their assets.

1221 The only valid contract ever established between the American states and the Global  
1222 Estate Trust, is the Original Equity Contract known as The Constitution for the united States of  
1223 America. The purported changes made in 1871 and the “new” constitution published at that  
1224 time pertained only to the United States of America (Minor) and was never fully disclosed and  
1225 never properly ratified as anything wider ranging, with the result that all the changes made in  
1226 1913 and 1933 were never fully disclosed and never ratified by the states, either.

1227 The documents known as “the Constitution of the United States of America” published in 1871  
1228 and the more recent “Constitution of the United States” have no meaning outside the narrow  
1229 confines of the United States of America (Minor) and the incorporated entities that created these

## Final Judgment and Civil Orders

1230 documents. They hold no water in international commerce. They have no valid basis as  
1231 international treaties between the United States of America (Minor) and The United States of  
1232 America (Major).

1233 **The only contract binding the American states to the Global Estate Trust remains the**  
1234 **over-200 year-old Constitution for the united States of America, and that is the contract**  
1235 **that must be performed upon if any contract exists at all.**

1236 It is “one way or the other” from an international treaty and commercial contract standpoint---  
1237 either there is a contract that must be honored, or there is no contract and these freebooters need  
1238 to be removed from American shores and their false claims need to be repudiated. **This is**  
1239 **precisely the viewpoint that the Pope is obligated to take as the Trustee responsible for the**  
1240 **administration of the Global Estate Trust as a whole, and it is the stand he has taken.**

1241 In enforcing the original equity contract the Pope can call upon all the other members of the  
1242 Global Estate Trust ---over 200 countries---and he will have many willing supporters if he is  
1243 forced to take action against the present leadership of the United States of America (Minor) dba  
1244 PRESIDENT BARACK H. OBAMA and the US CONGRESS.

1245 Both Russia and China have already pledged their support to impose economic and military  
1246 sanctions if the criminal banking cartels presently operating the American government don't  
1247 back down and restore the commodity-based monetary system, agree to implement Basel III  
1248 banking protocols, stop rigging the commodity markets, and take other steps ensuring global  
1249 security and prosperity.

1250 It is in the best interests of everyone on earth outside a very narrow group of politicians, bankers,  
1251 lawyers, military officers, and corrupt churchmen to bring the present criminality to a halt, so,  
1252 one way or another, it will be done.

1253 The Pope has no choice, and neither do you.

1254 The bottom line can be summed up in one question to be answered---is there a contract or  
1255 not? If so, that contract must be honored. If not, the employees of the United States of America  
1256 (Minor) and the United Nations are out of a job and those who knowingly promoted the fraud are  
1257 to be prosecuted as criminals and deported.

### 1258 **15. What is the status of an American facing the present court system?**

1259 There are only two possibilities currently being entertained by the members of the American Bar  
1260 Association, as a result of the shakedown put in place by the Roosevelt Administration eighty  
1261 years ago following the Erie Railroad v. Thompkins case: (1) they are addressing an in-house  
1262 administrative corporate tribunal to provide information or make a claim against the United  
1263 States of America (Minor) or one of its municipal franchises or agencies per the Administrative  
1264 Procedures Act, or (2) they are facing a foreign maritime court and acting under a burden of  
1265 undisclosed false presumption---except in the very few cases where an actual maritime issue and  
1266 contract exists.

## Final Judgment and Civil Orders

1267 **Those are the only possibilities and the members of the American Bar Association fight**  
1268 **hard to ignore or weasel out of ever admitting that they are functioning in either capacity.**

1269 **There is no such thing under the current system as a State Statute.** There isn't a single valid  
1270 Enactment Clause anywhere to be seen in the volumes of "statute" published by the "State of  
1271 Alaska", nor is there any power of enactment within the Administrative Code of the STATE OF  
1272 ALASKA.

1273 Anyone properly trained in the practice of law has only to glance at these documents to know  
1274 they are private in-house publications. Unfortunately, two generations of American lawyers have  
1275 been purposefully left in ignorance as pernicious as that inflicted on the general populace.

1276 This ignorance better serves the purposes of the "Court Administrators" who are employees of  
1277 the same banks that have perpetuated the gross fraud and criminality engulfing the monetary  
1278 system, the banking system, the political system, and the government both state and federal.

1279 The perpetrators have gone so far as to openly and publically declare in the Foreign Sovereign  
1280 Immunity Act and the International Organizations Immunity Act that all state offices have been  
1281 relinquished to the UN and all state law has been released to international venues, so even by  
1282 their own admission, there is no opportunity to question these facts. It is all public record.

1283 All the administrative "law" practiced by the courts in America is Roman Civil Law  
1284 created under the auspices of the Roman Curia and transplanted as the law form chosen by the  
1285 international bankruptcy trustees to administer the bankruptcy of the United States of America,  
1286 Incorporated.

1287 All the maritime law practiced by the STATE OF ALASKA courts is "Special Admiralty"---a  
1288 gobbledygook created and adopted to allow perverse presumptions of maritime association and  
1289 contract in civil cases involving *foreign situs* trusts created by the United States of America  
1290 (Minor) that are merely **presumed to be** sureties for the debts of the bankrupt Trust Management  
1291 Organization dba United States of America, Inc. ----and all washed down with ample and  
1292 outrageous probate fraud.

1293 According to the perpetrators, the "vessel" they created, a *foreign situs* trust belonging to the  
1294 State of Alaska franchise of the bankrupt United States of America, Inc., went missing years ago.  
1295 John Quincy Adams hasn't been heard from, or so they claim, so he has been presumed dead and  
1296 his estate has been rolled over into a Puerto Rican ESTATE trust operating under the name  
1297 JOHN QUINCY ADAMS.

1298 This is venal probate fraud of the worst sort, carried out systematically against an unsuspecting  
1299 and peaceful populace of civilian inhabitants of the land, people who are owed the full protection  
1300 of their International Trustees, the Pope and HRM Elizabeth II, and the good faith and service of  
1301 their **employees** under commercial contract to provide governmental services.

1302 All the admiralty law practiced by the US DISTRICT COURT is international Law Merchant  
1303 falsely transplanted without contract or consent, usurping upon the land and used against the

## Final Judgment and Civil Orders

1304 unwitting American people with devastating effect upon them and their fraudulently constructed  
1305 ESTATES in flagrant violation of the Treaties of Westminster.

1306 There are at present **no** formal courts in America serving **living** Americans at all. The only way  
1307 a living American can appear is via Special Appearance--- a status akin to a ghost who may be  
1308 heard and seen, but without standing.

1309 To address any court in America with standing, a living American has two choices: to reclaim  
1310 controlling interest in their ESTATE according to the ancient laws governing Roman Inferior  
1311 Trusts---which throws a mighty monkey wrench into a “court system” that is not designed to ever  
1312 deal with American civil executors, or, two, to create an American *inter vivos* trust operating  
1313 under a separate legal name which is competent to address commercial issues in a public  
1314 international venue.

1315 Living Americans are owed the American Common Law, and as we’ve already seen, the  
1316 American Bar Association has acted under a fraudulent administrative order to operate **only** in  
1317 administrative and maritime (international) venues since 1938.

1318 Without overturning this administrative protocol, the courts CANNOT function lawfully in the  
1319 vast majority of cases, so they don’t function lawfully. They function as described herein as  
1320 criminal ventures, rigged gambling syndicates, operating for-profit prisons that are “guaranteed  
1321 full occupancy by contract”, and so on.

1322 **16. If the federal government is just a private, for-profit Trust Management Organization**  
1323 **providing governmental services as a corporation with a lot of “STATE” franchises, like**  
1324 **Burger King, International---what does that mean for the “STATE” legislatures?**

1325 It means that they are committing major league constructive fraud. They have no “legislative  
1326 power” outside the private affairs of their own deceptively named corporation, no valid claim to  
1327 the American national trust assets, no valid claim upon the American states, no controlling  
1328 interest in the states and certainly no controlling interest in the private assets of the American  
1329 people. They cannot even claim to represent anyone but the small percentage of those who  
1330 bothered to vote, AND, who voted for them, individually -----a matter which cannot be proven at  
1331 all with a secret ballot. **All these people claiming to “represent” others can’t prove that they**  
1332 **represent anyone at all.** At best they can round up a group of family and friends who will  
1333 swear that they voted for them in the most recent election.

1334 Grandma Grace and Uncle Henry notwithstanding, with less than 30% of the populace voting,  
1335 there is no way for the most popular politicians in Juneau or Washington, DC, to claim that they  
1336 represent a majority controlling interest of any kind.

1337 As a practical matter, every member of the current “US CONGRESS” and every member of the  
1338 STATE OF \_\_\_\_\_ LEGISLATURE is operating as an international criminal engaged in  
1339 fraud and identity theft and they are impersonating American officials----whether they know it or  
1340 not.

1341 **The Alaska State operates under the Alaska Statehood Compact.**

## Final Judgment and Civil Orders

It is **foreign** with respect to the State of Alaska and also **foreign** with respect to the STATE OF ALASKA. Those who are operating these private, for-profit corporations in violation of their corporate charters and in violation of the public trust have cause to know that they are NOT the government of the Alaska State and that they do NOT have any controlling interest in Alaska State assets.

**Note:** it is the “Alaska State Capitol Building”, not the “State of Alaska Capitol Building”. These interlopers are occupying public buildings and impersonating public officials like a flock of starlings stealing the nests of better birds, and the fact that most of them--- like most of their constituents--- are totally ignorant of this fact, does not alter it at all.

### 17. What can be done to correct this situation?

**As a first step, the American Nationals can operate their own courts.** They are not obligated to depend upon BAR accredited attorneys for anything, and would do well not to hire them except under very narrowly defined “limited” Power of Attorney to act as agents, not representatives. The original equity contract includes the creation of a Grand Jury system which is meant to operate as a Fourth Branch of government, serving to present charges against those guilty of crimes and misdemeanors against the living inhabitants of the 50 states. Qualified Grand Jurors volunteer to serve as part of a statewide or county jury pool and may investigate any allegation of criminal or civil wrong-doing which comes to their attention. Following due process, they are enabled to present either indictments (against US citizens) or present charges (against American Nationals).

As for trial juries, they may be convened by any elected county sheriff or by a U.S. marshal (note the small “m”) or elected county judge---who does not have to be a member of the Bar Association. The U.S. marshals are under contract to protect the U.S. Mail and are the only “federal” law enforcement officers commissioned to act as constitutional officers. They have free egress on the land of the 50 states United when engaged in the performance of their duties. All other similarly named offices operated as “US Marshals” or “US MARSHALS” are private and non-constitutional agency positions that enjoy no special status or granted access on the land of the 50 states United, similar to NSA, BATF, IRS, FBI, and DEA officers. In a few remaining locations, notably in Alaska, there are as yet no fully functioning counties and the U.S. marshals, Provost marshals, civil postmasters and notary publics serve as the constitutional officers.

All US Marshals and US MARSHALS can be “invoked” to occupy the constitutional office of U.S. marshal by explicitly addressing them in this capacity and requesting them to function in that office. A similar situation exists when requesting service from a notary public, postmaster, or provost marshal. The same individual can be called upon to function in both public and private offices, and are required to do so, though they are seldom fully advised or trained in their responsibilities as constitutional officers.

American Nationals can also demand that all persons elected to public office fill those offices immediately, under oath, in **unincorporated** capacity, and function in that capacity **exclusively**

## Final Judgment and Civil Orders

for the duration of their term in office. This requires them to accept full commercial liability for their actions and to function with full fiduciary obligation to the people of the state. They can then no longer play the game of “Which hat am I wearing now?” and function in conflict of interest, plundering the assets of the organic state and the living people for private banking and other corporate interests while claiming to “represent” those same states and people.

Americans can also operate their unincorporated state legislatures to enforce and update the actual Constitution for the united States of America by a process of ratified amendment undertaken by properly informed and seated **unincorporated** state legislatures and a national referendum of the **unincorporated** Body Politic composed of living people---bearing in mind that **this document has not been altered since December of 1865**----or, we can negotiate a totally new contract with the Global Estate Trust, but given the present state of general ignorance, that would hardly be advised.

Those who are nominally occupying public office need to act with propriety for now and limit their actions to those appropriate for **employees** of the Alaska State and the Alaskan People. Those who are members of the Alaska Bar Association need to demand immediate, drastic, and unequivocal administrative change----or tear up their BAR Cards and start their own club operating real American Courts under real American Common Law.

