Notice to Principals is Notice to Agents, Notice to Agents is Notice to Principals

This Notice is to inform you that State of Arizona (DUNS #081496294, 119039552, 117512883, 072459266) / STATE OF ARIZONA (DUNS #102039491) has been acting criminally and recklessly and is accruing an enormous amount of debt. Their credit likely needs to be adjusted to reflect their actions.

We have become aware of the fact that every elected officer working for the State of Arizona (DUNS #081496294, 119039552, 117512883, 072459266) / STATE OF ARIZONA (DUNS #102039491) is violating the Constitution(s) on a regular basis and operating under a fraudulent oath of office. We have Noticed these criminals via Due Process and they have defaulted, resulting in liens against these entities that total in the Trillions of dollars.

We have obtained the oaths of office for EVERY elected officer of State of Arizona / STATE OF ARIZONA including the legislature, and they are all clearly fraudulent (samples enclosed). Every single oath claims multiple jurisdictions in the UCMJ and UCC, which is blatant fraud. We are forwarding all the evidence we have obtained on this and the crimes mentioned below to the AZ Supreme Court, U.S. Supreme Court, DOJ, FBI, Solicitor General and JAG for immediate prosecution to the fullest extent of the law.

In addition to holding elected office under fraudulent pretenses, these criminals have failed to recognize Notice of Ex parte Milligan and are still operating administrative, corporate and military tribunals after being Noticed that common law courts are operating on Arizona. This is a direct violation of the Constitution(s). The recent Supreme Court ruling SEC v. Jarkesy, 603 U.S. 109 (2024) states, "it violates the Seventh Amendment for agencies to adjudicate common-law claims in their in-house courts. Agencies accordingly must repeal any regulation authorizing enforcement proceedings that enable the agency's courts to impose judgments or penalties that can only be obtained via jury trial in Article III Courts." Furthermore, a recent letter from U.S. Solicitor General Dean John Sauer on

February 20th of 2025 states, "The Department of Justice (DOJ) has formally determined that multiple layers of removal restrictions for Administrative Law Judges (ALJs) in 5 U.S.C. 1202(d) and 7521(a) violate the Constitution. The Department will no longer defend these restrictions in court and has affirmed this position in ongoing litigation."

Administrative, corporate and military tribunals are NOT for People, they are for incorporated entities, and operating them while common law courts are functioning is a Constitutional violation. These elected state officers have also ignored Public Laws passed unanimously by the People on Arizona, have openly violated their oaths of office and the Constitution(s), and have failed to recognize the rights of those who have chosen to revoke their U.S. Citizenship to return to the land and soil jurisdiction as Americans - People, who are NOT under their purview.

As you may be aware, a fraudulent oath of office is a class 4 felony on Arizona by the corporate statutes created by these criminals (A.R.S. § 13-2702), punishable by impeachment and disqualification from holding future public office. Providing false statements or misrepresenting eligibility for office can lead to felony fraud charges per A.R.S. § 13-2310. Civil penalties can result in repayment of salary and benefits as well. The US Supreme Court has ruled on several occasions that fraud vitiates everything: United States v. Throckmorton, 98 U.S. 61 (1878), Marshall v. Holmes, 141 U.S. 589 (1891), Bank of the United States v. Ritchie, 27 U.S. 128 (1829), Hazel-Atlas Glass Co. v. Hartford-Empire Co., 322 U.S. 238 (1944), and Fedorenko v. United States, 449 U.S. 490 (1981). This means that in addition to forfeit of office, salary and benefits, all the aforementioned persons are subject to having everything their name is attached to since the day they signed their fraudulent oath of office voided for fraud.

These criminals need to be prosecuted to the fullest extent of the law for their many egregious crimes against the people and State Citizens (People) on Arizona. Regardless of whether or not prosecutors choose to act on these crimes, we will continue Noticing these miscreants and using Due Process to continue piling liens on them. They will either be prosecuted, go out of business, or both.

If you have any questions regarding these crimes, please contact Dennis Knill(c), Chair of the Arizona Assembly at (928) 821-0785 or dennisk@thearizonaassembly.org. We thank you for your attention to this matter.