**18. This whole situation makes me feel terrified and out of control. Why are you so cool and calm?**

The Pope is determined to do the right thing and he is doing it, despite wild accusations, despite false claims, despite a very vile propaganda campaign launched against him personally and against the Roman Catholic Church by globalist bank operatives. With more than a billion members worldwide, the Church is one of the largest Body Politics on earth and its membership cuts across all racial and national boundaries. There are also more than two billion people with a direct interest in correcting this situation, including the entire combined populations of North and South America, Canada, Australia, Japan, and most of Europe. The Americans aren’t in this stew pot alone. What happens to us happens to everyone else caught in the same system. That includes the perpetrators and their home bases--globally. The reckoning is coming too fast for them to move their operations far enough. The globe has become too small.

Under international law, however, Americans are unique in that the entire civil government is vested in each and every living man and woman born on American soil. Americans, quite literally, are sovereigns on the land. The lowliest file clerk in America has more **civil** authority than the entire federal government, so there is no lack of civil government in America and never has been.

Any claim that the civil government has not operated since 1865 due to the fact that a properly seated and functioning congress has not acted since then is immediately rendered null and void by the simple fact that sovereigns upon the land are **not obligated** to convene a congress or any other legislative body. We can do what we like, but we must now recognize that our own failure to operate our own civil government has created a vacuum of power that unscrupulous men have sought to take advantage of. The counties, the basic building blocks of the American civil

## Final Judgment and Civil Orders

1421 government, must be rebuilt and redirected to function properly at a grassroots level. Usurpation  
1422 onto the land by “boroughs” and “municipalities” existing under “federal” charters---that is,  
1423 under the auspices of the United States of America (Minor) or the United Nations City State---  
1424 which are **foreign nations creating unauthorized settlements on our land**--- must be stopped  
1425 and the existing charters of municipalities like DETROIT must be voided as criminal personage  
1426 carried out by foreign powers against the state of Michigan and its people.

1427 Some individual states have given these freebooters asylum, including the states of Virginia,  
1428 Maryland, Delaware, and New York. By so doing, they have allowed foreign nations to take root  
1429 and operate on our shores to the detriment of all Americans. The states of Delaware, Maryland,  
1430 and Missouri have all knowingly allowed the proliferation of foreign corporations using names  
1431 overtly designed to mimick and be confused with The United States of America (Major), other  
1432 states, federal and state agencies, and a plethora of other entities. In so doing, they have helped  
1433 promote and promulgate this entire fraud scheme. Their state legislatures are culpable and  
1434 answerable to the other states with which they are joined in perpetual union.

1435 Americans are blessed in that they have been taught the Great Laws of the Bible. They know the  
1436 essence of justice, so they are competent to self-govern. The premise of American Common Law  
1437 is simple enough for a child to understand: **do no harm**, and when and if you do harm someone,  
1438 make up for it. American Common Law is also simple in this respect--- if there’s no real, actual  
1439 victim, either a dead body or a living man, there is no crime.

1440 There are no victimless crimes under American Common Law, and the lack of a real, living  
1441 injured party bringing complaint is the absolute, drop-dead proof that the entire court system is  
1442 being purposefully and self-interestedly mis-administered in foreign jurisdictions generally  
1443 having nothing whatsoever to do with American Nationals or their property interests.

1444 All American Nationals being improperly addressed by one of these foreign admiralty courts  
1445 should ask five questions: (1) Where is the alleged **maritime** contract? (There isn’t even a whiff  
1446 of sea air in 99.9% of all the cases before these courts, and they have no jurisdiction extending  
1447 more than a mile inland.) (2) Who or what is being addressed as the DEFENDANT? (Nail them  
1448 down---Is this a trust? It can’t be a living man because the name is in all capital letters. So....is  
1449 the DEFENDANT a transmitting utility? A cooperative? Who is it owned by? ) (3) Is this court  
1450 a constitutional entity, and if so, is it organized under Article 3 or Article 5? (Neither, but it has  
1451 to be under one of the two, if it is an American Court. Most “JUDGES” will vacate at this point.)  
1452 (4) Where is and what or who is the Injured Party named as PLAINTIFF? (Again, it’s not a  
1453 living man or woman, so what is it? Who owns it? Who is responsible for it?) and (5) What  
1454 jurisdiction or authority does this court or its officers have to address fraudulent claims to my  
1455 attention? (If the documents were mailed, they committed mail fraud. If they were hand  
1456 delivered, they trespassed on private property.)

1457 The over 80 million regulations and statutes and codes that the incorporated Trust Management  
1458 Organizations have created for themselves and their employees and their “citizens” don’t apply  
1459 to Americans. So under what authority do these cretins continue to assert that they do?

## Final Judgment and Civil Orders

1460 As for the claim that is sometimes made that Americans fell under the “exclusive legislative”  
1461 control of the United States of America (Minor) via its establishment of “state” franchises, it is  
1462 clear that all it accomplished was attempted identity theft. The same goes for any claim made by  
1463 the United Nations. It is also clear that all claims of “war powers” and “national emergency”  
1464 apply only to the United States of America (Minor) and that no such powers and emergencies  
1465 have ever existed within or been declared by The United States of America (Major).

1466 The bankers at the bottom of all this criminality can, potentially, cause destruction and havoc,  
1467 but in the end they will lose along with everyone else if they do, and let’s face it, they have more  
1468 to lose. Even the arms dealers and Mafiosi and drug lords can ill-afford to lose their American  
1469 Hemisphere real estate and American investments and American bases of operation. The bad  
1470 guys are in a position where they can only shoot themselves in the foot.

1471 They either allow an orderly return to American self-government under American law and an  
1472 American Dollar that is a real dollar, or they can try to find a nice new home in Iran or a  
1473 similarly non-aligned nation. Their flight to “UN protection” will not ultimately help them, and  
1474 that has already been decided by the Pope and the Global Estate Trustees.

1475 As for any claims based on a theoretical military coup and attempts to define the presence of the  
1476 US Army on American soil as a “foreign occupation” by the United States of America (Minor),  
1477 there are numerous reasons why such claims do not stand up in the international community.  
1478 First, then-President Andrew Jackson made three public declarations officially ending the Civil  
1479 War. Second, even if it is under the direction of the President of the United States when it comes  
1480 to defending The United States of America (Major), the US Army is paid for its services and  
1481 under contract. Any action undertaken by the US Army against American Nationals on the land  
1482 of the 50 states United would be a blatant commercial crime, and the United Nations could ill  
1483 afford a reputation for allowing, aiding, or abetting that.

1484 Finally, the perpetrators of this scheme are well aware that in some senses “Hell” is very real.  
1485 The Pope’s recent admonishment of the Italian Mafiosi is not devoid of meaning for them, and  
1486 the messages going out worldwide to the administrators of the Crown Temple have similar  
1487 content-specific meaning for the recipients.

1488 So, all things taken together, that’s why we are so cool and calm---as stated in the FINAL  
1489 NOTICE all these issues, claims, and considerations have already been deliberated upon and  
1490 decided at the very highest levels of international governance.

1491 **19. All these “legislatures” and public officials have been using public resources and**  
1492 **buildings and everything else to benefit their own private for-profit corporations for**  
1493 **DECADES---for example, they’ve sold off billions of dollars worth of Alaska’s oil for**  
1494 **pennies on the dollar to their cronies in the oil companies, siphoned off billions into slush**  
1495 **funds they haven’t accounted for, all by impersonating American public officials and**  
1496 **merely asserting a controlling interest in the assets of the organic states.....that’s what**  
1497 **you’re telling me?**

1498 Yes.

## Final Judgment and Civil Orders

1499 In 1946 the “federal government”----which you now know is simply a private, for profit, mostly  
1500 foreign-owned corporation under contract to provide governmental services---adopted a crooked  
1501 bookkeeping system and the “US CONGRESS” gratuitously declared it to be legal for the  
1502 government, even though it was recognized as being illegal for everyone else.

1503 They basically borrowed the “double entry bookkeeping system” from Fast Eddie O’Hara, who  
1504 was Al Capone’s bookkeeper. The IRS learned it from Eddie when they prosecuted Capone back  
1505 in the 1920’s. Getting rid of this system has been the principle driving force behind all the Basel  
1506 I, II, and III banking reforms.

1507 The essence of the crooked government accounting is in keeping two sets of books, use of  
1508 undisclosed “off book” escrow accounts, undeclared income accounts, and “future time  
1509 encumbrances”. They have also failed to transparently report their “public investments” to the  
1510 public.

1511 To use an example from Alaska--- the STATE OF ALASKA splits its income streams into  
1512 “budgeted” and “non-budgeted” income. The GOVERNOR decides how much he wants to give  
1513 out as a budget and the LEGISLATURE argues over this little bone and keeps the crowds  
1514 entertained for the rest of the session. **This sideshow keeps attention focused only on the**  
1515 **budgeted amount.** Meanwhile, the far greater share of the income and investment is being  
1516 “passed through” to investment accounts and escrow accounts and subsidiary accounts belonging  
1517 to technically separate agencies.

1518 Once a year the STATE OF ALASKA produces a financial report called the  
1519 COMPREHENSIVE ANNUAL FINANCIAL REPORT --- the CAFR. This is far from a true  
1520 “comprehensive” financial report, in that it passes off responsibility for including the detailed  
1521 data from all the ANNUAL FINANCIAL REPORTS of entities like the ALASKA MENTAL  
1522 HEALTH TRUST and the ALASKA HOUSING FINANCE CORPORATION and the  
1523 UNIVERSITY OF ALASKA and so on, but it does reveal some very startling things and it  
1524 provides the basis to dig out the truth about STATE OF ALASKA finances.

1525 The last time this sort of analysis was done was in the 1990’s and it was only a “big strokes”  
1526 research project. It did not get down to the fine detail level, nor did it exhaustively investigate  
1527 myriad subsidiary ANNUAL FINANCIAL REPORTS, only the three largest ones at that time.  
1528 The STATE OF ALASKA had over \$3 trillion dollars in unreported “non-budgeted” income,  
1529 interest, investments from prior years, other investment income, program fees, and monetized  
1530 assets standing on the books. Only the COMMISSIONER OF REVENUE, LINDSEY  
1531 GOLDBERG, THE GOVERNOR’S OFFICE, and senior bureaucrats at LEGISLATIVE  
1532 BUDGET AND AUDIT would have an accurate guess how much it has ratted away now.

1533 This is typical of the way these corporations work. They keep people distracted by focusing  
1534 public attention on the pennies in one pocket while they are stealing the gold bars from the other  
1535 pocket.

1536 As an example of the corporate conflict of interest----the leadership of the “STATE OF  
1537 ALASKA LEGISLATURE” and various other corporate players have been happily colluding to

## Final Judgment and Civil Orders

1538 squeeze-play the Alaskan people out of the benefit of their natural gas resources. The STATE  
1539 OF ALASKA has long owned via investment a very large interest in ENSTAR NATURAL GAS  
1540 and has a vested interest in maintaining ENSTAR's monopoly as the only viable gas supply  
1541 utility in Alaska. So, as a self-interested private corporation, the STATE OF ALASKA is  
1542 determined to keep the price of natural gas and propane in Alaska unnaturally high, to help  
1543 maintain ENSTAR'S monopoly on in-state gas energy supplies, and to prevent any large scale  
1544 development of Alaska's gas resources that would encourage competition for ENSTAR. It also  
1545 has a vested self-interest in wrangling pipeline construction contracts for ENSTAR.

1546 This is an especially choice investment for the STATE OF ALASKA because public utilities are  
1547 regulated and thereby **guaranteed** a 12% above cost profit, no matter what the costs of a project  
1548 may be. All the cost in such a venture gets passed onto the consumers, and the perpetrators get a  
1549 12% profit **no matter what**.

1550 The STATE OF ALASKA corporate leadership is willing to consider a wildly expensive small  
1551 or medium diameter gas pipeline that guarantees extremely high consumer gas prices in Alaska  
1552 for decades to come---because that option (1) guarantees ENSTAR's monopoly for decades to  
1553 come, (2) guarantees top prices for propane delivered in-state for decades to come, and (3)  
1554 guarantees a 12% **above cost** profit for ENSTAR---and the STATE OF ALASKA **no matter**  
1555 **what the costs of construction are**---for every mile of pipe the company lays.

1556 This situation neatly demonstrates the conflict of interest which exists all across the board when  
1557 private for-profit corporations are allowed to assume a controlling interest in public assets.

1558 They have a built-in and constant temptation to operate in favor of their own bottom line at the  
1559 expense of the organic states and the people they are obligated by fiduciary trust to serve.

1560 This gas development plan to construct a small or medium diameter gas pipeline is perfectly  
1561 desirable from the standpoint of the STATE OF ALASKA'S bottom line, but it betrays and  
1562 victimizes the actual beneficiaries of the Alaska Trust, the ones who should be benefited first and  
1563 most of all by Alaska's resources.

1564 This calculated breach of public trust for private profit is on top of the theft of identity and credit  
1565 that has already been described, and it goes on in every STATE franchise, not just the STATE  
1566 OF ALASKA.

1567 The take home message to members of the STATE OF ALASKA LEGISLATURE is that the  
1568 organization is already in gross violation of its charter, in violation of the public trust, acting in  
1569 breach of trust, engaging in felony fraud, acting with gross fiduciary malfeasance, and cannot  
1570 make up for the past. Billions upon billions of dollars have been stolen and wasted, misdirected,  
1571 poorly invested for petty, selfish reasons, and siphoned off by the STATE OF ALASKA.

1572 A new dialogue must begin, and in the meantime, those occupying corporate offices need to be  
1573 very mindful of the limitations, temptations, and actual nature of their elected office within a  
1574 private corporation under contract to provide stipulated governmental services. They must also  
1575 be aware that they have no valid controlling interest in the assets of the Alaska State and that  
1576 they have failed to perform according to the Alaska Statehood Compact, which potentially voids

## Final Judgment and Civil Orders

1577 all contract for all services and all contracts which the STATE OF ALASKA has or has entered  
1578 into since 1959.

1579 As an example of the same phenomenon at the national level, the “US Congress” recently passed  
1580 the Dodd-Frank Act, gratuitously granting itself the right to confiscate money deposited in bank  
1581 accounts properly belonging to American Nationals. Unknown to those Americans, the banks  
1582 have secretly practiced unlawful conversion against them and what they think of as their bank  
1583 accounts have all been established instead in the name of Puerto Rican Estate Trusts that are  
1584 under the control of the United States of America (Minor). Poor old John-Quincy Adams has been  
1585 “donating” all his credit accruals in the form of his checking and savings and demand deposits  
1586 and mortgage escrow holdings and everything else to benefit John Quincy Adams, and that long-  
1587 lost beneficiary’s Estate has been rolled over into an ESTATE trust doing business under “his”  
1588 NAME---- JOHN QUINCY ADAMS, which actually owns and controls all the bank accounts.

1589 Don’t worry if you get dizzy trying to follow all the semantic deceit. It’s all fraud, top to bottom  
1590 and front to back, null and void, unlawful, illegal, and criminal without excuse. The point is that  
1591 Senators Dodd and Frank thought it was perfectly all right to bilk the American people out of  
1592 their life savings and retirement accounts ----and they did this while overtly claiming to  
1593 “represent” the victims and their estates.

1594 The men and women sitting as officers of both the United States of America, Inc. and the  
1595 UNITED STATES, INC. feel secure committing these and other heinous commercial crimes  
1596 against Americans, because technically, they are not Americans anymore. Once they took their  
1597 oath of office, they came under the protection of the United States of America (Minor) and the  
1598 United Nations and they claimed “immunity” for all their acts.

1599 Unfortunately for them, fraud is a crime on an international basis, and any incorporated entity,  
1600 whether it purports itself to be a nation, a state, or the local D.Q. franchise, is subject to  
1601 dissolution for violation of its charter and for actions identifying it as a criminal syndicate.  
1602 Likewise, the officers of a criminal syndicate are readily exposed without the benefit of any  
1603 corporate veil or diplomatic immunity.

1604

1605 **20. You have put your own private assets at risk to pursue justice and correction of all**  
1606 **these circumstances. You stated in the FINAL NOTICE that THE SUPERIOR COURT**  
1607 **FOR THE STATE OF ALASKA owes you “reparations” and damages in the amount of**  
1608 **\$1,600,000.00 and that the STATE OF ALASKA stands subject to dissolution as a result.**  
1609 **How is all this possible? Wasn’t the property foreclosed for not paying a commercial**  
1610 **mortgage?**

1611 Fraud vitiates everything and it makes no difference who the fraudsters are, or, in this case, who  
1612 they pretend to be. There are no “courts” in America having any valid jurisdiction over us or our  
1613 private property, including the **private** trusts recorded as the actual owners of the property in  
1614 question.

## Final Judgment and Civil Orders

1615 The reparations result from damage done to us and our estate by the United States of America  
1616 (Minor) and its franchises operated as “States” and the damage claim further results from the  
1617 STATE OF ALASKA’s failure to monitor and control the operations of THE SUPERIOR  
1618 DISTRICT COURT FOR THE STATE OF ALASKA.

1619 Technically, under the Law of the Sea, we could claim 800 times the loss as damages, but that  
1620 represents precisely the kind of cut-throat and unreasonable piracy we seek to end. The actual  
1621 material damage to our joint estate trust is currently and fairly estimated at \$1,600,000.00 USD  
1622 and that reasonable and limited amount is what we have claimed.

1623 THE SUPERIOR COURT FOR THE STATE OF ALASKA is a private, for-profit,  
1624 nongovernmental entity operated by the ALASKA COURT SYSTEM, INC. which is operated  
1625 by the FEDERAL RESERVE. As described earlier, the CLERK set up a docket number and  
1626 penal bonds and “deposited” the case as a security in the DALLAS FEDERAL RESERVE  
1627 BANK. JUDGE PAUL OLSON received the converted security making the COURT the  
1628 creditor and ruled in favor of---guess who? The COURT and the COURT’s employer, the  
1629 FEDERAL RESERVE. This is gross conflict of interest, unlawful conversion, insider trading,  
1630 etc.----but it is also fraud in name and deed.

1631 Just as the United States of America (Minor) claims to stand for **The** United States of America  
1632 (Major), THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA is deceptively  
1633 named to imply that it operates under the auspices of the STATE OF ALASKA. It does not, and  
1634 the ATTORNEY GENERAL for the STATE OF ALASKA will very quickly confirm this. THE  
1635 SUPERIOR DISTRICT COURT **FOR** THE STATE OF ALASKA is a private for-profit debt  
1636 collection agency and the only thing the “for” in its name implies is that Alaska is its  
1637 geographically defined place of operations.

1638 The STATE OF ALASKA’s failure is that it has not honored its obligation to protect the assets  
1639 of the national and state trusts. As a franchise of the UNITED STATES, INC. which inherited  
1640 the trust obligations along with the juicy service contracts that it has administered throughout the  
1641 bankruptcy reorganization of the United States of America, Inc., the STATE OF ALASKA was a  
1642 successor trustee.

1643 The STATE OF ALASKA = bankruptcy trustee of the “State of Alaska” = trustee of the Alaska  
1644 State, and as any mathematician knows, equivalencies work both ways. Although the so-called  
1645 “national bankruptcy” of the old Trust Management Organization has been settled as of July 1,  
1646 2013, it was still ongoing at the time the demonstration cases were prosecuted, and no matter  
1647 how the ATTORNEY GENERAL tries to side-step the issue, both the redeemed ESTATE trusts  
1648 and the actual title holder, an American express *inter vivos* trust, were and are owed his  
1649 protection.

1650 Our rights and private property assets are all part of the national trust and like assets held in any  
1651 trust, these assets are inviolate, **not subject to** claims that result from any bankruptcy of trustees-  
1652 --and this is true now as it was in 1933 and in 1863 and from the moment the individual organic  
1653 states proclaimed their geographic boundaries as independent nation-states.

## Final Judgment and Civil Orders

1654 Seeking to convert our private property assets into foreign corporate assets by a process of  
1655 contractual entrapment, semantic deceit, and non-disclosure is fraud, as is the hypothecation of  
1656 corporate debt against our private property assets under similar conditions of deceit and  
1657 nondisclosure, as is creation of property titles under color of law, as is sale of property and  
1658 transfer of property titles without full disclosure, as is the use of off-book demand accounts in the  
1659 administration of mortgage agreements, as is usury, as is the use of unilateral contracts, as is the  
1660 use of I.O.U's as legal tender.

1661 The STATE OF ALASKA, INC. as the local franchise of the UNITED STATES, INC. is  
1662 responsible for safe-guarding our rights and those include our private property rights which have  
1663 been grossly, knowingly, and self-interestedly violated by THE SUPERIOR DISTRICT COURT  
1664 FOR THE STATE OF ALASKA, INC. which has acted without jurisdiction and without a valid  
1665 controlling interest against declared non-combatant civilian beneficiaries and **Third Parties** to  
1666 this entire circumstance.

1667 The properties in question were **recorded** more than ten years ago with the Recorder's Office in  
1668 the name of a single private internationally held *inter vivos* trust dba "Anna M. Riezinger-von  
1669 Reitz and James C. Belcher" which was properly established in original jurisdiction many years  
1670 ago to act as a viable American commercial vessel in international commercial venues. Acting  
1671 under duress and to clear the titles, we additionally and momentarily donned the "Federal  
1672 Contracting Officer" hat that is ours as remedy for the first round of fraud and predation  
1673 unleashed by FDR and in that capacity released all "federal" liens held against the properties. By  
1674 Public Policy of the United States of America, Inc. and by the Uniform Commercial Code that  
1675 binds the UNITED STATES and its STATE OF ALASKA franchise, all mortgages financed by  
1676 any bank operated under the auspices of any "federal" or "state" corporation providing services  
1677 to us, is subject to discharge favoring the beneficiaries of the ESTATES. Those documents are  
1678 also on file with the Alaska Recorder's Office.

1679 When we presented THE SUPERIOR DISTRICT COURT FOR THE STATE OF  
1680 ALASKA with copies of the Birth Certificates of the Puerto Rican ESTATE trusts doing  
1681 business as "ANNA MARIA RIEZINGER" and "JAMES CLINTON BELCHER" and presented  
1682 ourselves as the living beneficiaries of these trusts, which are Cestui Que Vie Trusts, two things  
1683 should have happened. First, the COURT should have inquired as to our identity in behalf of the  
1684 bankruptcy trustee and required that we produce competent witnesses and supporting  
1685 documentation --which in this case we provided in the form of an Ecclesiastical Deed Poll and  
1686 affidavit entitled "Statement of Identity" autographed by living witnesses. Second, the COURT  
1687 should have recognized that we are the lawful beneficiaries and equitable title holders of the  
1688 NAMED trusts asserting a controlling interest in their assets, and the COURT should have  
1689 relinquished its merely assumed position as creditor and arbiter.

1690 When the true beneficiary of a Cestui Que Vie Trust appears in COURT ---if it is a real "court"  
1691 of any kind---it **must** collapse the trust in favor of the equitable title holder. Must. No questions  
1692 asked. **THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA failed to do**  
1693 **this and it violated international law in the process.**

## Final Judgment and Civil Orders

1694    **It also revealed its nature as nothing but a glorified debt collection agency operating under**  
1695    **conditions of open fraud and collecting moreover from innocent Third Parties under**  
1696    **conditions of armed extortion.**

1697    **The COURT's Officer, the prosecuting attorney, Michelle Boutin, hired the ALASKA**  
1698    **STATE TROOPERS to act as mercenaries and enter our posted private property under**  
1699    **armed force and threaten to evict us from our home and thereby extorted more than**  
1700    **\$100,000.00 from our private estate trust.**

1701    There is no practical difference between what the COURT did in our demonstration case and  
1702    Don Guido demanding protection money. It's the same exact racket being carried out under the  
1703    noses of the ALASKA TROOPERS who were even co-opted into providing enforcement for this,  
1704    and the FBI which was notified and informed, and the U.S. marshals, who are under contract  
1705    with the Universal Postal Union to protect us and prevent the mail fraud that was used to promote  
1706    the COURT's actions, and the STATE OF ALASKA, the local franchise of the UNITED  
1707    STATES, INC. which should have been busily protecting our interests as the known Primary  
1708    Creditors of the United States of America, Inc.

1709    We couldn't possibly owe the Federal Reserve more than the Federal Reserve already owed us,  
1710    and the STATE OF ALASKA knew that, claimed to be our local representative in the US  
1711    BANKRUPTCY proceedings----yet stood by, allowed this, and did nothing.

1712    In a very real sense, we had already paid our protection money---to the STATE OF ALASKA  
1713    and the STATE OF ALASKA failed to perform, which resulted in this egregious harm to us and  
1714    our real property assets. Instead of honoring its contract, the STATE OF ALASKA (an IMF  
1715    franchise) colluded with the ALASKA COURT SYSTEM (a FEDERAL RESERVE franchise)  
1716    to attack and bilk innocent civilian Third Parties.

1717            **To recap:** Our individual estates were claimed by the United States of America, Inc.  
1718    under conditions of fraud and non-disclosure and via a process of identity theft and semantic  
1719    deceit, were entered as sureties in their corporate bankruptcy proceedings. Our estates were then  
1720    rolled into a Puerto Rican ESTATE trust operated under our NAMES by the US Bankruptcy  
1721    Trustee, the Secretary of the Treasury of Puerto Rico. When we presented Special Appearance  
1722    and redeemed the Birth Certificates issued to these ESTATES as Third Parties and produced  
1723    proof that we are the living beneficiaries of these ESTATE trusts, the COURT employed by the  
1724    FEDERAL RESERVE (we are their priority creditors) should have recognized our controlling  
1725    interest immediately and should have discharged all debts accrued in the interim by those merely  
1726    claiming to represent us.

1727    The entire claim of the FEDERAL RESERVE operating THE SUPERIOR DISTRICT COURT  
1728    FOR THE STATE OF ALASKA against our trust property is, as you can see from all the  
1729    foregoing, based on a series of false claims and semantic deceptions. After more than a hundred  
1730    years of fraud and false claims and layers of semantic deceptions, it is virtually impossible to  
1731    determine who actually holds title to anything in America without recourse to the Law Merchant  
1732    (modern day Uniform Commercial Code) and Law of Adverse Possession.

## Final Judgment and Civil Orders

1733 In the international jurisdiction that all these incorporated entities operate in, possession is nine-  
1734 tenths of the law, and via our private internationally held *inter vivos* trust doing business as  
1735 “Anna M. Riezinger-von Reitz and James C. Belcher” – a separate unified legally named and  
1736 copyrighted entity operated in original jurisdiction---- my husband and I have been in open,  
1737 notorious, and unopposed possession of the property described as Lots 11 and 12, Block 2, Birch  
1738 Park Subdivision in Big Lake, Alaska, for more than ten (10) years, and have undertaken all the  
1739 improvements thereon without exception. By adverse possession in international admiralty and  
1740 also according to “statute” adopted by the corporations responsible for attacking us and published  
1741 as their “law” ----the property and the assets are ours free and clear.

1742 THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA and its Officer Michelle  
1743 Boutin failed to honor its own published “law” and continued its assault against us and against  
1744 our ESTATE property.

1745 That we are separate, civilian, and Third Parties not owned as chattel by the United States of  
1746 America, Incorporated, not standing as sureties thereof, and not made debtors merely because of  
1747 fraud practiced upon us was clearly established by our actions presenting the ESTATE “Birth  
1748 Certificates” to THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA. The  
1749 Birth Certificates are monetized securities presented to the COURT for redemption by the actual  
1750 beneficiaries of these “ESTATES” and are proof that (1) the NAMES thereon are **not** the same  
1751 as the name of the trust that the property discussed in the foreclosure action is held under; (2)  
1752 that the estates of the “decedants” listed were probated improperly and under false presumptions  
1753 resulting in the improper hypothecation of debt against the ESTATES; (3) that we, living  
1754 Americans, are the actual beneficiaries of these Puerto Rican ESTATE trusts, and that we are the  
1755 equitable title holders of all the ESTATE assets, including the monthly mortgage payments that  
1756 we paid in error and which are **owed to us**; (4) the ESTATES established and monetized “in our  
1757 names” are Roman Inferior Trusts----as beneficiaries reclaiming our controlling interest in these  
1758 ESTATES, we are owed return of all assets free and clear of debt hypothecated against our assets  
1759 by any and all secondary beneficiaries----including the United States of America, Inc., including  
1760 the UNITED STATES, INC., including any and all debts of their franchises and agencies and  
1761 corporations organized under their auspices.

1762 Attack upon our private trust dba “Anna M. Riezinger-von Reitz and James C. Belcher” is an  
1763 attack against the trust property interests of American civilians who are Third Parties being  
1764 harmed and defrauded as a result of improper trust administration and claims resulting from  
1765 constructive fraud practiced by the officers of the United States of America, Inc. and the forced  
1766 imposition of “Federal Reserve Notes” as legal tender under conditions of monopoly inducement  
1767 and in breach of trust and contract.

1768 Under international law, including the international Law of the Sea, the action of THE  
1769 SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA and its officer, Michelle  
1770 Boutin, against our private trust and their pretended jurisdiction over our redeemed trust assets in  
1771 general, is both constructive fraud and a war crime for which the United States of America  
1772 (Minor) and the United Nations stand responsible.

1773 To give the non-lawyers an insight into the situation:

## Final Judgment and Civil Orders

1774 The United States of America, Inc. acting in Breach of Trust and without granted consent,  
1775 created *foreign situs* trusts which it operated under our names styled in Upper and Lower case  
1776 letters: e.g., John Quincy Adams. This corporation and its officers who were under contract to  
1777 defend our national trust and provide governmental services to our organic states then claimed  
1778 that these *foreign situs* trusts were standing as “surety” for their own private corporate debts---  
1779 circumstantially implying that individual living Americans had voluntarily agreed to stand good  
1780 for the debts of the United States of America, Inc. and that they and their property and the assets  
1781 of their organic states were all valid collateral for the debts of the privately owned and operated  
1782 United States of America, Inc.

1783 **This was done without granted authority, without disclosure, and without consent by**  
1784 **officers of a privately owned and operated corporation merely under contract to provide**  
1785 **enumerated services to the victims.**

1786 It was and is pure, self-interested fraud based on semantic deceits, and it was carried out without  
1787 disclosure as a “private” matter concerning only the United States of America, Incorporated and  
1788 its officers---not the clearly intended victims of the constructive fraud.

1789 None of the corporate officers engaging in this activity and making these absurd claims upon the  
1790 actual **employers** of the United States of America, Inc. had any granted authority to make these  
1791 representations “in behalf” of anyone, much less the people they were bound to serve.

1792 The United States of America, Inc. was entered into receivership. The Trustee of the  
1793 bankruptcy, the Secretary of the Treasury of Puerto Rico, promptly created new “public trusts”  
1794 under the NAMES of the individual living Americans, e.g., JOHN QUINCY ADAMS, within the  
1795 jurisdiction of the United States of America (Minor), and “removed” the original *foreign situs*  
1796 trusts together with their assets to Puerto Rican jurisdiction.

1797 You and everything you own have (supposedly) come under the jurisdiction of Puerto  
1798 Rico and the United States of America (Minor). The problem with this is that it has all been  
1799 accomplished on the basis of non-disclosure and fraud and fraud vitiates---that is, utterly destroys  
1800 and negates--- everything it aims to accomplish.

1801 So there is and can be no valid claim raised by any of these incorporated entities, nor by their  
1802 bill collectors, against you or your estate. As the FINAL NOTICE clearly stated, this **fact** has  
1803 already been **determined and decided** at the very highest levels of world governance and by the  
1804 Trustee of the Global Estate Trust, the Pope, who has demanded compliance from the United  
1805 States of America (Minor) and all its various corporate franchises and agencies---including the  
1806 State of Alaska and the STATE OF ALASKA and from the United Nations operating the  
1807 UNITED STATES and its franchise the STATE OF ALASKA and so on.

1808 All the fraud, all the false claims being made against American ESTATES, has to come to an  
1809 end.

1810 What remains to be done, and what has been done in the demonstration cases, is to redeem the  
1811 individual ESTATES---that is, to reclaim and restore these ESTATES and their assets to their

## Final Judgment and Civil Orders

1812 natural beneficiaries, free and clear of all encumbrances created by fraud and by mis-  
1813 administration by incompetent or criminally inclined trustees.

1814 **The proof of everything said here is evident on the face of the Birth Certificates provided**  
1815 **by the various agencies responsible for administering this massive international fraud.**

1816 The Birth Certificate documents are all securitized and monetized---bonded, in fact, and issued  
1817 on bond paper and traded on exchanges---in the NAME of Puerto Rican ESTATE trusts, as a  
1818 result of **probate** proceedings and are clearly signed by **Registrars**----officers of the various  
1819 local probate courts. These ESTATES are all Roman Inferior Trusts.

1820 What does this mean?

1821 JOHN QUINCY ADAMS (insert your NAME) is an ESTATE trust whose actual beneficiary is  
1822 “presumed dead”.

1823 You, the living man or woman, born as an American on the land of one of the organic American  
1824 states are the “missing” beneficiary, though you must hack through two layers of fraud to  
1825 establish the fact and kick the butt of the American Bar Association all the way to Puerto Rico.

1826 **You, the living man or woman, are in precisely the same situation as Robinson Crusoe**  
1827 **returning home after being away for twenty years. Robinson’s estate has been seized by**  
1828 **the courts, probated, rolled over into a Roman Inferior Estate Trust---also known as a**  
1829 **Cestui Que Vie Trust---- and handed over to his butler. The butler has had a wild time,**  
1830 **charged up Robinson’s credit cards, mortgaged his estate, invested and spent his money,**  
1831 **drunk up the wine cellar, and caused the Crusoe name to fall into disrepute. Now, at long**  
1832 **last, Robinson has returned and presented irrefutable proof of his identity and his status as**  
1833 **a living man owed the return of his property free and clear of all the debts and**  
1834 **encumbrances placed upon it as a result of misadministration, fraud, and fiduciary**  
1835 **malfeasance on the part of his (former) butler. In addition, in this case, “Robinson” is**  
1836 **owed reparations from the court for failure to immediately return his property to his**  
1837 **control and void all claims established since the improper probate of his estate, and also**  
1838 **from the corporation administering the “government” for failure to impose oversight on**  
1839 **the probate court which colluded with the butler and gave the estate assets to the butler**  
1840 **instead of the rightful heirs.**

1841 That’s where you are now, if you are an American born on the land of one of the organic states  
1842 of the Union---and it is all the result of breach of trust, gross fiduciary malfeasance, unlawful  
1843 conversion, semantic deceit and non-disclosure---and other criminal activities undertaken by two  
1844 foreign corporations merely hired under commercial contract to protect you and your assets and  
1845 to provide nineteen enumerated governmental services. It has been further exacerbated by  
1846 ignorant and corrupt state legislators who have colluded with the erring federal government  
1847 officials.

1848 The FEDERAL RESERVE operating as a “new” corporation formed under the auspices of the  
1849 United Nations (which is a separate international city-state), is pretending that it owns you as a  
1850 slave and owns your ESTATE assets, too. It is pretending that it, not we, have controlling

## Final Judgment and Civil Orders

1851 interest in our ESTATE assets, and even though its claims are clearly rebutted and disproven as a  
1852 self-serving fiction, it is continuing to prosecute marine salvage liens under “Special Admiralty”  
1853 rules created by these perpetrators to expedite this fraud against Americans.

1854 This unlawful prosecution is continuing even though we have presented the “certificates” issued  
1855 by the probate court to form our “ESTATES” under the false presumption of our death and by  
1856 presenting these to the COURT and properly identifying ourselves, we have in fact “redeemed”  
1857 our ESTATES and placed them back in their original jurisdiction and under our private control.

1858 We have objected to the fraud and to the strong-arm extortion that the FEDERAL RESERVE  
1859 and its agencies dba the ALASKA COURT SYSTEM, INC. and THE SUPERIOR DISTRICT  
1860 COURT FOR THE STATE OF ALASKA have engaged in against us, and we are holding the  
1861 STATE OF ALASKA as the local franchise of the UNITED STATES, INC. ---the Trustee---  
1862 responsible for failing to take action in our behalf and failure to exercise administrative control  
1863 over corporations that have been formed under UNITED STATES auspices and which are  
1864 operating in a criminal fashion against the peaceful inhabitants of the land.

1865 **There either is or is not a contract.**

1866 These corporations are operating in violation of their charters and are subject to dissolution as  
1867 criminal enterprises. We have demanded immediate correction and to date, they have not self-  
1868 corrected nor has the STATE OF ALASKA taken the necessary action as the local franchise  
1869 operator to impose correction. The GOVERNOR and ATTORNEY GENERAL are culpable in  
1870 the extreme for this circumstance and also responsible for the continuing false arrest of Alaskans  
1871 James L. Jensen, Jr. and Robin L. Jensen.

1872 In their most recent and audacious move yet, THE SUPERIOR COURT FOR THE  
1873 STATE OF ALASKA, yet another “COURT” separate and distinct from “THE SUPERIOR  
1874 DISTRICT COURT FOR THE STATE OF ALASKA” has “ordered” the “execution sale” of  
1875 property and assets belonging to us that are **not** mortgaged and **not** under any valid contract  
1876 whatsoever with **any** entity created by, belonging to, or administered by these charlatans or the  
1877 banks that operate them, properties which have already been formally released from any “federal  
1878 lien” whatsoever. They and their officer, Michelle Boutin, have advertised a “JUDICIAL  
1879 FORECLOSURE SALE” in the absence of any “judicial” power whatsoever.

1880 Every member of the law enforcement agencies and the military commanders are on Notice of  
1881 this circumstance, from the Provost Marshals to the U.S.marshals Office, to the FBI to the  
1882 Alaska State Troopers. So is Interpol. And so is the Pope.

1883 **The same exact circumstances and conditions apply to the misadministration of the**  
1884 **ESTATES of 390 million Americans, and it must be resolved in their favor.**

1885 Meanwhile it is important for everyone involved to understand that the “government” is just  
1886 another corporation under contract to provide specified services for hire, that this problem is not  
1887 limited to America, and that the real civil government resides in the individual living Americans  
1888 who have **unlimited civil power** on the land of the organic states.

## Final Judgment and Civil Orders

1889    **All of the crimes, frauds, and failures described herein have taken place outside the land**  
1890 **jurisdiction of The United States of America and in “international waters” --- but it hardly**  
1891 **matters, because fraud is fraud upon the sea as upon the land, and fraud vitiates all claims**  
1892 **based upon it.**

1893    On May 28, 2014, officers of THE SUPERIOR COURT FOR THE STATE OF ALASKA are  
1894 advertising a “JUDICIAL FORECLOSURE SALE” of some of our **redeemed** ESTATE property  
1895 under the patently self-serving and continuing false presumption that we, living Americans, and  
1896 our **redeemed** ESTATES, are sureties for the debts of the United States of America, Inc. and are  
1897 responsible for the expenses of its BANKRUPTCY TRUSTEES, including their expenses to  
1898 prosecute our ESTATES under these false presumptions in the TRUSTEE’S own private  
1899 COURTS.

1900            However, this fraud has been fully recognized by the Global Estate Trust.

1901    We are the priority creditors of the bankrupt United States of America, Inc.    We are their  
1902 employers and creditors, not the employees and not the debtors in this situation.

1903    The men engaging in these acts of mis-administration are criminals who have worked a  
1904 complex, highly coercive, and multi-generational fraud scheme known as a “Reverse Trust  
1905 Scheme” against us, against every other American born on the land, and against many other  
1906 national governments as well.

1907    If the international banks and the members of the BAR Associations do not come into  
1908 compliance with the actual law and respect the property rights of Americans, Canadians, and  
1909 others who have been impacted by similar “public trust” schemes, their corporations will be  
1910 dissolved and their professional associations will be outlawed. Individual bankers and lawyers  
1911 who have knowingly and willingly participated in this fraud will be branded as criminals, their  
1912 property will be confiscated, and they will be deported from The United States of America  
1913 (Major).

1914    It’s really that simple and just a matter of time before everyone knows what has gone on here,  
1915 who did it, who is responsible for this deplorable criminality, and why.    Those responsible  
1916 would do well to take **immediate** determined action to correct.

1917    **21. Are the accompanying “Civil Orders” legitimate? Do I have to act upon them as an**  
1918 **elected, appointed, or commissioned officer?**

1919    Yes, you do. Remember that every living American born on the soil of one of the fifty states  
1920 United is literally an internationally recognized sovereign on the land of those states. In  
1921 administering our affairs and those of our organic states, our will is absolute. These Civil Orders  
1922 are issued under civil, commercial, and canon authority **without representation**. The  
1923 Constitution for the united States of America, the Treaty of Paris, the applicable Treaties of  
1924 Westminster, and the Treaty of Ghent, which establish and protect the national trust of The  
1925 United States of America (Major) and our individual estates must be honored.

## Final Judgment and Civil Orders

1926 American states operating in sovereign and original jurisdiction have issued these Civil Orders  
1927 commanding compliance from the (E)STATE trustees, administrators, and employees, requiring  
1928 their proper performance under contract. **There is no higher authority.**

1929 To reduce it to practical terms---when you accept a job, are you obligated to perform your  
1930 duties? Wouldn't you expect to be fired, if you didn't? Are you obligated to obey your actual  
1931 employer, the owner of the company? Or do you think you will fare better obeying a  
1932 middlemanager who is giving you opposing orders and merely claiming to "represent" the boss?  
1933 Do you have to perform on your contracts?

1934 We think it is obvious that you are obligated to obey your actual employers, not those who  
1935 merely claim to represent them. No amount of corruption, criminality, or fraud serves to obscure  
1936 the claim of Americans on American states and American private property.

1937 This is both a public and a private matter, and has been made so by acts of fraud and violence  
1938 perpetuated by corporations acting in violation of their charters as criminal enterprises, all of  
1939 which have been operated in maritime and admiralty jurisdictions in breach of trust.

1940 **22.** Are you telling me that changing from an unincorporated government to an incorporated  
1941 government is like an evil twin brother usurping an estate from a rightful heir?

1942 Not quite. The United States of America (Major) has no twin, but it does have a tumorlike  
1943 foreign outgrowth which has turned parasitic and which is transgressing against the Body  
1944 Politic.

1945 In commercial terms--- when people act **as** people they come together in free association and act  
1946 under full commercial liability. They are responsible and accountable for their debts and deeds.  
1947 When people form corporations to "represent" them or their interests in some capacity, and bring  
1948 these corporations together in association, what you get is a corporate conglomerate that is **not**  
1949 fully accountable for its debts and deeds because of the corporate veil. This "veil" is the same  
1950 veil that stands between life and death.

1951 Incorporated "persons"----which include commercial corporations, trusts, cooperatives, trusts,  
1952 and foundations--- are considered dead. They have no motive force of their own. They are  
1953 operated by third parties under charters granted by nations and states that have themselves all  
1954 been chartered by the Holy See. Such entities have a natural limited liability, because they are  
1955 not conscious. When such entities are formed, the intentions and purposes of their creators are  
1956 clearly stated and typically include a catch-all phrase--- "any other lawful purpose" ---to cover  
1957 additional unforeseen circumstances. All corporations are required to function lawfully and in  
1958 accord with their charters. Any violation of their charter, such as deviation from their stated  
1959 purpose or failure to perform it, any unlawful activity whatsoever, provides grounds to demand  
1960 dissolution of a corporate entity and distribution of its assets to its creditors.

1961 Because corporations are not fully liable for "their" acts, they are allowed to go bankrupt  
1962 without prejudice against their owners and operators. Only assets belonging to the corporation  
1963 are subject to bankruptcy. The privately held assets of the owners and operators are not affected.

## Final Judgment and Civil Orders

1964 Thus, when the United States of America, Incorporated, went bankrupt in 1933, its President,  
1965 Franklin Delano Roosevelt, was not bankrupted and neither were the members of the “US  
1966 Congress” running it as corporate officers. The organic states and the American people should  
1967 never have been subject to its bankruptcy, either, and wouldn’t have been, except that the  
1968 Roosevelt Administration falsely and deliberately claimed that they were “voluntary” assets  
1969 standing as surety for the debts of the United States of America, Inc.

1970 This claim was based on a “pledge” made by the Conference of Governors acting on March 6,  
1971 1933. These “Governors” ---- men operating “State” franchises of the United States of America,  
1972 Inc.---gratuitously promised the “good faith and credit of their states and the citizenry thereof”  
1973 without bothering to explicitly say which or what kind of “state” or “citizenry” they were  
1974 referring to when they made this pledge. Everyone present presumably knew that their public  
1975 office did not grant them any ability to promise resources belonging to the American states much  
1976 less the private property of the American People, but the creditors gleefully presumed that the  
1977 organic states and the American people were legitimately on the hook, extended vast amounts of  
1978 credit to the perpetrators, and began advancing false claims against the resources of the organic  
1979 states and the private property of the American People.

1980 Imagine that Burger King, International, went bankrupt, called a meeting of all the local  
1981 franchise owners, and asked them to pledge the assets **of their customers** as collateral backing  
1982 the debts of Burger King, International.

1983 That’s what happened in 1933.

1984 There’s just one real monkey wrench in this for the perpetrators and their central bank buddies.  
1985 **It’s all fraud and fraud vitiates everything it touches.** The “Governors” had no legitimate  
1986 authority to pledge even a square foot of American soil, much less pledge the private property  
1987 assets of the American People. That they purported to do this and that the self-interested bankers  
1988 and lawyers allowed them to do this, is an act of criminality that staggers the imagination.

1989 It is identity theft, impersonation of public officials, semantic deceit, unlawful conversion, and  
1990 constructive fraud carried out on a planetary basis. Not only were the American People and their  
1991 organic states cruelly victimized, so were their friends and neighbors and trading partners.  
1992 Meanwhile, the members of the “US Congress” changed hats to become members of the “US  
1993 CONGRESS”, and, glutting on the vast amounts of credit being offered to them----all based on  
1994 their patently false claim that they had granted authority to sell everything and everyone in  
1995 America as chattel and to use us and our land as surety for their private corporate debts--- they  
1996 charged up our credit cards to the hilt and left us to pay the bill.

1997 That is why the “US government” needs to be entirely reformed, the reason that every member  
1998 of “CONGRESS” and every “GOVERNOR” and every member of every “STATE  
1999 LEGISLATURE” needs to be jack-booted in the rump, the reason that the assets of all the  
2000 complicit banks need to be confiscated, the reason that the current banking institutions and their  
2001 supposed “watch dog agencies” like the SEC need to be dissolved as criminal enterprises, the  
2002 reason that all “national debt” needs to be repudiated worldwide, the reason that the Bar  
2003 Associations –worldwide--- need to be disbanded and outlawed, the reason that the “City State”

## Final Judgment and Civil Orders

2004 status of the District of Columbia and the United Nations ---both---needs to be rescinded, the  
2005 reason that the English People likewise need to rescind the “City State” status of the Inner City of  
2006 London and flush Fleet Street and the Crown Temple into the Thames..

2007 The immense power of the Pope’s Temporal Office needs to be employed to straighten out this  
2008 steaming manure pile of government “service” organizations once and for all.

2009 How are we going to accomplish this? Simple. We tell each other the truth, we forgive each  
2010 other, we liquidate the offending corporations, we prosecute those who have purposefully and  
2011 knowingly perpetuated this fraud, and we start over with a clean slate. The People of Iceland  
2012 have already done this successfully. There is no reason that the rest of the world can’t do the  
2013 same.

2014 As for the American People it is long overdue for us to dust off our laurels and walk the walk as  
2015 true world leaders, instead of allowing ourselves to be directed by thugs, and letting criminals set  
2016 up shop in our banks, courthouses, and seats of government. A housecleaning of major  
2017 proportions is long overdue, and the image of “Rosie, the Riveter” comes to mind.

2018 The perpetrators of this fraud will want to defend themselves and continue making their false  
2019 claims and continue bilking the American People. They will make all sorts of threats and  
2020 accusations and try to start trouble, maybe even try to make the American Armed Services and  
2021 other “government agencies” use force against the People of the Land. If they do so, they will  
2022 only identify themselves as criminals and make their status as criminals crystal clear for the  
2023 entire world to see.

2024 **23. There are really only 22 questions, but this one answers the dreadful unasked moral**  
2025 **question.**

2026 Pity Pope Francis, the man who has inherited this incredible convoluted and criminal mess. He  
2027 is doing his best to straighten it out, but he needs help---your help. If you are an American and  
2028 the least bit interested in your own future and the false claims being made against your property  
2029 assets and those of your organic states, it is time to take affirmative, positive, determined, and  
2030 non-violent action.

2031 Pope Francis is being attacked, viciously, by hired media and propaganda masters who are  
2032 working hard every day at the behest of the banks and the Bar Associations to vilify the Roman  
2033 Catholic Church--- which is now the primary obstacle in the way of achieving ---not a gentle,  
2034 kind, unified government for the world that respects free will and individual people as Children  
2035 of God----but a demonic version sponsored by the Crown Temple.

2036 These two organizations are rivals by design. The Roman Catholic Church worships God, the  
2037 Creator. The Crown Temple worships Lucifer, the Liar. In past ages these organizations have  
2038 engaged as necessary evils endemic to creation, each one bent on corrupting the other in an  
2039 endless cycle ---one drawing good out of evil, and the other dedicated to creating evil out of  
2040 good.

2041 This reflects the duality seen everywhere and in everyone.

## Final Judgment and Civil Orders

2042 The Church stands in bright light, in robes of white, advocating life. The Crown Temple stands  
2043 in the darkness, wears robes of black, and advocates death.

2044 It is no coincidence that the followers of Lucifer indulge in such a fantastic array of semantic  
2045 deceits, false identities, corporate personas, and lies, for they literally worship the Father of All  
2046 Lies. It is no mistake that they seize by deceit and violence and lay waste to human lives,  
2047 because they worship Satan. This is not really any secret. They have existed and endeavored to  
2048 rule over everyone else since 3760 BC. They were insane then and they are insane now. In  
2049 Babylon, their priests self-castrated and practiced every possible kind of violence and black  
2050 magic. They murdered (by burning alive) infants in the name of their goddess. All that has  
2051 changed is that in modern times cult members keep their working parts and worship a male deity  
2052 instead. They still defend mass murder of infants. They still deal in illusions---legal **fiction**  
2053 entities and fiat money. They still wear black robes.

2054 Which side will win the eternal battle?

2055 Pope Francis is standing firm for all that is right and real, for life, for love, for justice, for truth.  
2056 Those in charge of the Crown Temple are standing just as firm for evil, for death, for hatred, for  
2057 injustice, for lies. At any time, the Pope could falter and become the Anti-Christ. At any time,  
2058 the Anti-Christ could fail and be relinquished to the dustbin of history.

2059 The great dream of the Church is the Kingdom of God on earth, a peaceful kingdom built on life  
2060 and love. The great dream of the Crown Temple is to rule, period, forever, as the slave master of  
2061 others. Just as “the United States of America (Minor)” pretends to be The United States of  
2062 America (Major), the Crown Temple often pretends to be the Roman Catholic Church.  
2063 Sometimes, quite often, they succeed in planting their operatives in the Church.

2064 That’s why the Church gets branded with all the infamy and violence that results when one of  
2065 the Crown Temple members gains prominence. Crown Temple initiates brought us the  
2066 Inquisition and similar atrocities---all “in the name of” and wearing the vestments of the Roman  
2067 Catholic Church. This is why the Church has been bedecked with gold and jewels and treasures,  
2068 surrounded by Egyptian obelisks and other fertility symbols---not to reflect a love of God, but to  
2069 glorify a perverse worship of sexuality, not to adorn the Church, but to silently coerce and  
2070 implicate and tempt and deceive and enslave and provide excuse to accuse the Roman Catholic  
2071 Church of all the sins of the Crown Temple. To this day, all priests of Satan must first gain  
2072 priesthood in the Roman Catholic Church: if you are dedicated and duplicitous enough to be  
2073 ordained as a Roman Catholic priest while secretly worshiping Lucifer, you have passed your  
2074 entry level test as a Satanist.

2075 Apologists have tried to excuse the existence of the Crown Temple as a necessary evil built into  
2076 the fabric of the natural world. They postulate that without its lies and fake money and the  
2077 violence and conflict it perpetuates every day, people would have nothing to motivate them and  
2078 the world’s economy would collapse. People are livestock, they say, here merely to exist for our  
2079 profit, to be milked, shorn, and slaughtered. If people were allowed to use and enjoy the  
2080 resources that properly belong to them, they’d sit on their rumps all day and drink pina coladas

## Final Judgment and Civil Orders

2081 (like we do) and all the processes and work necessary for our comfort and profit would grind to a  
2082 halt.

2083 Others have taken the stance that continuing to tolerate the Crown Temple in our midst is like  
2084 allowing a giant colony of disease-infested rats, or a cancer, to consume the globe. The  
2085 underlying insanity of the Masters of Deceit is all too apparent to justify allowing them to  
2086 continue their rampages. They brought us both the First and Second World Wars without a  
2087 thought or backward glance. During their hegemony in America, they have kept the American  
2088 people constantly embroiled in wars for profit throughout the globe, which has caused Americans  
2089 to be hated and feared by decent and innocent people everywhere. They have done this at the  
2090 same time that they have bilked the American “taxpayers” for credit that supposedly supports  
2091 welfare recipients and foreign aid---but which is actually siphoned off to benefit the criminals  
2092 and fund their operations among us.

2093 **Less than 20% of all money supposedly appropriated for welfare payments and less than**  
2094 **2% of foreign aid ever reaches its purported destinations.**

2095 Nothing is what it seems. The courts are the criminals. The “money” is worthless debt. The  
2096 gods are the servants. The students are the teachers. Everything on earth is upside down and  
2097 reversed. Everything that you think is separate is in fact unified and everything that you think is  
2098 wrong is ultimately right.

2099 **Perhaps most important----everything that you think is secret is fully known.**

2100 Those who describe their brothers and sisters as “useless eaters” and who strive to defraud and  
2101 control and pillage and rape and murder for profit and pleasure, and also those who refuse to  
2102 forgive and refuse to provide justice-----take note----**there are no secrets.** From that enlightened  
2103 perspective, you will finally see the very real need to reform your precious Self.

2104 All those who cherish what is good in their hearts, who know their weakness, who are able to  
2105 feel love and gratitude, who yearn for justice, who sigh and moan every day for relief---all your  
2106 deeds, motives, and circumstances, even the inmost desires of your hearts are also known.

2107 So it is written that what is done in secret will be declared from the housetops, and that the truth  
2108 shall set men free.

2109 The truth will inevitably invade your mind like a virus download onto a computer. You will  
2110 realize that nobody can represent you and that “representative government” is a ridiculous lie.  
2111 You will require government to be your servant, not a ruler over you. You will know that you  
2112 belong to the land, and that the land does not belong to you. You will know that lines drawn on a  
2113 map are just lines on a map. You will see the illusions within which you have lived, and you will  
2114 realize your guilt in the same breath that you behold your victimhood.

2115 **You can be a shepherd or you can be a wolf, but you can no longer be a sheep.**

2116 The great sin for which the Americans are responsible does not digest the world in the bowels of  
2117 London, but roams on the Great Plains of America and throughout the 50 states United. It is in

## Final Judgment and Civil Orders

2118 the hearts and minds and lives of the American Indians we have attacked and defrauded,  
2119 reducing them to abject poverty and alienation via actual and cultural genocide.

2120 **The American Indians have suffered so terribly because they know and hold onto this one,**  
2121 **simple truth: we do not own land.**

2122 Nobody does.

2123 The land owns us.

2124 Like every other lie and illusion practiced by the Crown Temple, Europeans became infected  
2125 early on with the idea that men could own land, and based upon this central lie, a vast complex of  
2126 other lies has been built.

2127 The followers of the Crown Temple have created, engendered, and promoted this insanity as a  
2128 means to control others and provide endless excuses for conflict---which creates profit for  
2129 themselves at everyone else's expense. The idea of "incorporation" is similarly immoral, insane,  
2130 and destructive. Commercial corporations exist for one reason only---to escape accountability.  
2131 On this basis alone their existence should be outlawed. The Great Lie of representative  
2132 government is another chestnut created by the Crown Temple, a blatant impossibility that has  
2133 been enshrined without question for over two hundred years.

2134 When the Americans declared that all men are equal, they meant it. There is no basis for the  
2135 empowerment of one equal over another *equal*. Likewise when they declared their determination  
2136 to enjoy free speech, free travel, and other rights of Nature, there was no room left for the  
2137 egotism of rebellious public servants. Under American law and under the American government  
2138 there is no power greater than each individual. This means that we cannot be represented and  
2139 though we may transgress and may even be outlawed, we cannot be harassed, subjected, nor  
2140 demeaned as a "thing"----such as an ESTATE or a *foreign situs* trust or a transmitting utility.

2141 The Final Judgment and Civil Orders accompanying have been signed and sealed and now also  
2142 this information is being sealed under the authority of **anu:hotep** giving voice, sign, and seal,  
2143 proving that those who know the Lie also know the Truth.

- 2154 4. Treaty of King John of England, Cede to Innocent III, 1213 A.D. John agrees that  
2155 England and Ireland are both “fiefs” of Rome, and that his own crown will be forfeit to  
2156 Rome if he breaks his sworn agreements favoring the Pope.
- 2157 5. Magna Carta 1215 A.D. In signing the Magna Carta King John silently invoked the 1213  
2158 Papal agreement relinquishing his crown to the Pope. Thereafter, all lands explored and

2160 **of Rome**, were in fact first and wholly claimed in behalf of the Holy See, which returned  
2161 a portion of the profit to the vassal monarchs in the form of “jurisdictions”. The Holy See  
2162 retained the global jurisdiction of the air, granted jurisdiction of the land to temporal

22. 1818: U.S. v. Bevens, 16 U.S.336. Establishes two separate jurisdictions within the United States Of America: 1. The "federal zone" and 2. "the 50 States". 23. The Treaty of Ghent, 1814
24. Treaty of Verona, 1822, American Diplomatic Code, 1778 - 1884, vol. 2 ; Elliott, p. 179 and CONGRESSIONAL RECORD - SENATE.,64th CONGRESS, 1st SESSION, VOLUME 53, PART 7, Page 6781, 25 April 1916, in which the Higher Contracting Powers agreed to undermine the American government.
25. "Bankruptcy Law (of England)" 1826
26. "First Bank Act (America)" 1863
27. The Lieber Code also known as General Order 100, April 24, 1863, by President Abraham Lincoln as Commander in Chief, making the Union Army responsible for proper administration of the monetary system, protection of the National Trust, and fair treatment of the Southern States and their inhabitants during reconstruction. The Lieber Code requires the Army, or in modern terms, the Department of Defense, to pay reparations to all non-combatant civilians harmed. This Code has never been repealed or changed. It is the reason that we continue to have "Secretary **Generals**" and "US Postmaster **Generals**" and "Attorney **Generals**" and "Inspector **Generals**" and "Lieutenant Governors".
28. The Reform Act of 1867 (Britain) – First use of enfranchisement as a political tool to undermine legal standing of living men under Chancellor of the Exchequer, Benjamin Disraeli.
29. The Reconstruction Act of 1867 – American counterpart
30. "the Constitution of the United States of America" 1871 – established by the "US Congress" acting as Board of Directors to form the United States of America, Inc. as a Trust Management Organization to operate both the municipal government of the United States of America (Minor) and to administer and fulfill the National Trust Indenture and service contracts owed the now- 50 states known as The United States of America (Major).
31. The Act of 1871 – Formally incorporated the municipal (city state) government of the District of Columbia as a separate nation operated according to its own government and code.
32. Merriam's Estate, 36 NE 505, 506 22: "... the United States is to be regarded as a body politic and corporate. ... It is suggested that the United States is to be regarded as a domestic corporation, so far as the State of New York is concerned. We think this contention has no support in reason or authority. ... The United States is a foreign corporation in relation to a State."
33. U.S. v. Anthony 24 Fed. 829 (1873) "The term resident and citizen of the United States is distinguished from a Citizen of one of the several states, in that the former is a special class of citizen created by Congress." Though the judge fails to fully admit the circumstance, "US citizenship" was created as an excuse for the "government" to claim

- ownership of all the slaves supposedly freed by the Civil War as chattel backing Union war debts. To this day, black Americans have only "Civil Rights".
34. U.S. v. Cruikshank, 92 U.S. 542, 23 L.Ed. 588, (1875). "There is in our political system [two governments], a government of the Several [50] States, and a government of the United States. Each is distinct from the other and has citizens of its own. A person may be a citizen of the United States and of a State, and as such have different rights."
35. United States v. Germane, 99 U.S. 508 (1879), Norton v. Shelby County, 118 U.S. 425, 441, 6 S.Ct. 1121 (1866), etc., dating to Pope v. Commissioner, 138 F.2d 1006, 1009 (6th Cir. 1943); where the state is concerned, the most recent corresponding decision was State v. Pinckney, 276 N.W.2d 433,436 (Iowa 1979). All these are supporting case law establishing res judicata regarding the nature of The United States (original TMO) and a State (one of "Several States" of the Union) as first expressed in the Merriam's Estate case cited above.
36. Title 8 USC §§ 1101(a), (3), (21) and (22) and Public Law, 15 U.S. Stat., Chapter 249, pps 223-224. Under Federal Code (the internal "law" of the United States of America, Inc.) there is no such thing as dual citizenship.
37. Title 8 USC 1101 (a) (21) the birthright status of "American Nationals" is recognized. Under the statutory law of the United States of America, Inc. there is absolute distinction between "US citizens" and "American Nationals".
38. The Clearfield Doctrine and USC Title 22: When a government operates as a commercial corporation it descends to the level of all such corporations and has no special powers or attributes. It is only when acting as a properly formed unincorporated Body Politic that a government exercises sovereign power of any kind. Virtually all governments operating in the world today are for-profit corporations under contract to provide governmental services. The American "US (Major)" government hasn't operated as a sovereign entity since 1865. The US (Minor) government operates as a corporation.
39. The Insular Tariff Cases, US Supreme Court, 1900-1904 – A series of US Supreme Court cases that resulted in allowing Congress to operate "the United States of America (Minor)"----DC, Guam, Puerto Rico, et alia---as a separate and foreign nation state **without regard for the requirements imposed by** The Constitution for the united States of America (Major). From one of the cases, Downes v. Bidwell, 182 U.S. 244 (1901), we quote Justice Marshall Harlan writing in dissent: "...two national governments, one to be maintained under the Constitution, with all its restrictions, the other to be maintained by Congress outside and independently of that instrument, by exercising such powers as other nations of the earth are accustomed to...a radical and mischievous change in our system of government will result...We will, in that event, pass from the era of constitutional liberty guarded and protected by a written constitution into an era of legislative absolutism...It will be an evil day for American liberty if the theory of a government outside the supreme law of the land finds lodgment in our constitutional jurisprudence."
40. Charter of The Corporation Trust Company of America, 1907 A.D.
41. Hendrick v. Maryland S.C. Reporter's Rd. 610-625. (1914) "A "US Citizen" upon leaving the District of Columbia becomes involved in "interstate commerce", as a "resident" does not have the common-law right to travel, of a Citizen of one of the several states." This "power of the Congress" to rule over the people of the District of

Columbia and the Insular states was used as an excuse to impose Drivers Licenses on “US citizens” living outside the confines of the United States of America (Minor) and mis-applied to Citizens of The United States of America (Major)--- so-called “State Citizens” who were entrapped into contract by a process of mis-administration and legal presumption. This applies to the myriad “licenses” and “codes” that have been misapplied to the American People under undisclosed, misrepresented, and otherwise invalid private contracts.

42. The Federal Reserve Act, 1913. Allows a private for-profit banking association doing business under the purposefully deceitful name of “Federal Reserve” to commandeer the national monetary and economic systems, allowing these banks to print money and back only a small “fractional” portion of it with gold or silver. Later, they will be allowed to back the money with nothing at all but the promises of the US Congress.
43. Trading With the Enemy Act, Public Law No. 65-91 (40 Stat. L. 411) October 6, 1917, defines non-combatant American civilian Nationals and their States as “enemies” of the United States of America (Minor). This Act originally excluded citizens of the United States, but in the Act of March 9, 1933, Section 2 amended this to include "any person within the United States or any place subject to the jurisdiction thereof". This has been used as a self-serving and transparent excuse to commit fraud and violence against Americans who never recognized any such “state of war” between themselves or their States and the United States of America (Minor) and who were instead already owed full fiduciary care under commercial equity contract (The Constitution for the united States of America), reparations under the Lieber Code, and trusteeship from the Global Estate Trust.
44. The Maternity Act /The Sheppard-Towner Act, 1921, first foray into socialized medicine and “registration” of live births.
45. Minutes of the Geneva Convention(s), May 1930. Declares international bankruptcy via treaties between the G5 nations. The United States of America, Inc. was bankrupted internationally along with the Trust Management Organizations of four European nations including Great Britain, which caused a domino effect worldwide bankruptcy. Please note that the real property assets held by each national trust---- land, vegetation, animals, natural resources, etc.--- are held in **perpetual trust** and are required to be unaffected by the ups and downs of any Trust Management Organization charged as Trustees to administer business affairs in behalf of the beneficiaries, who are the living people who inhabit the land of each country and continent.
46. Amended Charter renaming the above as The Corporation Trust Company, April 15, 1930.
47. Executive Order 6073 issued on March 10, 1933, created the "bank holiday" and closed the doors of the bankrupt government chartered banks (they were bankrupted as a whole because they operated under government charter, and because of the Great Fraud committed by the Governors of the several States, **not because they were individually bankrupt**).
48. Executive Order 6102 issued on April 5, 1933, prohibited "hoarding" gold and required people to turn it (their private property) in to the Federal Reserve Banks (the creditors)

2325 sureties for the debts of the United States of America, Inc.  
2326 49. Executive Order 6111 issued on April 20, 1933, prohibited people from exporting gold.  
2327 The creditors (banks) claimed that all the gold in private hands in the Several (now 50)  
2328 States no longer belonged to the State Citizens and other Inhabitants, as a result of  
2329 having been pledged by corporate officers of the privately owned and operated United  
2330 States of America, Inc. acting as deceitfully named State “Governors” so confiscation of  
2331 privately held American gold resources was instituted under conditions of false pretense  
2332 and semantic deceit by officers of a bankrupted privately owned and operated Trust

2338 **especially 48.48.112** ---This is the commercial remedy that the perpetrators were  
2339 required to create to make their confiscation of private gold and hypothecated titles to  
2340 private land and business holdings “legal”. This remedy like the underlying surreptitious  
2341 hypothecation of debt and claims against private property made by the officers of the  
2342 United States of America, Inc. against the American Nationals was never widely  
2343 circulated or disclosed for obvious reasons. Unaware of how they’d been injured and  
2344 abused by those obligated to act as their Trustees, the inhabitants of the land were equally  
2345 unable to access this remedy, which was for the government corporation to literally  
2346 prepay all debts owed by the *foreign situs* trusts created to stand as sureties of the United  
2347 States of America, Inc. Like irresponsible teenagers promising to make the payments on  
2348 a car, the US Congress “resolved” to pay its debts in such a way that the secondaries---  
2349 the presumed co-signers on their loans, the *foreign situs* trusts they named after American  
2350 Nationals---would never default, and in theory, the living American Nationals would  
2351 never be dunned or otherwise impacted by their fraudulent semantic deceits and false  
2352 claims.  
2353

2354 In actual practice, the voucher and coupon system which should have been ubiquitously  
2355 implemented never was, and the Internal Revenue Service, the agency responsible for  
2356 both collecting taxes and dispensing credit owed individual accounts was split into two  
2357 distinct and separate entities, the Internal Revenue Service operated by the Federal  
2358 Reserve and the IRS operated by the International Monetary Fund, which colluded to  
2359 confuse and defraud the living people, billing them “as if” they owed the tax bills and  
2360 forcing them to pay the debts of the make-believe *foreign situs* trusts operated under their  
2361 names using Federal Reserve Notes, a process that not only failed to pay the debts of  
2362 these “fictional citizens” of the United States of America (Minor) but left the American  
2363 Nationals even further in debt as a result of interest and service fees and import duties  
2364 charged by the same banks.

- 2366 50. U.S. Bankruptcy Act of 1933, especially Section 101 (11)--- Declares the American

52. The Naturalization Act of 1935. More deceitful efforts to entrap American Nationals and claim that they were “US citizens” subject to the whims of the “US CONGRESS”.
53. 49 Statute 3097 Treaty Series 881 (Convention on Rights and Duties of States) December 26, 1933---enacted as a result of the bankruptcies, both national and international, by the US CONGRESS---newly redefined to operate the UNITED STATES, INC. --- replaced all the “statutory law” (Federal Code and State Statutes) with international law. That is, the bankrupted United States of America, Inc. continued in reorganization to function under Federal Code, but the UNITED STATES, INC. operated by the IMF operates under the Uniform Commercial Code and International Admiralty jurisdiction.
54. Social Security Act, 1935. Contrives under conditions of conceit and non-disclosure to register everyone applying for any job, public or private, and to conscript them under these conditions to act as unpaid “voluntary” Withholding Agents in behalf of the Puerto Rican Estate Trusts set up “in their names”.
55. U.S. Congressional Record Proceedings and Debates of the 76<sup>th</sup> Congress, Monday August 19, 1940, Third Session, Debate of Honorable Judge Thorkelson, “Steps Toward British Union, A World State, and International Strife---Part 1”.
56. Alien Registration Act, 1940 – mandated registration of the names of all living Americans to create estate trusts operating under their names in foreign maritime and admiralty jurisdictions.
57. Buck Act, 1940 ---“enfranchised” the ESTATES of American Nationals as “dual citizens” of The United States of America, and the United States of America (Minor) ---- --and their respective franchises of the UNITED STATES, INC. operated as “STATES of States” (See UCC 1-207 Definitions) allowed this “enfranchisement” to stand as an excuse for claims of ownership and controlling interest in the assets of the individual ESTATE trusts-----including the living men and women as slaves, and their private property as chattels still presumed to be “surety” for the debts of the United States of America, Inc. owed for the governmental services performed by the UNITED STATES, INC.
58. The Bretton Woods Accords, Inclusive, 1944, succeeded until 1971 in partial restoration of the Gold and Silver Standard, and as a secondary result, ceded control of all the agencies, assets, departments, logos, symbols, etc. to the UNITED NATIONS and its International Monetary Fund (IMF) agency merely doing business as the UNITED STATES. All STATE OF ALASKA offices are in fact UN corporate offices.
59. *Hooven & Allison Vs. Evatt*, 65 SCt.870, 880,321 U.S 652,89 L.Ed.12, 52 (1945) conclusively affirmed that there are two (2) distinctly different United States with TWO OPPOSITE FORMS OF GOVERNMENTS.
60. United Nations Charter, 1946. (Note, the commercial company dba UNITED NATIONS existed **prior** to the city-state being chartered as the “United Nations”).)

## Final Judgment and Civil Orders

61. Administrative Procedures Act (1946) provides statutory admission that the ESTATES of American Nationals are the priority creditors of the United States of America, Inc. and provides that American Nationals deemed to be civil executors and “federal contracting officers” administering their own ESTATES are enabled to bring administrative claims against the United States of America, Inc. assets and also against the UNITED STATES. This is where we got two court systems with differently styled names--- “The US District Court” and “THE US DISTRICT COURT” for example. This was the remedy offered to the victims of the first fraud for the **second** fraud carried out against them by the UNITED NATIONS and the US Bankruptcy Trustee, when they rolled the assets of the individual *foreign situs* trusts into Roman Inferior ESTATE trusts. Like the first remedy, this second remedy was never delivered to the people. The perpetrator banking cartels which were by now funding both the Courts and the COURTS simply ordered their employees not to recognize the identities and standing of the American Nationals, conveniently laying claim to their ESTATES without providing remedy to them for the theft of controlling interest in their assets and misappropriation of their good faith and credit.
62. MILOSZEWSKI v. SEARS ROEBUCK, 346 F.Supp. 119 (1972)(2).  
[Outside of Constitutional authority is 100% private authority – NO lawful authority. 18 USC 2381-85 Treason - Sedition.] OPINION, FOX, Chief Judge (U.S. District Court of Michigan): “A mere statement of this fact may not seem very significant; corporations, after all, are not supposed to exercise the governmental powers with which the Bill of Rights was concerned. But this has been radically changed by the emergence of the public-private state. Today private institutions do exercise governmental power; more, indeed, than 'government' itself ... . We have two governments in America, then—one under the Constitution and a much greater one not under the Constitution. In short, the inapplicability of our Bill of Rights is one of the crucial facts of American life today.”  
**In fact, American Nationals are owed the Bill of Rights as they always have been. “US citizens” are not owed the Bill of Rights.** The problem is that we have all been selfinterestedly mis-identified as “US citizens”---a crime known as “personage” carried out against us by individuals and corporations in our employment and under contract to provide governmental services.
63. Foreign Sovereign Immunity Act, 1976. This releases all “State” laws and statutes to international jurisdiction, specifically to the Uniform Commercial Code (maritime law). The corporate franchises calling themselves “States” continue to publish their own copyrighted version of the Uniform Commercial Code with addendums and label it as “Statutes” but these have no actual enabling clause.
64. Title 22 USC, Chapter 11, all public officials designated foreign agents.
65. 22 CFR 92, 12-92.31 “Foreign Relationship” requires an oath of office, and Title 8 USC 1481 states that once an oath of office is taken, **citizenship is relinquished**. As a result, when American Nationals are arbitrarily defined as “US citizens” and harassed by agents of the United States of America (Minor) and the UNITED STATES, INC. into acting as “Withholding Agents”, “Federal Contracting Agents”, or members of the Armed Forces, or as Federal Employees of any stamp, they temporarily and **for as long as they continue to act “in office”** lose the protections and benefits of their birthright citizenship. ### WHERE TO NOW?

(Slightly amended April 20, 2014)

2481 Since issuing the FINAL JUDGMENT AND CIVIL ORDERS people have asked, now what?  
2482 We are not standing in the Shoes of the Fishermen. All we can provide is an educated opinion  
2483 offered in goodwill to the American people. Here is what we would do:

2484 **As individuals:** know who you are and take action accordingly. Are you a birthright American  
2485 National? Or are you rightly considered a "US citizen"? If you are a "US citizen" is it a  
2486 permanent or temporary condition of employment?

2487 **Federal employees and members of the active duty military** are considered "US citizens"  
2488 during their employment, but they have the absolute right to quit their jobs or void their contracts  
2489 (military service) if they are required to act in any manner contrary to the Law of the Land  
2490 known as "The Constitution for the united States of America" while on the land.

2491 **All American Negroes** are similarly considered "US citizens" because the individual states did  
2492 not act to formally recognize their State Citizenship at the end of the Civil War; however, this  
2493 condition can be addressed in a number of ways. First, the United States of America (Minor) has  
2494 guaranteed "equal civil rights"----equal to the rights of American Nationals, which includes the  
2495 right to refuse any claims made by the United States of America (Minor) upon you, your persons,  
2496 or your ESTATES. Second, you can push the reorganized and lawful state legislatures to  
2497 formally recognize your equal status as Americans born on the land of the American states. That  
2498 should have been done 150 years ago, but better late than never.

## Final Judgment and Civil Orders

2499 **“Foreign” Welfare Recipients** --- Americans are considered to be “foreigners” with respect to  
2500 the United States of America (Minor) and anyone receiving welfare benefits is considered to be a  
2501 “US citizen”, however, because these programs have been funded with American credit obtained  
2502 under conditions of fraud and often have been entirely paid for by the recipients as a group (as in  
2503 the case of Social Security), some other compelling basis would have to be established before the  
2504 United States of America (Minor) could convincingly claim American welfare recipients as “US  
2505 citizens”.

2506 **Retirees** – the United States of America (Minor) will no doubt attempt to claim that American  
2507 Retirees owed Social Security Insurance coverage are “welfare recipients” receiving “benefits”  
2508 (see above). Individual retirees need to object to this “interpretation” of their status and give  
2509 notice to the Social Security Administration that it is their understanding that Social Security is  
2510 and was a retirement insurance program that they paid into and are vested in, and not in any way  
2511 welfare or benefit of any Public Charitable Trust. This is just more self-interested deceit.  
2512 American workers paid for every drop of their retirement insurance coverage and are  
2513 grandfathered in once vested, just as with any other **private** insurance program. Receipt of Social  
2514 Security payments does not provide any claim against your status as an American National. If  
2515 the Social Security Administration goes bankrupt, the United States of America (Minor) will be  
2516 charged as secondary, and so on up the food chain.

2517 **Obamacare** – is a brazen attempt to corner the market on medical insurance by the federal  
2518 corporation. Ask yourselves----does Blue Cross have any right to “tax” me or force me to buy  
2519 insurance coverage from them? If not, neither does E PLURIBUS UNUM THE UNITED  
2520 STATES OF AMERICA, Inc. Just say, “No.” You are not a “US citizen” and you are not  
2521 obligated to pay or obey.

2522 **Internal Revenue/IRS** --- recognize that these are two separate agencies, one representing the  
2523 Federal Reserve System, one representing the International Monetary Fund. They act in two  
2524 separate roles. One owes you a lot of money and is obligated to pay any and all debts your  
2525 ESTATE may owe from a credit account established using nine digits without dashes:  
2526 \*123456789” and the other is owed moderate service fees for providing public services and  
2527 operates a debt account under the same number separated by dashes: 123-45-6789. These two  
2528 agencies work together to defraud you, but you have the absolute right to act as the Civil  
2529 Executor on the Land of your own ESTATE, and once you have proven who you are, you have  
2530 every right to tell the holder of the debt (IRS) to bill the holder of the credit (Internal Revenue  
2531 Service) and to discharge any taxes, tithes, or fees owed by the ESTATE.

2532 **State Legislators** – immediately enter your **public offices**, take valid oaths to the “Alaska state”  
2533 and the “living Alaskan people” (or whatever other state, such as “illinois” and people  
2534 “Illionoians” you believe you represent), and act together as an **unincorporated** Body Politic to  
2535 demand (1) release of all land within the state’s geographically defined borders that are not  
2536 specifically granted for “federal” use under permit, such as “federal courthouses”, military bases,  
2537 arsenals, etc. that are traditionally allocated to the use of the “federal government”, (2) recognize  
2538 that the “United States senators” are still under their original obligation to the state legislatures –  
2539 they work for you and are accountable to the state, not the federal corporation, not the United

2540 States of America (Minor) and not the IMF. Demand that they account for their actions and  
2541 inactions and remove them from public office if they have failed to abide by “The Constitution  
2542 for the united States of America” and “The Alaska Statehood Compact” (just substitute the name  
2543 of your state), (3) recognize that the “US congress members” are similarly directly accountable to  
2544 the people of the state and demand that they immediately act to release all false claims against  
2545 state and private property assets that have been made via the use of legal fiction entities however  
2546 constructed, together with all false titles to land and other assets held under color of law, (4)  
2547 recognize only “state banks” operated under state control and force all “national banks” to submit  
2548 to state banking rules in order to do business in your state--- and make sure those rules are  
2549 explicit in denying the use of “off book” accounts and other practices not allowed by Basel I, II,  
2550 and III, (5) force all “courts” currently operating in your state to declare exactly who or what is  
2551 operating them, and in what jurisdiction they are operating, and for what purpose(s) they are  
2552 operating and make them openly, freely, and officially declare their nature and status so that  
2553 people are no longer hoodwinked, (6) void the charters of all municipalities and boroughs  
2554 operating in your state that have been issued under the auspices of the United States of America  
2555 (Minor) or the UNITED STATES; these entities are under foreign obligation and have been  
2556 established under conditions of fraud based on semantic deceit; so provide substitute issuance/ of  
2557 city and other government unit charters as appropriate.

2558 **Note that inhabiting an American public office requires you to act with 100% commercial**  
2559 **liability and according to The Constitution for the united States of America. As a result,**  
2560 **you wield ultimate power, but to exercise this power you must also accept ultimate**  
2561 **responsibility.** Also recognize that your acceptance of public office does not confer any special  
2562 magic power or serve to make you “more equal” than any other birthright American. All  
2563 Americans who accept the responsibility of a civil office may exercise it, because the **entire**  
2564 power of the civil government is vested in **every** American without exception.

2565 **You cannot claim any control over public assets based on your public office while operating**  
2566 **in a private capacity.** For example, you cannot sign a valid contract selling the Alaska state’s  
2567 oil resources while enjoying any limited liability whatsoever, and you cannot make any such  
2568 agreements in conflict of interest.

2569 **Governors of states ---** See above.

2570 **“US” congress members and “senators”----** Find a distinct and unequivocal name for the  
2571 United States of America (Minor) and end the semantic deceptions and crimes that have been  
2572 perpetuated as a result of this purposeful confusion at law. When you are operating the  
2573 Municipal government, or the Insular States government, either one, make it clear to everyone  
2574 everywhere that that is the capacity in which you are acting and do not allow any sloppy  
2575 interpretation of your authorities and actions to bleed over and impact American Nationals.

2576 **Judges, Lawyers, Court Clerks, Judicial Councils ---** If you’ve read the rest of this document,  
2577 it should be apparent that you are not required to be a member of the Bar Association. We  
2578 suggest tearing up your Bar and/or BAR cards and forming a state-based professional association  
2579 that accomplishes the worthy and positive functions of such an organization without the  
2580 corruption and negative elements. Nobody is prevented from practicing law in America and

## Final Judgment and Civil Orders

never has been, nor is anyone prevented from offering **lawful** service. Set up your own courts as loyal Americans, include service under American Common Law, and have at it. The Bar Associations have long functioned as “closed union shops” and in violation of Taft-Hartley. Bust them for it.

The actual 13<sup>th</sup> Amendment to The Constitution for the united States of America does NOT prevent you from serving your country or from plying your trade. It simply prevents you from serving a foreign government (that of the city state of Westminster) and accepting titles from that government as a Bar Association Member. So, purge your ranks of liars and traitors, do the right thing as Americans, and you’ll be fine. Otherwise, pack your belongings and go. You have three years as of July 1, 2013 to settle your affairs and leave, provided that you do no harm to anyone else and do not infringe upon the material interests of any American National in the meantime and do not operate as an Undeclared Foreign Agent on our soil. If you cause any such trouble, you will be immediately arrested and deported.

**Bankers** - Obviously, if you’ve been operating a “national” bank without the American nation on American soil and proposing to conscript Americans as debt slaves via the self-interested presumption that American Nationals are “US citizens”, you are in a heap of trouble, and need to quickly, quietly, and determinedly make changes to recognize the interests of the American Nationals in their own private accounts, and to admit all off-book and escrow and demand accounts the bank has held or processed for federal corporations “in the name of” American Nationals.

All fiat money systems based on “Notes” whether “Federal Reserve Notes” or “US Treasury Notes” are illegal in America, aka, The United States of America (Major) composed of 50 organic states, and you are under complete demand to provide legal tender based on gold and silver coin standards. Otherwise, your clientele will be strictly limited to “US citizens” and you will be under full obligation to completely reveal (1) the difference between “US citizens” and “American Nationals” and precluded from offering service to any American National; (2) required to prove the citizenship status of all clients and that they have adopted that status knowingly, willingly, and under conditions of complete, explicit, and fully discussed disclosure of the consequences as well as any benefits, (3) honor the living status of American Nationals and never again create accounts merely “in the name” of any living man or woman born on the land of the American states based on “representations” made in their behalf, (4) commit no act of false advertising, such as advertising “loans” based on the customer’s own credit. All national banks operating facilities on the land of the states will be obliged to conform to state standards and function according to “The Constitution for the united States of America” when addressing or offering services of any kind to American Nationals.

The circumstance that American Nationals have suffered in having no money with which to pay debts is entirely the fault of the private, for-profit corporations under contract to provide these governmental services and the Department of Defense Financial Services Administration. Any bank proposing to offer service to the American Nationals must provide interest free commodity based real money subject to the gold and silver coin standard, not corporate I.O.U.’s, not fiat

2621 “debt notes”, and cannot charge any interest, make any loan, or offer to indebt any American  
2622 National or state on the basis of failure to provide such service.

2623 **Military Officers, Police, Provost Marshals, Civilian Employees of DOD** - Remember who  
2624 you actually work for and make no mistake. There are two different populations being served.  
2625 American Nationals pay for your services and are owed your good faith service and dedication.  
2626 “US citizens” are allowed to be present on the land of the organic states, but operate (at present)  
2627 under a different government and are not owed the same protections, rights, and guarantees. All  
2628 American Nationals are owed all protections of their national trust indenture and commercial  
2629 service contract known as “The Constitution for the united States of America” and any law, rule,  
2630 statute, or code serving to infringe upon them or their material rights in contravention of **their**  
2631 Constitution is a violation of the Law of the Land and the Supreme Law of the Land which you  
2632 are obligated to observe, honor, and protect under contract.
